The committee has noted and approved the following items of the agenda;

Item 1. To report current academic activities of the department

Prof. Rahman, Former Head of the Department briefed about the establishment of the department in 2014 and progress made in terms of faculty, infrastructure, and academic programs by the department since then. Dr. Parveen Jahan reported the details of the Ph.D. program that was started in 2016. She also informed about research topic, allocation of supervisors and the progress of the work done by the students enrolled in 2016-17.

The item is noted and considered for post-facto approval.

Item 2. Research proposals submitted / prepared by the faculty for funding

The proposed /submitted research proposals are briefly discussed. While appreciating efforts by the faculty, Prof. Reddanna advised all the faculty members to submit research proposals for funding to develop infrastructure and research facilities in the department and publish high quality research articles. He also informed that, there is no need to approve this item, it only requires for information to the DRC members.

Item is thus noted.

Item 3. Recognition of supervisors in the department

The qualification of the faculty members are discussed in light of the Ph. D. regulations of the University and UGC. All the faculty members are found eligible to act as supervisor of research students.

Item is considered for approval

Item 4. To report enrolled students admitted in Ph. D. program in 2017-18

The committee discussed the particulars of the enrolled students and felt that to fulfill their financial needs urgent efforts are to be made through research projects from various funding agencies.

The item is approved.

Item.5. Allocation of students to the supervisors and their proposed topics

The Proposed research topics and allotment of the students to supervisors was discussed and approved. (Details are enclosed in the appendix).

The item is approved.

Item.6. Approval for faculty to Co-supervise students of other universities

The committee discussed about the approval of the faculty as co-supervisors to the students of other universities to encourage interdisciplinary and inter-institutional collaboration.

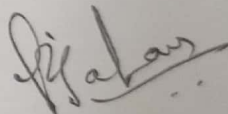

It was agreed with a condition that, it should only be with the three Universities (Osmania University, Jamia Millia Islamia and Aligarh Muslim University) as proposed in the agenda and at the most with other Central Universities only. This practice should be discontinued once sufficient numbers of students are on rolls in the department itself.

Item 7. Any other item

Prof. P. Reddanna extended invitation to visit UoH and advised to visit, discuss and collaborate with the faculty.

The meeting ended with thanks to Chairperson
