

## NOTICE

**SUB: Female volunteers are required to for the Exhibition on "Discover the Great Intellectual Muslim Women of All Time" in January 2024.**

**Ref: Approval by Hon'ble Vice Chancellor dated 29.11.2023.**

Throughout millennia, women have exerted a profound impact on their respective societies, at times altering the trajectory of history and at others reshaping substantial domains of existence. During and after the rule of the Prophet, exceptional women of various faiths and backgrounds collaborated with males for the betterment of their communities in society. Youth continue to be guided by these individuals in the form of charismatic individuals, motivational narratives, and unwavering resolve to effect positive change in their surroundings.

The Cultural Activity Centre in collaboration with the ILM Foundation is going to organize an exhibition on "Discover the Great Intellectual Muslim Women of All Time" tentatively in January 2024. The exhibition will highlight the contributions of Intellectual Women across various domains, challenging the stereotypical depiction of women within the Islamic faith. Additionally, it will honour the contributions of several extraordinary women and pay tribute to them.

Banners and live explanations of the contributions of approximately fifty intellectual women will be utilized to illustrate their contributions at the exhibition. Kindly fill out the below Google form to participate in the event:

<https://forms.gle/eGpXt5Es4uhS7BDp9>

Volunteers are needed for the live demonstration. All participants will receive the appropriate training for the live demonstration. Kindly register on or before 03.01.24.
