- e. Web Technologies Lab (BTCS751PCP) as renamed hereafter Advanced Java Technology Lab (BTCS751PCP)

**Item No. 11.4: Minor revision in existing syllabus:** Minor revision in existing syllabus and inclusion of elective courses were put up before the board members. The board members discussed the syllabus and minor changes were incorporated as suggested by the external board members which subsequently approved. (Annexure 11.4)

**Item No. 11.5: Conducting M.Tech dissertation viva:**

A minor revision is proposed by the department of CS&IT in evaluation policy of M.Tech dissertation final viva and resolved that all students must clear their backlog(s) if any before submitting dissertation report.

**Other Agenda Item:**

- a. Maximum ten projects or five group projects of MCA final year may be evaluated by an external examiner in two seating in a day. However, one examiner may evaluate entire batch of B.Tech final year projects in a day.
- b. Hon'able external members of BOS suggested that if any M.Tech (CS) student who seeks permission for extension apart from stipulated time allotted for dissertation completion, then student shall have to pay semester fees for which he has been granted permission by the DRC through Head/Dean. However, in any case a student shall not be granted extension for not more than four consecutive semesters even if student willing to pay semester fees in such cases.

The meeting ended with a vote of thanks.
