Dear colleagues,

We invite to you for the upcoming literary festival, which will be a part of our Azad Day celebrations 2023.

During this week-long festival an event of book release is also planned on 7th November 2023 at 3 PM at Library Auditorium to encourage the authorship of our colleagues.

The literary festival is a platform for literary enthusiasts to celebrate the power of words and creativity. We would be honored if you could provide your most recent work done during 2021-2023 for this occasion.

Please let us know at your earliest convenience if you would be able to join us and if you could provide your recent book for the release. Your presence and your contribution to the festival would be a source of inspiration for our attendees.

If you have any questions or require further information, please do not hesitate to contact Dr. M Ekramul Haque, Asst. Professor of the Department of History. His mobile number is 88002 69320.

We eagerly anticipate your positive response and look forward to celebrating literature with you during our Azad Day celebration.

Thanks

Chairperson
