## **Centre for the Study of Social Exclusion and Inclusive Policy-(CSSEIP)**

### **Progress Report 1<sup>st</sup> April, 2016 to 31<sup>st</sup> March, 2017**

The Centre for the Study of Social Exclusion and Inclusive Policy (CSSEIP) is established at Maulana Azad National Urdu University (MANUU) – Hyderabad. Its' key objectives include contextualizing and problematizing, while conceptualizing, the exclusion and inclusion existed on the lines of caste/ethnicity and religion, in the society. It also plays a key role in suggesting policy formulations aiming at eradicating the problem of social exclusion and discrimination and protecting the rights of these groups. The CSSEIP has acclaimed its' existence as one of the few such Centres started in India following the UGC's initiative to establish and promote the Centres for study of Social Exclusion and Inclusive Policy during X Plan. Its activities include, teaching, research and action oriented programmes in collaboration with the reputed bodies working in the areas of social development among the socially excluded groups.

Therefore, the UGC has identified the Maulana Azad National Urdu University as one of the universities to set up a centre for the Study of Social Exclusion and Inclusive Policy (CSSEIP) to study the nature, extent and forms of social exclusion among some selective socially excluded groups at present and to suggest theoretical and policy formulations in this regard. The main thrust area of this Centre for the Study of Social Exclusion and Inclusive Policy (CSSEIP) is studying religious minorities with specific focus upon the Muslims as a socially excluded group, exclusion of Urdu speaking population, while studying the other excluded groups such as Dalits and tribes.
