From the Vice Chancellor's Desk.....

As the Vice Chancellor of the Maulana Azad National Urdu University, I believe that the pinnacle of excellence in interdisciplinary research, innovation, and inclusive societal advancement can be achieved through education in the Urdu language. I imagine a future when our students can become visionary leaders with the knowledge, empathy, and willpower to make a world filled with positive change and limitless opportunity.

Standing at the juncture of last 25 years, to create this eco-system, I have a vision for the next 10 years: Including experienced individuals in the university's administration, decentralizing power and responsibility and raising the standard of work are crucial factors for inculcating a model of good governance. This is consistent with the ideas of effectiveness, competitiveness, independence, and self-sufficiency so that workable solutions can be developed by utilizing the core competencies of all stakeholders to address the issues the university is experiencing.

The University has made some significant decisions in the implementation of fresh concepts in the light of NEP 2020 in order to meet the current demand for a healthy academic environment. The introduction of foreign languages is one idea for which Urdu can serve the finest purpose in the field of translation and interpretation. There has been an emphasis on fusing several disciplines together to foster interdisciplinary, multilingual traditions. This would enable integration of subjects and cross cultural research cutting across boundaries.

In recent times, many intellectuals and men of letters in Hyderabad have willingly given their book collections to the University library so not only can they continue to be affiliated with the University but also our students can have access to these records for their academic research. Realizing the potential of this archival endeavour, national and international sources of funding have been procured to specially make this mission possible.

Another area in which we are able to maintain our source of knowledge, while adopting a clear strategy to empower our students professionally is through implementing programs in skill development. As a result, several of the disciplines are gaining increasing acceptance and support from other institutions and from students both inside and beyond the state.

As a major portion of students admitted to our university come from socially and economically disadvantaged backgrounds, stronger connections are being established with the madrassas through both physical and virtual channels. As per the mandate of the statute of the university, the institution is also now able to attract a large number of girls' students in regular as well as distance learning programs. This demonstrates the University's reach at all levels.

In addition to academics, the University environmental friendly campus positions its teachers and students to respect all living beings, to be courteous to one another.

All put together, there is a bright future that beckons the University.

Prof. Syed Ainul Hasan

Section I

About the University

Maulana Azad National Urdu University (MANUU) is a Central University established by an Act of Parliament in 1998. The University is named after Maulana Abul Kalam Azad, the freedom fighter and outstanding scholar, who as the first Education Minister of Independent India, envisioned and pioneered the foundation of technical, scientific and higher education in independent India. Spread over an area of 200 acres, the headquarter and main campus of MANUU is located in Gachibowli, Hyderabad in the state of Telangana.

University's Vision, Mission, and Core Values

Vision

To provide and promote quality higher education and research through Urdu and be recognized as the leading institution for academic excellence.

Mission

- *To disseminate knowledge through the medium of Urdu.*
- *To impart quality higher education in Urdu through regular and distance modes.*
- *To provide highest quality of teaching, learning and research environment to the students.*
- *To develop students' personality and enhance students' learning traits.*
- *To produce linguistically and socially responsible graduates who could make substantive contribution in the society and nation.*
- *To empower Urdu knowing people by providing higher education access to them.*

Core Values

MANUU is committed to

- *supporting and implementing its vision, objects and mission focusing on students' needs*
- *promoting continuous improvement in teaching and learning*
- *fostering research culture*
- *facilitating the spirit of scholarship in students*
- *promoting the notion of guidance beyond teaching among teachers*
- *manifesting the ethos of Urdu through its architecture and culture*
- *channeling the resources and potential towards nation building*
- *establishing, maintaining and expanding Green Campus involving stakeholders in the activities that affect them*
- *assessing and improving policies related with academic and administration, cultivating transparency in administration*
- *preferring merit and quality in all spheres of promotion*
- *recognizing the worth of all its teaching and non-teaching members, and treating all the students, staff and the people of the country with dignity*

The objects of MANUU as per Section 4 of its Act 1996 (No. 2 of 1997) are:

“to promote and develop the Urdu Language, to impart education and training in vocational and technical subjects through the medium of Urdu, to provide wider access to people desirous of pursuing programmes of higher education and training in Urdu medium through teaching on the campus as well as at a distance, and to provide focus on women education.”

Of the 29 ‘Powers of the University’ listed in its Act and Statutes, the first and foremost power is ‘to provide for instructions and research in such branches of learning as are relevant for furtherance of the objects of the University.’ This power empowers MANUU to promote and develop the Urdu language through all means available to it and all opportunities provided to it. MANUU’s march of certainty in the realization of its objects can be witnessed from its programmes of study, which are in keeping with not only the traditional branches of learning but also are relevant with the present disciplines of knowledge. MANUU started offering its educational programmes from the year 1998, through distance mode, and from 2004 through on campus regular mode. The campus/regular programmes are offered through Seven Schools of Studies namely

1. School of Arts and Social Sciences
2. School of Commerce and Business Management
3. School of Education and Training
4. School of Journalism and Mass Communication
5. School of Languages, Linguistics and Indology
6. School of Sciences
7. School of Technology (Computer Science and Information Technology)

These Seven Schools have 19 Departments, which offer undergraduate, postgraduate and Ph.D. programmes. In addition to these, MANUU has the following Eight Centers working on specific thematic areas facilitating academic, technical and professional training, and research activities in the respective specializations:

1. Al-Beruni Centre for the Study of Social Exclusion and Inclusive Policy (ACSSEIP)
2. Centre for Information Technology (CIT)
3. Centre for Professional Development of Urdu Medium Teachers (CPDUMT)
4. Centre for Urdu Culture Studies (CUCS)
5. Centre for Women Studies (CWS)
6. H.K. Sherwani Centre for Deccan Studies (HKSCDS)
7. Instructional Media Centre (IMC)
8. UGC Human Resource Development Centre (UGC-HRDC)

Ensuring access to quality education at all levels and that no individual is left out in the system, MANUU caters to students from primary to postdoctoral levels through its two Satellite Campuses, eight Colleges of Teacher Education (CTE), five Polytechnics, three Industrial Training Institutes (ITI) and three Urdu Model Schools spread across the geography of India.

In addition to the above the University offers programs through distance mode. MANUU distance education programmes are designed to reach the unreached, located in remote areas and/or have limited access to education especially due to linguistic and cultural barriers. The Directorate of Distance Education (DDE) provides academic and administrative support to the enrolled students through its nine Regional Centres (RCs) and six Sub-Regional Centres (SRCs), spread across eleven States of India. The main role of RCs and SRCs is to facilitate the student’s admission process and academic progression and quality assurance of Study Centres. At present there are 143 Learner Support Centres and 20 Programme Centres within the purview of these RCs/SRCs.

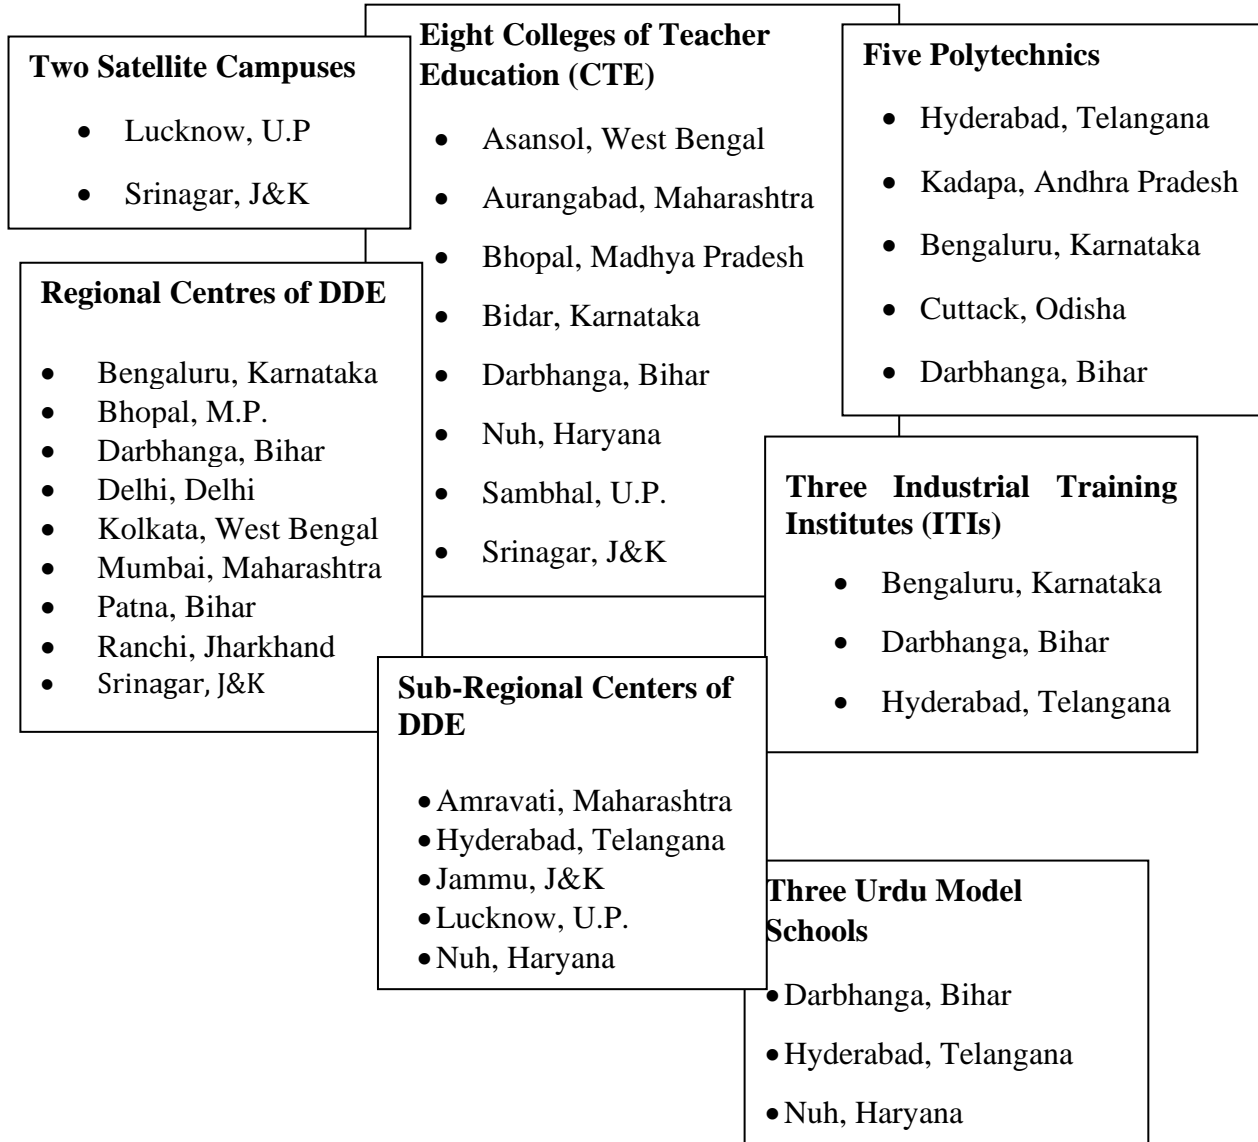

Fig. 1: Presence of MANUU Campuses in India

MANUU caters to the students' requirements through its three directorates i.e., Directorate of Admissions (DOA), Directorate of Distance Education (DDE), Directorate of Translation, Translation Studies, Lexicography and Publication (DTTLP), and the Academic section and the Examination unit along with seven Schools of Studies.

MANUU's Headquarter in Hyderabad houses buildings for Administration, all Schools of Studies and Departments, all Centers and Directorates, four Boys Hostels, two Girls Hostels, two Guest Houses, Health Centre, five Auditoriums, an Open-Air Theatre (OAT), Library, Polytechnic, ITI, Sports Grounds, Indoor Stadium, Central Park, Office of the Dean Students Welfare, Proctor's Office, Bank, Post Office, and Residential Staff Quarters.

The Governing Bodies of MANUU are the Court, the Executive Council, Academic Council, School Boards, Boards of Studies of the Departments, Finance Committee and other such committees and authorities as declared by the Statutes of MANUU. The Chancellor is the ex-officio Chairperson of the Court. The Vice Chancellor is an ex-officio Chairperson of the Executive Council, Academic Council and Finance Committee. The list of members of the Executive Council is at *Annexure I (A)*, Academic Council at *Annexure I (B)* and Finance Committee at *Annexure I (C)*.

Significant Achievements

The year 2022 is the Silver Jubilee year of MANUU and on this occasion it has rededicated itself to the mission of enriching and empowering the future generations especially women, with appropriate knowledge and skills. In line with this, MANUU has started two new Programmes viz M.A. in Legal Studies and Ph.D. at the H.K. Sherwani Centre for Deccan Studies and introduced several skills development courses.

The year is marked by the National Assessment and Accreditation Council (NAAC) assessing and accrediting MANUU, for the **third-cycle with a ‘A+’ Grade (3.36 score)**, and **UGC granting the Graded Autonomy status** which reflect the University’s endeavour to provide quality education.

The University has been striving to achieve the sustainable development goals which have led to the recognition in natural resource management such as the **“National Water Award 2022”** by the Department of Water Resources, River Development and Ganga Rejuvenation (DoWR, RD & GR), Ministry of Jal Shakti and the **“Gold Garden Award”** by Department of Horticulture, Government of Telangana.

As part of environmental protection and awareness campaign among the local communities, the students and staff members, under the Jal Shakti Abhiyan, has organized a special tree plantation drive and University staff and students participated in a walk for water on the occasion of the World Water Day. Further to create awareness and commitment to achieve and contribute to the Sustainable Development Goals (SDG) among the University students, staff and the neighborhood communities, MANUU has organized several workshops, seminars, conferences and special lectures and most importantly has been screening documentary films on conservation of environment, gender, climate etc. MANUU believes in bringing out the inherent talents of its students and empowers them to be active contributors to the development of the society. Thus, most of the events organized by the students reflect their endeavors to contribute to sustainable development, as well as their commitment to respecting and preserving cultural ethos. Some of the events organized by the students through the five student clubs include a Skit "Aurat" to mark the "Elimination of Discrimination Against Women," Essay Writing Competition on "Education for Gender Equality in Digital Age," a skit named "Jal aur Kal" and a mime performance "Hai Hai Pani" and Walk for Water (as a part of Jal Shakti Abhiyan), screening of the film "The Elephant Whisperers," and a documentary on Water at Open Air Theatre, a painting competition on “One Earth. One Family One Future.” etc.

The contributions of the faculty of MANUU, in terms of R&D activities has shown a steady progress which is reflected in the 675 publications and 22 patents during the academic year 2022-2023. To further enhance the students learning and expand the Research acumen, MANUU had signed MoUs and established collaborations both with National and International agencies and Institutes of repute. Some of them include MoU with White Nile University, Sudan and with the Department of Design, Indian Institute of Technology, Hyderabad, Apart from these Hon’ble Orhan Yalman Okan, Consul General, Consulate of the Republic of Turkey, visited MANUU, and discussed the possibility of an MoU between Turkish Universities and MANUU; Prof. Nitin Seth, Director, Indo-French Centre for the Promotion of Advanced Research, New Delhi, visited MANUU, and discussed the possibilities of a collaboration between the two institutions. To study the initiatives of the University on water conservation practices, experts from Les Ateliers de Cergy, France - Mr. Simon Brochard, Ms. Florance Bougnous, and Mr. Jean Grebert and experts from French Embassy, New Delhi- Ms. Marion Velut, Ms. Soana Grave, and Ms. Feli Visco and Dr. Pandit Madhurne, Director, Telangana State Ground Water Department, Hyderabad, and Mr. Srinivas Bairy, Senior Engineer, Central Water Commission visited the University.

As a part of G20 University Connect Program, MANUU organized a plethora of events. On March 21, 2023, students from University Fine Arts Club prepared a beautiful logo of G20. MANUU NCC Sub Unit organized a special lecture and a quiz programme on G20. MANUU and Institute Innovative Council, in collaboration with Telangana Science Fair Academy, organized an extension lecture, “G20 Countries Emerging Hub for Science and Technology.” Dr. Qazi S. Azhar, Clinical Associate Professor, Michigan State University, USA, delivered the lecture. Dr. Azizur Rehman, President, Telangana Science Fair Academy, also spoke on the occasion. Norwegian Pastor, Jan-Aage Torp, delivered a lecture “Culture and Peace in India” and Ms. Mirrin Raikhan, a delegate from Campus France, India, delivered a talk on “Higher Education Opportunities in France.”

MANUU recognizes the efforts of its past students and teachers in its Journey to Success and acknowledges their contributions to the various recognitions of the University. Commemorating the Silver Jubilee year, MANUU invited Prof. A.M Pathan, former Vice Chancellor, MANUU, to deliver the foundation day lecture and felicitated its Alumni Dr. Sajaudeen Nijmaodeen Chapparban, Dr. Muzamil Ahmed Baba, Mr. Mir Ehsan Ali, and Dr. Mohd. Abdul Aleem and Dr. Md. Afsar Ali Raeni.

ESTD. 2010 HYDERABAD THE **FREEDOM PRESS** HONEST JOURNALISM SATURDAY, 2ND JULY, 2023

MANUU signs MoU with NRIUMSD to collaborate in academic and research activities

TFP/FAROOQ KHAN
Hyderabad, July 1: MANUU signs MoU with NRIUMSD to collaborate in academic and research activities

Hyderabad, July 1 (UND) Maulana Azad National Urdu University's (MANUU) Instructional Media Centre (IMC) has entered into Memorandum of Understanding (MoU) with National Research Institute of Unani Medicine for Skin Disorders (NRIUMSD), Hyderabad in order to collaborate and engage in academic and research activities.

IMC will produce an Audio-Visual programme to help in promoting the Unani method of medicine and taking it to the public

worldwide. NRIUMSD is an autonomous organization under the Ministry of AYUSH, Government of India.

Prof Syed Ainul Hasan, Vice-Chancellor, MANUU and Dr Ahmed Mirhajuddin, Director, NRIUMSD signed the MoU in a ceremony held at NRIUMSD erstwhile Central Research Institute of Unani Medicine, Hyderabad on Thursday evening.

This collaborative ef-

fort will help the general public through documentaries on health problems and awareness & research.

Prof Ainul Hasan while describing the vast and glorious history of Unani medicine, said the effective traditional health system needs to be propagated through means of communications as well as in practice. Make the MoU real and this shouldn't remain on paper only, he said.

SECTION II

Student Enrollment and Academic Achievements during 2022-2023

MANUU is committed to provide access to high quality education to all deserving students immaterial of their socio-economic backgrounds, gender, religion and disability. MANUU currently offers 73 programs in both regular and distance modes. It offers 27 PG programmes; 15 UG programmes; 02 PG Diploma and 19 Diploma programmes including technical diploma programmes through Polytechnics, and 09 certificate courses. It also offers vocational programmes through Industrial Training Institutes (05 Trades). Further Ph.D. programmes in 25 disciplines and Postdoctoral programs are also offered at the University.

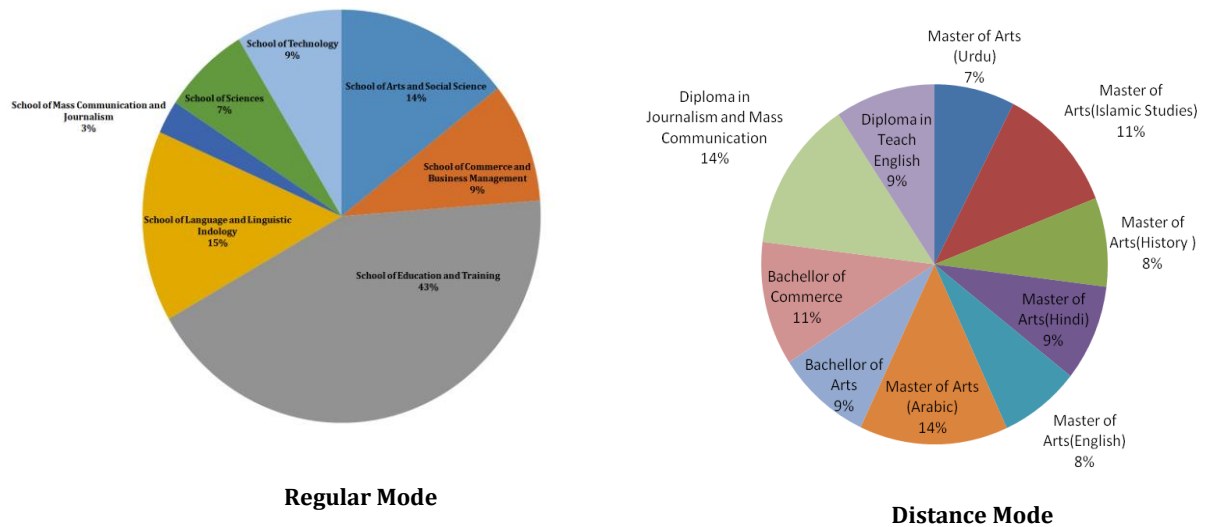

Fig. 2: School wise Admissions in Various Programs

Inclusion and diversity are central to the vision of MANUU and in line with this, the University makes every effort in providing an apt environment for holistic development of its students. In the academic year 2022-2023, MANUU welcomed students from around 20 States and more than 200 cities and towns across India. It has also attracted 20 scholars from abroad both at P.G. and Ph.D. levels. More than 60% of the students enrolled are first generation learners coming mainly from Tier II and Tier III cities of India.

Fig. 3: Inclusion and Diversity on the Campus

The initiatives of the University are focused at contributing to the achievement of Sustainable Development Goal 4: *Quality Education* and the targets associated with it . The University caters to Linguistic minority students, most of them first generation learners and from economically disadvantaged backgrounds (4.3. *Equal access to affordable technical, vocational and higher education*). The diversity in the programs offered by the University taking a multidisciplinary approach has resulted in providing an inclusive academic structure (4.4. *Increase the number of people with relevant skills for financial success*). The University has successfully moved ahead in accomplishing its vision and mission of mainstreaming the socially and economically disadvantaged linguistic minority population as reflected from the diversity and inclusiveness in students’ population, with students coming from 13 States and marginalized communities (4.5. *Eliminate all discrimination in education*). (Fig: 3.)

In year 2022-2023, more than 2707 students are admitted in regular Programmes. The detailed program wise enrolment is at **Annexure II**. During this period of report, 518 Scholars are pursuing the Ph.D. Programme. Looking at Gender diversity, 72% (1941) are male and 28% (966) are female students (Fig.4).

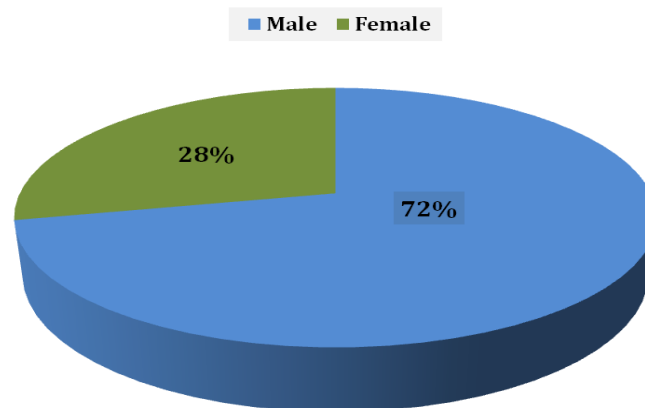

Fig. 4: Gender wise Admission in Regular Programmes

Programmes such as English, History, Education and Training, Computer science and Technology, and B.Voc., which has more employability opportunities and skills component, have shown an increasing enrolment of female students (Fig. 5).

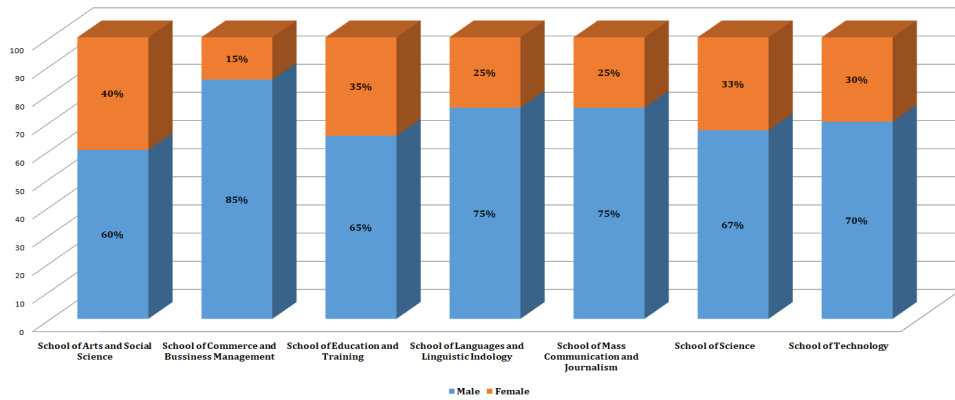

Fig 5: Percentage of Male and Female Students Enrolled in UG Programmes

An encouraging trend is the consistently increasing enrolments of female students in Postgraduate and Ph.D. programs, especially those in Science and Technology and English language, which have a high employability prospect in the teaching profession, and also Health sector which has been the preference of the female students enrolling in the University (Fig. 6 & Fig. 7).

Fig. 6: Percentage of Male and Female Students Enrolled in PG programs

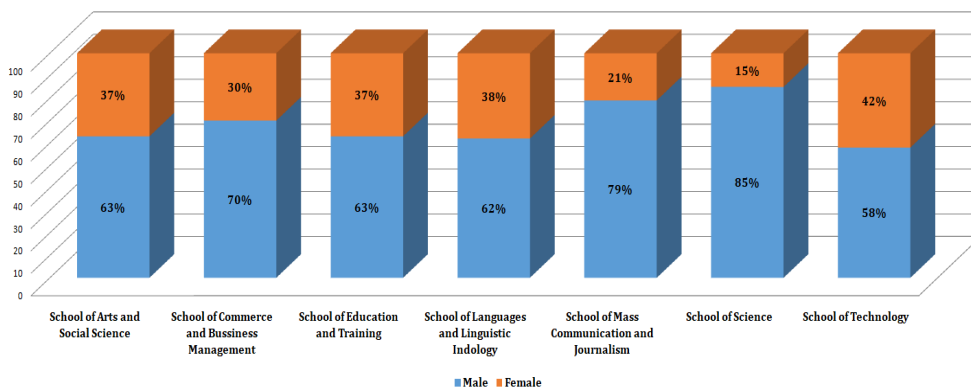

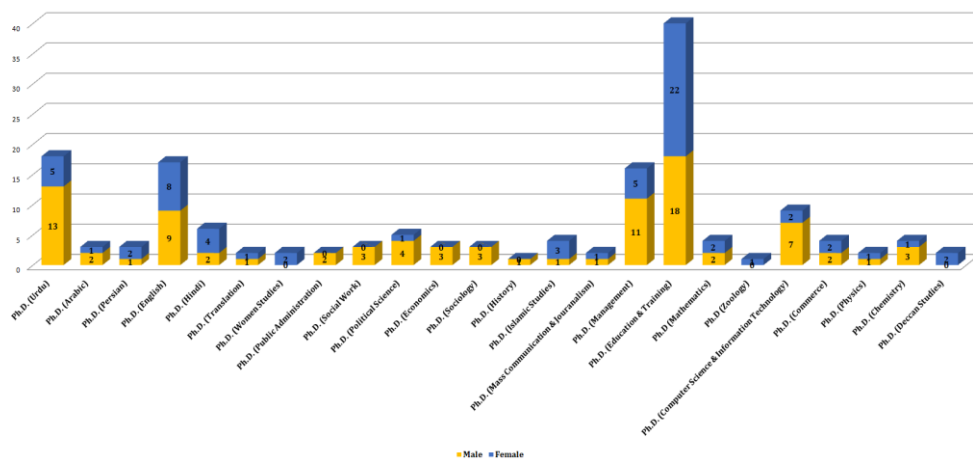

Fig.7: Number of Male and Female Students Registered for Ph.D. in Different Disciplines

Distance Education

Contributing to *Target 4.6. Universal literacy and numeracy of SDG Goal 4: Quality Education*, the Directorate of Distance Education (DDE) offers six PG programmes (M.A. in Urdu, Hindi, Arabic, English, History and Islamic Studies), four UG programmes (B. A., B. Com., B.Sc. and B. Ed.); two Diploma Programmes (Diploma in Journalism and Mass Communication, and Diploma in Teach English); and two Certificate programmes (Proficiency in Urdu through English, and Functional English). Admissions to the Programs are online through SAMARTH ERP. In the Programmes offered through Distance Education mode, the total enrolments for the reporting academic year was 9349, with 5022 (54%) male and 4327 (46%) female students (Fig.8). Programme wise enrolment in Distance Education programs are as given in *Table 1*.

Table 1: Programme Wise Enrolment of Students in Distance Education (2022-2023)

Programme	Admitted	Male Students	Female Students
Master of Arts (Urdu)	2106	951	1155
Master of Arts (Islamic Studies)	474	329	145
Master of Arts (History)	392	190	202

Certificate Course in Functional English	12	8	4
Certificate Course in Proficiency in Urdu through English	34	25	9
Total	9349	5022	4327

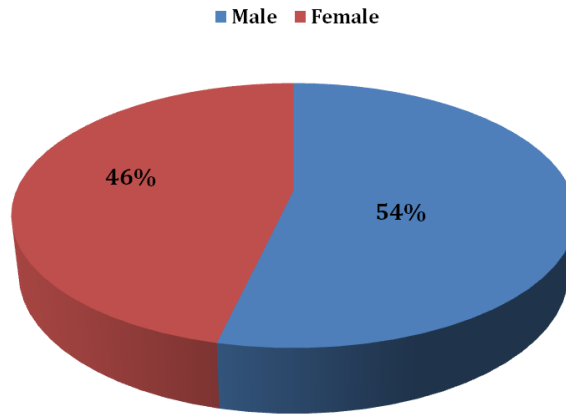

Fig. 8. Gender Wise Enrolments in Distance Education Programmes

The University is making all efforts to break the barriers and maximize access to Higher Education for Girls. While the enrolment of female students in the regular programs at the UG level has been not very encouraging, female students enrolments in Distance mode are steadily growing, which in some programs like M.A. (Urdu), M.A. (History), M.A. (English) exceeds the male students (Fig.9). As most of the enrolled students are either in the teaching profession or are aspiring for teaching positions, these subjects have been preferred by female students.

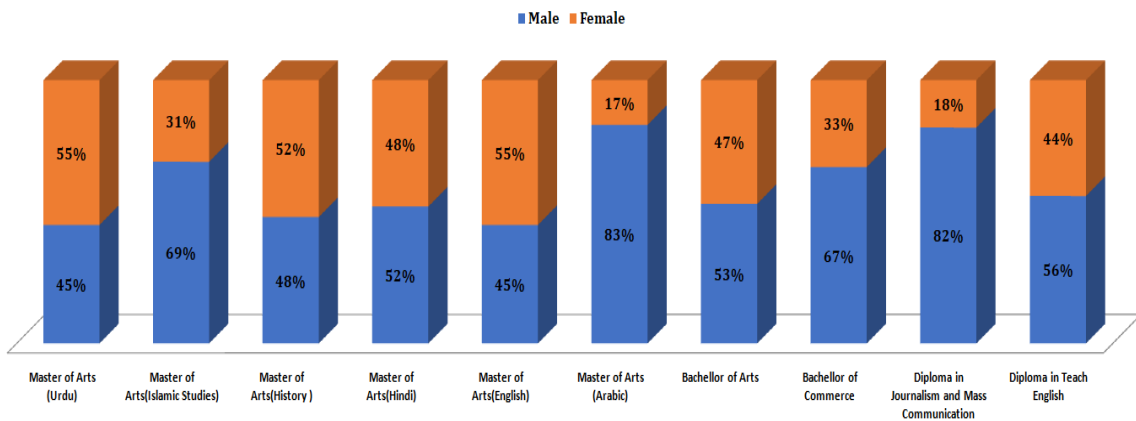

Fig. 9. Percentage of Male and Female Students Enrolled in Distance Education Programs

Polytechnics and ITIs

The five polytechnics and three ITIs contribute towards the achievement of *Target 4.3. Equal access to affordable technical, vocational and higher education and 4.4. Increase the number of people with relevant skills for financial success of SDG 4: Quality Education.*

The five Polytechnics of MANUU offer three-year Diploma programs in Civil Engineering, Computer Science and Electronics, Communication Engineering, Information Technology, Mechanical Engineering, Electrical and Electronics Engineering, Automobile Engineering, and Apparel Technology. Apart from the students with a Secondary School Certificate (10th Grade Pass) the Polytechnics also admit students qualifying from the ITIs under the lateral entry scheme. Details of students admitted in the five Polytechnics are at *Table 2.*

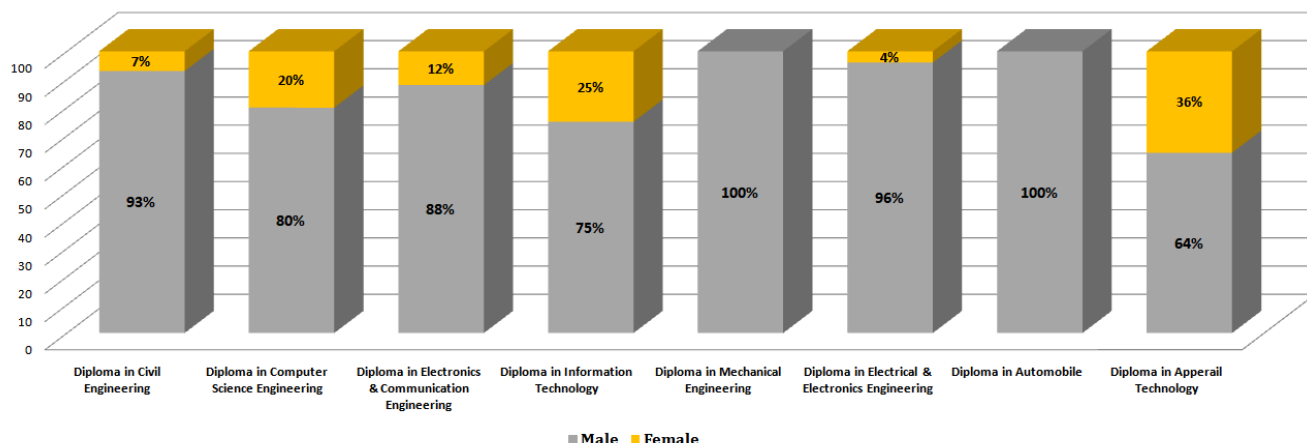

Fig. 10. Gender Diversity in Diploma Programs (Polytechnics)

To impart Vocational and Technical Education in Urdu medium, University started ITIs at three locations namely ITI-Hyderabad, ITI-Bengaluru and ITI-Darbhanga. These ITIs offer Trade/ Certificate programmes in Draughtsman (Civil), Electrician, Electronics Mechanic, Mechanic (Refrigeration and Air-conditioner) and Plumber. Details of Students admitted in the three ITIs are at *Table 3*.

Table 3: Details of Students Admitted in the Three ITIs

S.NO	Programme name	Number of eligible applications received	Number of students admitted	
			Male	Female
1	Draughtsman (Civil)	293	8	0
2	Electrician		32	0
3	Electronics Mechanic		24	7
4	Mechanic (Refrigeration & Air-conditioner)		18	0
5	Plumber		9	0

Graduate Outcomes

During this period of report 518 Scholars are pursuing the Ph.D. Programme and 87 scholars have been awarded Ph.D. degrees. The list of students awarded Ph.D. degree is at *Annexure III*. During the same period i.e. academic year 2022-2023, 1990 students appeared in the final semester examination and 1813 students passed the examinations. The programme wise details of students graduating from the University is at *Annexure II(A)* and *Annexure II(B)*. The average pass percentage stood at 93.34% (Fig.11). If we look at the gender distribution of the graduating students, both have performed almost at the same levels. The impact of various career counselling and placement activities organised on the campus has resulted in the gradual increase in the number of students placed and/or continuing to pursue Higher Education and the performance of students of MANUU at the various National and State eligibility tests (*Table 4*).

Academic Schools of Studies and Departments

School of Arts and Social Sciences

School of Arts and Social Sciences (SASS) was established in 2005. It has eight departments namely- Economics, History, Islamic Studies, Political Science, Public Administration, Social Work, Sociology, and Women Education. The school offers an interdisciplinary UG programme, and nine P.G. and Ph.D. programmes and two Diploma and a Certificate program (Table 5). Prof. Farida Siddiqui, is the Dean of the School.

Table 5: Programmes offered under School of Arts and Social Sciences

S.No.	Department	Programmes			
		*UG	PG	Ph.D.	Others

7	Department of Sociology	B.A.	M.A. (Sociology)	Ph.D. (Sociology)	-----
8	Department of Women Education	B.A.	M.A. (Women Studies)	Ph.D. (Women Studies)	-----

*Note: * The BA programme is a single multidisciplinary programme offered across departments.*

Department of Economics

The Department of Economics at Maulana Azad National Urdu University was established in 2014. The department intends to make a qualitative contribution to teaching students through Urdu medium so as to promote ‘inclusiveness’ in higher education - a pre-requisite to ‘inclusive growth’.

Since its inception, the department offers courses for graduate and post graduate programs in Economics. The faculty members at the Department are from diverse fields of specialisation such as International Trade, International Finance, Applied Econometrics, Quantitative Economics, Monetary Economics, Islamic Banking and Development Economics. The diversity of specializations of the faculty members promotes multifaceted research at the department as well as contributes to provide a wide range of specialisation to its post graduate program in Economics. The department also recognizes the growing demand for trained manpower in applied economic research for Agriculture, Industry, Government, IT sector, Banking and

Finance sector, NGOs and other socioeconomically relevant fields. To cater to the growing demand for the trained economists for the industry and the academia, the department started Ph.D. program in Economics from the academic year 2017-18. The thrust areas of the department are development of marginalized and minority communities in India in general and Andhra Pradesh and Telangana in particular.

The course structure of the department's post graduate program and the research being undertaken at the department have been thus designed to focus on these thrust areas identified by the department. With a judicious mix of theoretical and quantitative approach, the department since the day of its inception has geared itself to emerge as a strong teaching, learning and research department of the University. The Department has made all necessary preparation for implementing NEP from the Academic session 2023-24 at U. G. Level.

Department of History

The Department of History was established in 2014. The Department offers courses for UG programs and M.A. in History and Ph.D. programmes. The Department has devised its syllabus keeping in view national interest, country's ethos, employability of students and objective of the University to promote women's development and other sections of marginalized communities. Its aim, in particular, is to nurture the spirit of the national integration and multiculturalism within globally set standards of quality teaching and research. The Department plans to start research program and degree/diploma in Tourism Management and courses allied to the Industrial Development, Cultural Diplomacy and Policy Planning, Archaeology, Archival Management, Environmental History etc. which will provide better job opportunities to the students.

By Dr.Sarah Fatima Waheed, Fulbright Scholar, USA

Department of Islamic Studies

The Department of Islamic Studies was established in 2013. The Department offers Ph. D., M.A. and Diploma in Islamic Studies programs along with Islamic Studies as a core paper for undergraduate programmes. The department also offers Islamiyat paper for students of Non Madrasa background and Introduction to Major World Religions to Madrasa Background students enrolled in undergraduate programmes as Non CGPA paper.

The main objective of the department is to impart teaching and conduct research in Islamic Studies in a modern perspective. Islam has a vast history of its rich civilization and culture pertaining to India and the world as a whole. Its achievements have been very unique in various fields of human life and has played a remarkable role in the progress and prosperity of humanity. Thus with the aim to train scholars in the subject of Islamic Studies the Department has identified Islamic Sciences, Law, Culture, Civilization and Mysticism as its thrust areas for research.

Department of Political Science

The Department of Political Science came into existence as an independent Department in 2015. The Department has a promising team of young faculty members displaying a great diversity in terms of their regional background and academic interests. The department encourages interdisciplinary research and collaboration with other departments, allowing for a broader perspective on political issues. Accordingly, it offers M.A. and Ph.D. programmes and offer courses in some of the undergraduate programmes of the University. The diverse teaching and student’s body promotes cross cultural understanding within the Department. The faculty of the Department are making all in efforts to enhance opportunities for internships, placement and practical exposure for its students by strengthening its industry connections and partnerships. The future plan of the Department is to leverage the growing interface of big technologies with politics by offering specialized courses tailored to contemporary needs.

Department of Public Administration

The Department was established in 2006. With students coming from across the country, the Department makes all in efforts to promote cross cultural understanding. The medium of instruction is Urdu. The focus is on the overall development of the students. It prepares the students for careers in academics, administration, corporate sector and research.

In collaboration with National Academy of Legal Studies and Research (NALSAR) University, the University introduced a Master’s Degree Programme (M.A.) in Legal Studies in 2022. This is a Regular (Full - Time) two years (Four Semesters) Programme. The programme enables the students to develop

skills in Law, Learn to review contracts, Arbitration, Mediation, Conciliation and other Alternative Dispute Resolution methods. Students completing this programme will be eligible for employment in NGOs, Civil Society Organizations, Health Sector, and Corporate Sector.

The Department has a pool of talented and experienced staff. The faculty have published books both in English and Urdu and a number of articles have been contributed to reputed Journals. The Department is actively engaged in research work with several scholars pursuing their Ph.D. Programme in areas such as Public Policy, Local Government, E-Governance, Women Rights, Child Rights, Minorities Rights, Human Rights and Disaster Management. Further, a number of students of the Department have qualified NET/SET and were awarded ICSSR and Maulana Azad National Fellowship for Research. In line with the NEP-2020, requirements the Department has developed course curriculum for four-year multidisciplinary UG Programme with dual major to be rolled out from 2023.

Department of Social Work

The Department of Social Work aspires to develop social work professionals with an inclination and orientation to work with the marginalized sections and contribute to human wellbeing. The department owes this to the very mandate of MANUU which is expected to provide higher, technical and professional education, and to promote Urdu language- the repository of composite Indian culture.

The Department of Social Work is presently offering Master of Social Work (MSW) program for Urdu speaking students. The majority of students have a challenging life trajectory and we, at Department of Social Work, see it as a great opportunity to work with these students. The Department started Ph.D. programme from academic session 2014-15.

With the first batch of MSW starting in 2009, the Department has evolved to develop a large network with the NGOs and governmental agencies in and around Hyderabad. This has resulted in effective and rigorous field work training. The experiences of running the course, consistent queries from students, feedback from the pass-out social work students, the Department's own assessment of the market

requirements, the mandate of MANUU and Urdu as medium of instruction resulted in evolving innovative teaching and learning methods.

This is reflected in the initiatives at the Department called *“Innovative Academic Interventions”*. The regular, weekly individual conferences, field work, seminars and skill labs have added to the creativity and commitment of the Department to enhance and enrich the knowledge and skill base of students. More recently department is experimenting with visual narratives through documentary film screenings and post-screening discussions for making sense of (hegemonic) common sense. It endeavours to facilitate students in questioning their own perceptions, develop sensitivity to issues and imbibe progressive human values.

The curriculum supplements the quest of the Department of Social Work to develop professionals capable enough to feel, reflect and challenge the oppressive social structures within the society; locate problem areas; develop intervention plans; and contribute to the overall development processes.

Department of Sociology

The Department of Sociology was established in the year 2014. The Department offers M.A. and Ph.D. programmes, in addition to courses in UG programmes. The multi-cultural and diverse geographical backgrounds of the learners in the department, makes communication a challenging task and intermingling slow at the initial years after joining the course. The curriculum focuses on the sociological perspective addressing diverse aspects of contemporary society with historical patterns. The Departments' teaching faculty, are alumni of premium institutes of the country and have expertise in diverse academic domains. The Department is committed to carrying out research in sociological issues covering modernity, work, technology, consumerism, family, health, death, education, popular culture, social justice and social policy, religion, poverty and development, law, crime, ethnicity, gender and sexuality, etc. The Department prepares the students to build a foundation of critical thinking and research skills and equip them to develop careers in varied professions such as academic research and teaching, media, administration, community development, market research, youth and family services, welfare policy and administration, and the evaluation of social programmes.

The Department of Sociology will be implementing the NEP 2020, from the Academic Year 2023-24, for which it is developing a robust B.A. Honors and B.A. research program in sociology. For these programs, the Department is designing and introducing a diverse curriculum, containing a variety of new and innovative courses, like the sociology of health, hygiene and sanitation, corporate sociology, sociology of labour, sociology of education pedagogy, social entrepreneurship, digital sociology, sociology of leisure and tourism, ecotourism, sustainable development, etc. The department is exploring opportunities for collaborating with the leading academic, research, and public welfare institutions for short-term and long-term student and faculty exchange and research.

Department of Women Education

The Department of Women Education was established in 2004. The Department offers Post-Graduate, and Ph.D. programs in Women's Studies since its inception. The syllabus for the course is designed with an aim to empower students with adequate knowledge of their rights and privileges and prepare them to emerge as successful change-agents in the desired direction of social transformation. The Department is going to implement NEP2020 from the academic year 2023-24 for UG programme.

Although the Department of Women Education offers gender responsive teaching and research in the discipline of "Women's Studies", it preferred a transformative approach to address existing gender inequalities and to re-define gender roles and relations by conducting various extension and outreach activities. Accordingly, the department organized seminars, symposiums, panel discussions and extension lectures on contemporary gender issues and Women's rights to enrich the knowledge of its students. The department sensitized the students by screening films and documentaries on various problems of women in Indian Society. In continuation of the action plan, a life skill training program on "Women and Reproductive Health and Hygiene" and awareness programs like, exhibitions, poster making, slogan writing and plays on gender issues were organised.

School of Commerce and Business Management

The School of Commerce and Business Management (SCBM) was established in the academic year 2004-05. Through the Department of Management and Commerce, it offers Ph.D., M.B.A., M.Com., and B.Com. programs. SCBM's strength lies in nurturing comprehensive conceptual and professional skills among students through focused education and training. SCBM promotes a culture of persistent learning and self-development, ensuring continuous growth for all stakeholders involved in its programs. The SCBM promote faculty and doctoral research, professional training, and outreach activities in various sectors. *Prof. Badiuddin Ahmed, is the Dean of the School of Commerce and Business Management*

Department of Management and Commerce

The Department of Management and Commerce, is established in 2004-05, Offering programs like Ph.D., M.B.A., M. Com., and B.Com. it strives for excellence in management and commerce education, research, and outreach. With a vision for multi-disciplinary developmental perspective, the department focuses on developing professional skills among students. The curriculum and the project work have emphasis on sustainability-oriented management practices and encourage persistent learning and self-development among the students. Core activities include organizing lectures, professional skill development sessions, research and collaborations with reputed institutions and industry partners. The department is committed to provide high-quality education, fostering sustainable management, and creating a culture of continuous learning.

Over the next year, the Department of Management and Commerce aims to enhance its teaching effectiveness and student engagement in learning by embracing technology-enabled learning tools and platforms and providing access to online learning resources, virtual labs, and collaborative learning fostering a blended learning environment.

School of Education and Training

School of Education and Training (SET) was established in 2006. The School focusses its work towards achieving the *Target 4.A. Increase the supply of qualified teachers in developing countries of the SDG:4: Quality Education*. The school has a Department of Education and Training and eight Colleges of Teacher Education (CTE) all over India, namely, MANUU CTE at Aurangabad, Asansol, Bidar, Bhopal, Darbhanga, Nuh, Sambhal and Srinagar. To support the programmes, there are also three MANUU Model Schools under the School of Education and Training. The programmes offered by the school are detailed in Table 7. Prof. Siddiqui Mohd. Mahmood is the Dean of School of Education and Training.

Department of Education and Training

The Department of Education and Training (Hyderabad) was established in 2001. The objective of the Department is to promote quality teacher education through Urdu medium, to develop research orientation among teacher-educators, to evolve strategies to empower Urdu teacher-educators, to train and develop highly efficient and committed elementary and secondary teachers, and teacher educators. The Department fosters collaborations with local schools, educational organizations, and industry partners to strengthen the practicum component and enhance the relevance of the programs.

The Department offers Diploma in Elementary Education (D. El. Ed.), Bachelor of Education (B. Ed.), Master of Education (M. Ed.) and Doctor of Philosophy (Ph.D.) programmes through Urdu medium. The Programmes have recognition from the National Council for Teacher Education (NCTE) and follow the curriculum frameworks provided by the NCTE/ UGC. The Department has a dedicated and committed team of 39 (main campus, Hyderabad) experienced teaching staff, who facilitate innovative teaching practices and encourage the implementation of research-based approaches in the classroom. The faculty and student diversity foster a culture of inclusivity and diversity, ensuring that students from all backgrounds feel supported and valued.

The curriculum takes a focused approach by including modules on values, ethics, and social responsibility across all programs. The Department encourages professional development opportunities for faculty members and staff not only to enhance their knowledge and pedagogical skills but also to engage in research and publication in the field of education. The Department foster collaboration with other educational institutions and organizations to facilitate knowledge exchange and encourage faculty and students to engage in research activities that contribute to the advancement of educational theories, practices, and policies. The partnerships with schools facilitate practical training opportunities and access

to real-world teaching experiences. There is a comprehensive student support system to provide academic and personal guidance to students throughout their educational journey.

The significant initiation in implementing NEP 2020 is the decision to start a 4 Year ITEP program in Humanities, Sciences and Commerce at Secondary level from the academic year 2023-2024. The ITEP program recognised by NCTE, will focus on providing students with a comprehensive understanding of education theory and practice. Further, the implementation of skill development programs at the Department of Education and Training, MANUU, is a significant step towards implementing the skill development provisions of NEP 2020. These programs aim to develop a wide range of skills in students, including language skills, creative skills, digital skills and life skills. The programs are designed to be practical and hands-on, providing students with opportunities to apply their skills in real-life situations. These initiatives will contribute to the transformation of the education system by providing students with a comprehensive understanding of education theory and practice.

Lecture on Challenges of Being a Teacher in the 21st Century

Mahatma Gandhi: With Time and Beyond the Time Gandhi Jayanti Celebration-2022

MANUU Model School, Hyderabad

MANUU Model School Hyderabad is a Urdu medium senior secondary co-educational school, established in 2007, affiliated to CBSE and run by Maulana Azad National Urdu University. The School has a total of 52 teaching and non-teaching staff and a student strength of 842 (332 boys and 510 girls). The classrooms are spacious and well ventilated; it has a spacious library with over 2974 books excluding journals and magazines. There are well equipped labs for subjects like Physics, Chemistry, Biology, Biotechnology and Computers. There is a playground with volleyball court, basketball court and a tennis court. Besides, it has a separate space for playing indoor games like table tennis, carroms, chess etc.. To foster the vocational skills of the students there is a well-maintained craft room with 28 sewing machines. Further, a seminar hall with an overhead projector serves the purpose of organizing workshops, seminars and other related academic activities. Students are regularly trained in Yoga by a well qualified and highly experienced Yoga instructor. The well designed approaches and methodologies for teaching the students of primary section, keep them engaged throughout the day with a wide variety of playful activities and a number of visual inputs, TLMs and other relevant teaching aids.

Continuous formative and summative assessments are organized through a well-planned annual schedule of tests and examinations. There is an extensive schedule for organizing extra -curricular activities to achieve all round personality development of students. Parent - Teacher Meets are organized on a regular basis for appraising the academic performance of the students to their parents.

College of Teacher Education, Asansol, West Bengal

College of Teacher Education (CTE), Asansol, West Bengal, was established in 2013 as a Constituent College of Maulana Azad National Urdu University, Hyderabad. The objective of MANUU CTE, Asansol is to provide quality teacher education and training through Urdu medium to the large number of Urdu speaking students from West Bengal and training them to be teachers especially catering to Urdu medium Schools and as teacher educators and researchers. At present, MANUU CTE, Asansol is offering B.Ed. (Regular) 2 years program as per NCTE norms through Urdu medium and has an enrolment of 200. The College is established to meet the ever-increasing needs of the Urdu Medium Secondary and Higher Secondary School Teachers in West Bengal in particular and the nation as a whole.

The college has a spacious building with required number of class rooms, well-furnished multipurpose Hall, and well-equipped Science and Mathematics resource Centre, Psychology Lab, ICT Resource Centre, Art and Craft Resource Centre and facilities for Health and Physical Education activities etc. .The library is well furnished with 3500 books, and 19 journals. Further, the library is attached with a spacious reading room which can accommodate 50 students at a time. To safeguard the premises against fire hazard desirable equipment have been provided in all parts of the building. Uninterrupted electricity and safe drinking water facility also have been provided in the institution. Internet facility is made available for use by both the students and the faculty.

Throughout the academic calendar students get comprehensive theoretical and practical experiences. All curricular and co-curricular activities of 2 years B.Ed. program are divided in to four semesters including three basic areas of experiences i.e. Area A. Foundations of Education; Area B. Curriculum and Pedagogy; and Area C. School internships (a 6 months of comprehensive, naturalistic and holistic school teaching experiences). The centralised assessments and evaluation systems comprises of diverse methods viz. external and internal assessment and evaluation systems including oral/written test, assignments, presentations, field trips and extended school internship spaced throughout the academic calendar. There is also a provision of time bound online evaluation system and a mechanism of discussions on students answers scripts and obtaining feedback. Results are declared immediately (within a week) after the examination.

Additionally, for the holistic development i.e., physical, mental, social, psychological, and emotional development of prospective teachers, and to develop a coherent relationship with community and society, the following activities/events, social awareness program are organised by the MANUU CTE Asansol, throughout the academic calendar wherein both the students and faculty are involved.

- Organisation of Games and Sports
- Training of Yoga and Meditation

- College Tours and Excursions
- Community Interaction Programmes
- Awareness Campaign like Swachh Bharat Abhiyan
- Awareness Rallies on National Education Day, National Unity Day etc.
- Environmental Campaign
- National Service Scheme (NSS) Camp
- Celebration of Environment Day/Unity Day/Teachers' Day/Education Day/ Independence Day/ Republic Day/Women Empowerment Day and so on.
- Organisation of Different Cultural, Literary and Art and Craft Activities , Poster Making, Slogan Writing, Essay Writing, Singing competitions etc.

Most of the graduating students are engaged in various state and national institutions and in reputed schools, NGO's and some are pursuing Masters and/or Ph.D. Program in MANUU, Jamia Millia Islamia, Aligarh Muslim University, Banaras Hindu University, JNU, Delhi University and other central and state universities.

College of Teacher Education, Aurangabad, Maharashtra

MANUU, College of Teacher Education, Aurangabad, Maharashtra, is a Constituent College of Maulana Azad National Urdu University, established in 2013 and started functioning from the academic session 2014-15 after getting the approval from the NCTE. Mrs. Fauzia Tahseen Ahmed Khan, the then Secretary of ‘Cosmopolitan Educational Society’ and MLC of Maharashtra donated around four acres of land to MANUU for developing a permanent Satellite Campus of MANUU at Aurangabad. The College is established to meet the ever-increasing needs of the Secondary and Higher Secondary School Teachers in Maharashtra who can teach to students in Urdu medium. Since its first academic session 2014-15, the college is catering to the needs of Urdu medium students and preparing quality trained teachers in all the disciplines of school subjects with the help of dedicated and qualified faculty.

The college has experienced, dedicated and research-oriented teaching faculty. The faculty has to its credit, research publications in national and international journals/magazines, and also books and chapters published. The college has well-maintained infrastructure, with a well-equipped library, laboratory, sports ground, health and physical education room, ICT lab, psychological lab, social science lab, science lab, art and craft room, well-furnished and ventilated classrooms with ICT facilities.

The innovative methods of teaching by teachers provide an effective teaching and learning environment as it is learner-centric and also encourages collaborative learning. Technology is used in regular classroom teaching. Remedial classes are conducted to help those students who need special attention in reading and writing Urdu.

For the holistic personality development of the students, they are exposed to and engaged in various extra-curricular activities, sports and cultural activities, extension and community service programmes etc. There is an excellent student-teacher interaction, where from time-to-time mentoring and counselling of the students is done to ensure their positive well-being and good mental health. The schools engaged to train students for Internship and Training Programme have smart classrooms and are well-equipped for contemporary teaching practices using ICT.

Seminars, Conferences and Workshops are conducted where in eminent Resource Persons are invited to deliver lectures and motivate the students. Students’ success in CTET and other competitive exams reflect the quality provisions of the college. The college carries out a transparent evaluation system. There is a provision for students to discuss their answer scripts with the evaluator.

Following the guidelines of the Head Quarters the college is also preparing for implementation of NEP 2020, by building capacity of faculty for engaging in teaching for a multidisciplinary program; development of Indian values and ethics, use of technology and latest advances in education and pedagogy. For achieving this the College is discussing with various institutions and organisations to sign

MOUs for offering specialised skill courses in fine Arts, Music, Dance, Physical Education, Yoga etc. The faculty and students of the College are actively participating in extension and outreach activities and community service. Apart from use of ICT in teaching learning, use of platforms such as SWAYAM for online training of students and teachers in various courses is encouraged.

College of Teacher Education, Bhopal, Madhya Pradesh

The MANUU, College of Teacher Education, Bhopal was established in 2006. It offers B.Ed., M.Ed. and Ph.D. programmes in Education. The Post Graduate Teacher Education programme (M.Ed.) was started in the year 2014, and Ph.D. programme was offered from 2017-2018.

CTE, Bhopal has strong and rigorous Teacher Education programs that provide students with the knowledge, skills, and competencies needed to further their education or enter into the workforce immediately upon completion of the program. Students of CTE, Bhopal show a high degree of confidence and satisfaction in their academic programs, as well as in the faculty advice they receive concerning their academic options and pathways. Employers feedback also reveals that the students demonstrated required competencies and skills through their programs of study. The college building has exceptional high quality physical facilities, located in a pollution free environment. The faculty of CTE Bhopal are well qualified and have extensively contributed to their field with leading academic work. They play a representative and integral role in the education related policy-making of the various States and continuously add new content for their students particularly in Urdu. The students are from pan India pursuing the programs either on regular mode or through distance learning.

CTE, Bhopal provides quality education to meet the changing needs of the society and industry; and also maintains excellent standards of education by continuously evaluating teaching methodologies. CTE offers variety of courses to cater to diverse educational needs of students to promote communication skills, analytical skills and critical thinking of students with the help of innovative teaching techniques. The expansion plan of the college includes the proposed program in special education.

To overcome the paucity of quality Urdu material and learning resources, the College has started developing “e-resources”, created a E- Resources Space in website of MANUU and uploaded the developed E-resources for the benefit of the students and other stakeholders.

There is a strong College – Community connect which sets all the outreach activities aiming at community development and orientation. The college has conducted rally and drama on violation of women’s Rights, anti-drug awareness and health and sensitization programmes etc.

College of Teacher Education, Bidar, Karnataka

Established in 2015, MANUU CTE Bidar (Karnataka) offers B.Ed. programme in Urdu medium. Its objective is to fulfil the requirements of the Urdu Medium Secondary School Teachers in Karnataka State. The College is a perfect example of a balanced mix of issues of professionalism and values, society and individual, discipline and liberty etc. College provides equal opportunity to the students of economically weaker sections and underprivileged sections of society. Most of the students enrolled come from the states of U.P. , Bihar and Karnataka. College follows principle of Gender Equality in faculty as well as student groups. Most of the students have availed student fellowships on merit/merit-cum-means basis. The interdisciplinary teaching with special emphasis on online/offline and blended mode of teaching-learning process and the fair and transparent examination and evaluation procedures have benefited the students.

College of Teacher Education, Darbhanga, Bihar

The College of Teacher Education, a constituent college of Maulana Azad National Urdu University (MANUU) Darbhanga, Bihar, has established itself as a prestigious institution for teacher education in Bihar, specifically addressing the growing need for Urdu medium teachers in secondary and higher secondary education. Additionally, the college benefits from its affiliation with the attached Urdu Medium CBSE Higher Secondary, Kamran MANUU Model School, which serves as a practical learning laboratory. Since its inception in 2007, the college has exhibited remarkable growth and development. Notably, it has achieved considerable success in terms of placing its students in government schools and colleges, Department of Education, Teacher Education institutions and other government and private jobs within the state and beyond. The performance of students in qualifying Teacher Eligibility Tests (TET) conducted by the state and Central Teacher Eligibility Test (CTET) has been commendable, with a significant number of students qualifying from each batch. Furthermore, the college has witnessed a remarkable number of students successfully qualifying for the National Eligibility Test (NET)/Junior Research Fellow (JRF) in Education. In the 2022-23 session, nearly half of the total enrolled students achieved NET/JRF qualifications. This positive trend is expected to continue as both the faculty and students collaborate and work diligently together.

The establishment of the college in rural area presents a unique set of weaknesses, opportunities, and challenges. One of the primary weaknesses is, the remote location of the college that pose challenges in attracting eminent faculty members and students preferring the amenities and opportunities offered by urban areas. Despite several weaknesses, there are significant opportunities for the colleges. It has the potential to provide access to higher education for students who may not have had such opportunities, and

closer to their homes, offer convenience and reduce the financial burden associated with relocating to urban areas.

The College of Teacher Education has shown great commitment for the implementation of the NEP 2020. Several notable efforts have been made in this regard. The college has initiated the Choice-Based Credit System (CBCS), providing students with a flexible curriculum and multiple learning pathways. Furthermore, the college is in the phase of transition from being a stand-alone institution to a multidisciplinary institution, offering diverse academic programs and fostering interdisciplinary learning. To cater to the needs of both regular and distance learners, the college allows students to pursue two courses simultaneously. The college has also been successful in inviting eminent personalities to present lectures, enriching the learning experience of the students. Moreover, community participation and collaborative work have been initiated, creating a conducive environment for holistic development. The college is actively upgrading its Information and Communication Technology (ICT) infrastructure in alignment with the vision of the NEP 2020. Efforts are being made to start four-year integrated programs such as B.A. B.Ed., B.Sc. B.Ed. etc. The college is also engaged in research and projects, such as the ongoing UNFPA funded project on Adolescence Education Programme in Madrasas of Bihar. The faculty members of the college actively participate in various faculty development programs, seminars, conferences, and other academic activities to enhance their teaching skills and knowledge. Lastly, student feedback systems are being developed to ensure continuous improvement and meet the objectives outlined in the NEP. These collective efforts reflect the college's commitment to provide quality education to its students.

MANUU Model School, Darbhanga

The Model school is attached to the College of Teacher Education Darbhanga. Apart from our regular teaching load our teachers also mentor the students of CTE who complete their internship programs at the Model school. As one can see from the results of AISSE and AISSCE, the students from the school are highly motivated, which is also reflected in their progression to Higher Education like D.El.Ed. Polytechnic, B.Tech. etc. Students are showing excellence not only in Academics but also in Co-curricular activities as reflected in terms of participation and many a times securing 1st position at District Level.

MANUU Model School, Nuh, Haryana

MANUU Model School, Nuh is a Urdu medium Senior Secondary co-Educational School, established in 2009, affiliated to CBSE and run by Maulana Azad National Urdu University. The school has a total of 26 teaching and 08 Non-Teaching staff. The total student strength of the school is 581 of which 335 are boys and 246 are girls.

The School has a well qualified and well experienced teachers who are adequately trained and exposed for handling children coming from weak socio-economic and educational background. Located in a newly constructed building, with high quality infrastructure and a spacious playground with safe drinking water and sanitation. Students graduating from the school have got admitted to prestigious institution like Jamia Milia Islamia. Several extracurricular activities are organised for ensuring students health and mental fitness. The trust and confidence of the parents in the School keeps the teachers motivated. The ethical, moral and open environment of the school, the relationship with neighbouring school and the society, the open and transparent communication channel for families and parents reflects the quality of education and learning in the school. The School also facilitates internships for students of MANUU CTE, Nuh. The well-equipped smart classrooms are spacious and properly ventilated. The library is stacked with 2558 books, journals and magazines and text books for primary, secondary and senior secondary sections. Despite several initiatives and efforts of the school the economic status of the students force them to do menial jobs like being hawkers, labourer, stitching, handicrafts, house chores by girl students etc. before and after school hours leaving them no time for focussing on education, which has negatively impacted their performance at the Board Examinations.

College of Teacher Education, Sambhal, Uttar Pradesh

The College of Teacher Education, a constituent college of Maulana Azad National Urdu University (MANUU) located in Sambhal, Uttar Pradesh, possesses several notable strengths. Firstly, it has established itself as a prestigious institution for teacher education in rural UP, specifically addressing the growing need for Urdu medium teachers in secondary and higher secondary schools of UP. Since its inception in 2014, the college has exhibited remarkable growth and development. Notably, it has achieved considerable success in terms of placing its students in government schools and colleges, Department of Education, Teacher Education institutions and other government and private jobs within the state and beyond. The performance of students in qualifying Teacher Eligibility Tests (TET) conducted by the state and Central Teacher Eligibility Test (CTET) has been commendable, with a significant number of students qualifying from each batch.

The college has been successfully providing access to Professional Higher Education for rural students who may not have had such opportunities otherwise. MANUU CTE, Sambhal being closer to their homes, offers convenience and reduces the financial burden associated with relocating to urban areas, thereby benefiting female students and their possible progression to higher education.

The college has strong community connect and is striving to explore collaborations and partnerships with other educational institutions, and governmental organizations, especially in embracing technology and online platforms, access to educational materials and expert lectures, compensating for the limited

availability of certain resources in remote areas. The College of Teacher Education is committed to the implementation of the NEP 2020. Several notable efforts have been made in this regard.

3	Department of Hindi	B.A.	M.A. (Hindi)	Ph.D. (Hindi)	PG Diploma in Functional Hindi & Translation	-----
4	Department of Persian	B.A.	M.A. (Persian)	Ph.D. (Persian)	Diploma in Persian	Certificate of Proficiency in Persian, Certificate of Proficiency in Pahto
5	Department of Translation Studies	B.A.	M.A. (Translation Studies)	Ph.D. (Translation Studies)	-----	-----

S.No.	Department	Programmes				
		*UG	PG	PhD	Diploma	Certificate Courses
6	Department of Urdu	B.A.	M.A. (Urdu)	PhD (Urdu)	Post Graduate Diploma in Functional Urdu, Diploma in Tahseen-e-Ghazal	Certificate Course in Urdu

Note:* The B.A. Programme is a single multidisciplinary programme offered across departments.

Department of Arabic

Arabic is the main language of the Semitic family of languages and one of the six official languages of the United Nations. The Department of Arabic was established in 2006 to meet the ever-growing demand of scholars, who are well versed in Arabic language as well as equipped with skills needed to fulfil the requirements of the academic and business world. The Department imparts knowledge of Classical and Modern Arabic language and literature. It lays emphasis on human values and has made them an integral part of the curriculum. The focus is also on training the students and to enhance their skills in translation and interpretation with an objective of placements in reputed national and international institutions and MNCs. A good number of former students are working in multinational companies like Amazon, Facebook, and Google etc. The Department offers M.A. and Ph.D. programmes and three part-time programmes i.e., Certificate of Proficiency in Arabic, Diploma in Arabic and Advanced Diploma in Professional Arabic. The Department also offers Arabic language courses for UG programmes viz., B.A., B.Com, and B.Sc. Thrust areas of research are Translation, and Modern Arabic Literature. The Department promotes Arabic Language teaching as a tool for promoting International relations and in preparing students for various professions like Translation, skilled interpreter in health sector (in view of the developing health tourism sector in India particularly in the city of Hyderabad) Tourism Industry etc.

Department of English

The Department of English provides students and scholars with a comprehensive understanding of contemporary trends in English language and literature. The department offers a range of academic programs, including M.A., PGCTE, PGDTE and Ph.D., along with a diverse selection of core courses, discipline-specific courses, ability enhancement courses, and generic courses aligned with the Choice Based Credit System (CBCS). These courses are available for both undergraduate and postgraduate programs across the university. In collaboration with the Training and Placement Cell, the Department also offers a course titled "Communication Skills in English." This course is designed to equip undergraduate and postgraduate students with strong communication abilities, enabling them not only for employability but also to fulfil their societal responsibilities effectively. Department focuses on promoting bilingual research in English and Urdu, as well as encouraging innovative and interdisciplinary research. The thrust areas of research, include the History of the English Language, English Language Teaching, English Phonetics, English for Specific Purposes (ESP), British Literature, American Literature, Commonwealth Literature, English-Urdu Literature, English-Urdu Translation Studies, Muslim literature, Indian writing in English, Dalit Studies and Literary Theory and Criticism. Through these, the Department strives to create an intellectually stimulating environment that encourages research, critical thinking, and a deep appreciation for the English language and its literature.

The Department is actively engaged in implementing the NEP 2020 and has made notable advancements in adhering to its guidelines. The Department is committed to aligning its initiatives with the vision of the NEP 2020, which involves providing excellent education, promoting comprehensive development, and equipping students with the necessary skills and knowledge to tackle future obstacles. The template for NEP2020 implementation has been finalized, and our current focus is on creating the syllabi for the first and second semesters.

Working towards enhancing the curriculum and instruction, the Department has designed a dynamic and comprehensive curriculum that aligns with current industry trends and nurtures critical thinking and communication skills. Further the revised curriculum document reflecting updated courses and learning outcomes, introduction of two new courses reflecting emerging trends, increased utilization of technology in instructional practices, and increased faculty participation in workshops and training programs related

to instructional strategies has not only enhanced student learning but also strengthened research and scholarship within the Department.

The Department provides a supportive learning environment that meets the diverse needs of students and assist them in achieving their academic goals by academic advising and mentoring programs to aid students in course selection and career planning, providing writing workshops and tutoring services to enhance writing and language skills, organizing guest lectures, seminars, and literary events to expose students to diverse perspectives and authors, and establishing a peer mentoring program to facilitate knowledge sharing and collaboration among students. The efforts have yielded positive impact with increased student satisfaction. The department actively engage with the community and promote the value of the English Language and Literature beyond the classroom. Through partnerships with local schools/colleges/universities, libraries, and community organizations the department promote literacy and language learning, organizes community outreach programs such as language workshops and storytelling sessions, developing collaborations with local industries for internship opportunities for English students, and develop an aptitude for community service among the students.

Department of Hindi

Department of Hindi was established in the year 2007 with the aim of Promotion of Hindi in the South India. From its inception department started M.A., M.Phil. and Ph.D. Programs. In the year 2012 Department introduced a new course PGDFHT for the purpose of orienting students in the field of Functional Hindi. Department also offers Hindi as a Core subject for the UG programs of various departments. In addition to Core Courses, Department of Hindi offers Generic and Discipline Specific papers under CBCS to PG and UG course students. After observing the changing scenario in the employment markets, the department has introduced employability courses like Functional Hindi, Linguistics and Media in M.A Hindi curriculum. In line with the new trends in Hindi Literature, the Department identified Thrust areas like Dalit discourse, Feminist discourse, Adivasi discourse, Muslim discourse, Comparative Literature, Folk Literature, Cinema, Media, and Dakhini. Department is organizing Special Lectures, National and International Conferences and Workshops, from time to time. Department has its own Cultural Forum through which various Cultural and Literary activities like Screening Literary Movies, Literary Quiz, Poetry recitation and students Wall Magazine and other creative literary activities are organised. In preparation for implementing NEP 2020 the Department is preparing the syllabus for offering multidisciplinary UG programs with Dual major.

Department of Translation Studies

The Department of Translation was established in 2006. It offers M.A. and Ph.D. programmes in Translation Studies. The Department lays emphasis on the practical involvement of the student's in translation projects. The Department offers courses which deal with history of translation, theories and principles of translation, terminology, machine translation and computer assisted translation, applied linguistics, and practical translation of various subjects. The department's vision is to achieve excellence in providing distinguished academic, educational services in the field of translation, at the diploma, undergraduate, and postgraduate levels, in the fields of teaching, academic research, and community service.

To develop 21st century skills among the young generation and to fill the proficiency gap in the field of Translation and Interpretation the curriculum includes the skills components such as Communication, Writing, Coining of Terminology, localization, Sub Titling; Translation Technology, management Skills etc.

Further recognising that the translating of narratives from the global South is an invaluable source of knowledge about unfamiliar languages and cultural experiences and is immensely useful for gaining an understanding of different societies for development and education purposes in particular, the department ensures that the students of Translation Department receive a multidimensional education and training in terms of being respectful individuals in the community and participants in the profession, having the spirit of sharing and original and aesthetic values. The department Thrust areas for Research include History of Translation, Theories of Translation, Literary Translation, Translation and Religion, Translation Tchnology and Machine Translation, Terminology and its Management, Journalistic and Media Translation, Legal and Official Translation and Dubbing and Sub Titling.

To create and maintain a motivational career horizon for the scholars and students of Translation studies the department has established a strong industry relationship with corporate sector especially language processing industry and signed MoUs. As a part of learning and earning, students of Translation Studies are employed as freelance translators in various fields of specialization, as institutional translators (law, public administration, literature, medicine, engineering, etc.) or proofreaders etc., while pursuing the program. On graduation students are employed as multi-layered language specialists who are increasingly in demand, terminology specialists, subtitle specialists, localization experts and information and communication technology specialists, project managers, redactors, translation editors, translator educators, cultural experts, translation agency operators, academicians and teachers.

Department of Urdu

The Department of Urdu was established in 2004. It is the first Department of Study of the University which started offering regular programmes. Its objective is the protection and promotion of the Urdu language and literature in all fields of knowledge. The Department aims to spread awareness about the legacy of Urdu literature, advance Urdu aesthetics, and further Urdu culture as cosmopolitan culture in values. The Department offers M.A. and Ph.D. programmes in Urdu, and Urdu as core and discipline specific subjects in UG programmes. In addition, the department also offers Urdu *Shinasi* and Urdu Certificate Courses.

Table 8.16: Faculty Details of the Department of Urdu

S.No.	Name	Designation	Gender	Category	Highest Qualifications
1.	Prof. Shamsul Hoda	Professor & Head	Male	UR	Ph.D.
2.	Prof. Abul Kalam	Professor	Male	UR	Ph.D.
3.	Prof. Mosarrat Jahan	Professor	Female	UR	Ph.D.

School of Mass Communication and Journalism

The School of Mass Communication and Journalism (SMCJ) has one Department namely, the Department of Mass Communication and Journalism which was established in 2004. The Objective of the School is to train Quality Professionals in the field of Mass Communication and Journalism based on Maulana Abul Kalam Azad's legacy for ethos and richly laced journalistic expression. The program provides professional training in the ever-expanding field of Media in Urdu medium. The main aim of the Program is to produce professionals who are well trained and well equipped to cope up with emerging challenges in the field of Print and Electronic Media. *Prof. Mohammad Fariyad is the Dean of the School of Mass Communication and Journalism.*

Table 9: Programmes offered under School of Mass Communication and Journalism

S.No.	Department	Programmes		
		UG	PG	PhD
1	Department of Mass Communication and Journalism	B.A. (Journalism and Mass Communication)	M.A. (Journalism and Mass Communication)	Ph.D. (Journalism and Mass Communication)

Department of Mass Communication and Journalism

The Department of Mass Communication and Journalism was established in 2004. It offers BCJ (Honours), M.A. and Ph.D. programmes. The Department trains its students in electronic and print media, advertising, public relations, documentary film-making and web journalism. One of its primary objectives is to bring professional expertise to Urdu media. The Department envisages grooming students into ethical professional Urdu journalists who can meet any challenge posed by ever-expanding field of media and its ever-shifting commitments.

Mr.Mohd Tahir Qureshi	Faculty Induction Program	12-09-2022 to 11-10-2022 (Online), UGC- HRDC, MANUU, Hyderabad
Mr.Meraj Ahmad	‘Workshop on NEP: 2020-Changing role of Teachers’	05-09-2022 to 09-09-2022 (Online), UGC- HRDC, MANUU, Hyderabad
Mr.Meraj Ahmad	Faculty Induction Program	12-09-2022 to 11-10-2022 (Online), UGC- HRDC, MANUU, Hyderabad

Karwaan-e-Urdu Sahafat (Celebrating 200 years of Urdu Journalism-1822-2022)

Training workshop on “Countering Disinformation for Urdu Journalists”

School of Sciences

School of Sciences (SS) was established in 2006. It has the Department of Mathematics, Botany Chemistry, Physics and Zoology offering UG, PG, Ph.D., and B.Voc. Programs. Prof. Salman Ahmad Khan is the Dean of School of Sciences.

Table 10: Programmes offered under School of Sciences

S.No.	Department	Programmes		
		*UG	PG	PhD
1.	Mathematics	B.Sc. (Physical Science - MPC)	M. Sc. (Mathematics)	Ph.D. (Mathematics)
2.	Zoology	B.Sc. (Life Science-ZBC) B. Voc. (MLT) and B. Voc. (MIT)		Ph.D. (Zoology)
3.	Physics	B.Sc. (Physical Science - MPC)		Ph.D. (Physics)
4.	Chemistry	B.Sc. (Physical Science - MPC)		Ph.D. (Chemistry)
5.	Botany	B.Sc. (Life Science-ZBC)		Ph.D. (Botany)

Note: * B.Sc. (Physical Science -MPC) and B.Sc. (Life Science-ZBC) are two multidisciplinary Programmes offered by the departments collectively

Department of Mathematics

The Department of Mathematics was established in 2011. It offers M.Sc. and Ph.D. programmes in Mathematics, besides providing courses in B.Sc. (Physical Science -MPC) programme. Making use of the diverse research interest of the faculty, the Department encourages and promotes research in the areas such as Wavelet and its application, Algebra, Analysis, Fluid Mechanics, Celestial Mechanics and Dynamical Astronomy. The Department explores areas of application of mathematics, and mathematical research in various branches of science, engineering and industry.

Table 10.1: Faculty Details of the Department of Mathematics

S.No.	Name	Designation	Gender	Category	Highest Qualifications
1.	Prof. Najmul Hasan	Professor	Male	UR	Ph.D.
2.	Dr. Khaja Moinuddin	Associate Professor & Head	Male	UR	Ph.D.
3.	Dr. Afroz	Associate Professor	Male	OBC	Ph.D.
4.	Dr. Subhash Alha	Assistant Professor	Male	SC	Ph.D.
5.	Dr. Majid Ali Choudhary	Assistant Professor	Male	UR	Ph.D.
6.	Dr. Syed Waseem Raja	Assistant Professor (Contractual)	Male	UR	Ph.D.

Table 10.2: Participation of the Teachers in Conferences, Seminars, Workshops

Name of the Participant	Name of the Conference/ Seminar/ Workshop Attended	Date & Venue
Dr. Syed Waseem Raja	International Science Conference 2023	27-02-2023 to 28-02-2023 School of Sciences, MANUU, Hyderabad
Dr. Khaja Moinuddin	International Science Conference 2023	27-02-2023 to 28-02-2023 School of Sciences, MANUU, Hyderabad
Dr. Afroz	International Science Conference 2023	27-02-2023 to 28-02-2023 School of Sciences, MANUU, Hyd
Dr. Subhash Alha	International Conference on Special Functions & Applications (ICSFA - 2022)	26-11- 2022 to 28-11- 2022 Department of Studies in Mathematics, University of Mysore, Mysuru
Dr. Subhash Alha	International Conference on Real World Domains and Interfaces in Mathematics: Challenges Tools & Strategies (ICRWDIM - 2022)	17-12-2022 to 18-12-2022 Department of Mathematics, University of Rajasthan, Jaipur
Prof. Syed Najamul Hasan	Faculty Development Program (FDP)	05-05-2022 RBVRR Women's College, Hyderabad, India
Prof. Syed Najamul Hasan	Astro Sprint: The Next Generation	03-06-2022 to 05-06-2022 Maulana Azad National Urdu University
Prof. Syed Najamul Hasan	International Astronomical Union General Assembly	02-08-2022 to 11-08-2022 Busan, S Korea
Prof. Syed Najamul Hasan	Workshop on Photometry of Stellar Clusters and HR Diagrams	22-12-2022 to 24-12-2022 Sharjah Academy for Astronomy, Space Sciences, and Technology (SAASST) , University of Sharjah (UOS) and the Sharjah Optical Observatory (SOO)

<i>Name of the Participant</i>	<i>Name of the Conference/ Seminar/ Workshop Attended</i>	<i>Date & Venue</i>
Prof. Syed Najamul Hasan	International Workshop on Celestial Mechanics and Dynamical Astronomy (IWCMDA-2023)	06-01-2023 to 08-01-2023 Department of Mathematics, Central University of Rajasthan
Prof. Syed Najamul Hasan	A Two-Day Workshop on Zero-Shadow Day – Introduction to Astronomy and Cosmic Phenomena	11-01-2023 to 12-01-2023 NIT, Warangal
Prof. Syed Najamul Hasan	10 Day Workshop on Research Methodology in Social Sciences – Using SPSS and Excel	18-01-2023 to 30-01-2023 School of Social Science, MANUU
Prof. Syed Najamul Hasan	International Astronomical Union, 6th Middle-East and African Regional IAU Meeting (MEARIM IV)	13-02-2023 to 16-02-2023 National Research of Geophysics and Astronomy, Cairo, Egypt
Prof. Syed Najamul Hasan	International Science Conference 2023	27-02-2023 to 28-02-2023 School of Sciences, MANUU,
Prof. Syed Najamul Hasan	State Level Interdisciplinary Workshop on Mathematics and Astrophysics	17-03-2023 to 18-03-2023 KBN University, Gulbarga
Prof. Syed Najaul Hasan	Workshop on Python Programming in Astronomy, Astrophysics & Cosmology	07-04-2023 to 08-04-2023 G H Raisoni College of Engineering, Nagpur

Table 10.3: Participation in Training Programmes/Refresher Courses/Orientation Programmes/Others

<i>Name of the Faculty</i>	<i>Name of the Programme</i>	<i>Date & Venue</i>
Dr. Subhash Alha	Refresher Course in Mathematical Science (Mathematics, Statistics)	7-03-2023 to 20-03-2023 UGC - HRDC, University of Calicut
Dr. Majid Ali Choudhary	Refresher Course in Applicable Mathematics	26-07-2022 to 08-08-2022 Ramanujan College, University of Delhi
Dr. Majid Ali Choudhary	Two Week Online International Faculty Development Programme on "Current Trends in Applications of Mathematics"	21-09-2022 to 04-10-2022 Department of Mathematics, School of Sciences and Humanities, Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology, Avadi, Chennai

Department at a Glance

- 30-31, March, 2022 Department of Mathematics organised International Symposium on Differential Geometry and its Applications (ISDGA-2022) in online mode.
- 3-6, June 2022, The Department of Physics and the Department of Mathematics, Maulana Azad National Urdu University are organising a three day Workshop entitled: “Astro Sprint: The Next Generation” funded by the International Astronomical Union: Office of Astronomy for Development. Talks and hands-on sessions were held by resource persons from MANUU, Massachusetts Institute of Technology, California, Institute of Technology, Neils-Bohr Institute,

Denmark, Shawnee State University, USA, National Centre of Radio Astrophysics, Pune and IUCAA, The workshops were designed to mentor undergraduate and post graduate students and early researchers in projects based on astronomy archival data.

- 12 May 2023, Department of Mathematics celebrated the “International Women in Mathematics” Day by organising lectures and presentations on contribution of women in Mathematics and works of Fields Medalist Mariam Mirzakhani.

Department of Botany

The Department of Botany was established in the year 2014 and the first batch of Under Graduate students enrolled. The Department has well established and equipped Labs. The Department regularly organizes Workshop, Extension Lectures, and Seminars with participation of faculty as well as students from the University. The faculty has rich teaching and Research experience in the areas of Biodiversity, Environmental Science, Phytopathology and Plant physiology. The Department is offering Environmental Studies as an Ability Enhancement Compulsory Course to the Under Graduate students of the University. The Department of Botany in collaboration with O/o Dean, International Students held Invited Talks/Lectures on current fields of Botany by inviting Resource Persons from India and abroad. The Department has received financial support from UGC, ICSSR for Research Projects. The Department has academic autonomy and has been revising its syllabus as per latest developments and has implemented CBCS system since 2014 as per UGC Guidelines.

Table 10.4: Faculty Details of the Department of Botany

S.No.	Name	Designation	Gender	Category	Highest Qualifications
1.	Prof. S. Maqbool Ahmed	Professor	Male	UR	Ph.D.
2.	Dr. Ira Khan	Assistant Professor	Female	UR	Ph.D.
3.	Dr. Merajul Islam Robab	Assistant Professor	Male	UR	Ph.D.
4.	Dr. Mohammad Faizan	Assistant Professor (Contractual)	Male	UR	Ph.D.

Table 10.5.: Participation of the Teachers in Conferences, Seminars, Workshops

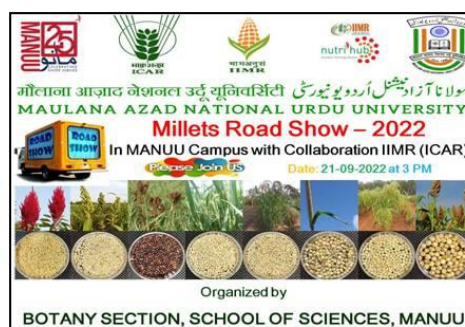

Name of the Participant	Name of the Conference/ Seminar/ Workshop Attended	Date & Venue
Dr. S. Maqbool Ahmed	International Science Conference (ISC2023)	27-02-2023 to 28-02-2023 School of Sciences, MANUU
Dr. Ira Khan	International Science Conference (ISC2023)	27-02-2023 to 28-02-2023 School of Sciences, MANUU
Dr. Merajul Islam Robab	International Science Conference (ISC2023)	27-02-2023 to 28-02-2023 School of Sciences, MANUU
Dr. Mohammad Faizan	International Science Conference (ISC2023)	27-02-2023 to 28-02-2023 School of Sciences, MANUU
Dr. Mohammad Faizan	International Day of Immunology (DoI-2023)	27-04-2023 School of Sciences, MANUU

Table 10.6: Participation in Refresher Courses/Orientation Programmes

Name of the Faculty	Name of the Programme	Date & Venue
Merajul Islam Robab	Refresher Course	Online, 22-8-2022 to 05-09-2022 Guru Ghasidas Vishwavidyalaya, Bilaspur, India
	Refresher Course	Online, 16-8-2023 to 29-8-2023 UGC Human Resource Development Centre, Aligarh Muslim University, India

Extension lectures /Conferences/Workshops organized by the Department

- Organised “Workshop cum Training on Herbarium Techniques” on 05-12-2022.
- Celebrating the Year of Millets organised “Millets Road Show” on 21-09-2022.
- The Department organised a Hands on Training Programme on Compost making from Dry Leaves at the University Nursery on 30-5-2023.

Department of Chemistry

Department of Chemistry was established with initiation of undergraduate programs in sciences by the University under newly established School of Sciences in the year 2014. Ever since it was established the Department has carried out the tradition of excellence in maintaining high-quality teaching and in pursuing vigorous research programs. It offers Chemistry as a subject for B.Sc. (Physical Science-MPC) programme. Since 2014, the undergraduate curriculum has been reformed in order to place students at the forefront of inquiry into chemistry while maintaining a high standard of teaching. Key content of core chemistry courses on General, Organic, Inorganic, Analytical, and Physical Chemistry are designed. Our faculty members’ research interests cover a broad range of topics, which include Analytical chemistry Organic chemistry, Organometallic chemistry, Photochemistry, Medicinal chemistry, Physical organic chemistry, light emitting materials and coordination chemistry etc. In the quest of academic excellence,

the Chemistry Section is dedicated to providing the best quality and up-to-date education for our students. The faculty currently supervises 11 Ph.D. Research Scholars. The lab facilities have been upgraded on a large scale in recent years. The department encourages students to attend the Conferences/Seminars/Webinars, submit research proposals, present and publish research papers and articles etc.

Table 10.7: Faculty Details of the Department of Chemistry

S.No.	Name	Designation	Gender	Category	Highest Qualifications
1.	Prof. Salman Ahmad Khan	Professor & Dean, School of Sciences	Male	UR	Ph.D.
2.	Dr. Syed Salahuddin	Associate Professor	Male	UR	Ph.D.
3.	Dr. Qasimullah	Assistant Professor	Male	OBC	Ph.D.
4.	Dr. Alimuddin	Assistant Professor	Male	UR	Ph.D.

Workshops/Seminars/Invited Lectures Organized by the Department

- One day workshop Cum Training on “Chromatographic Techniques” was organised on 31st May 2023. Dr. Katragadda Suresh Babu, Senior Scientist, CSIR-IICT, Hyderabad spoke on the occasion.
- A Run for Environment “Let's Make MANUU : The Plastic Free Campus” was organised on 2nd June 2023
- On 12th June 2023, “World Environment Day” was Celebrated with a Plantation Drive on the Campus
- Invited Lecture on Chemical Industry, Problem and Solutions by Prof.Mohammad Rafiq H. Siddiqui, Department of Chemistry, University of Liverpool, UK

Department of Physics

The Department of Physics was established with initiation of undergraduate programs in sciences by the University under newly established School of Sciences in the year 2014. Ever since it was established the Department has carried out the tradition of excellence in maintaining high-quality teaching and in pursuing vigorous research programs. The Department of Physics is offering Physics as a subject for B.Sc. (Physical Sciences- MPC) programs. Since 2014, the undergraduate curriculum has been reformed in order to place students at the forefront of inquiry into Physics while maintaining a high standard of teaching. Key content of core Physics courses on General Physics, Discipline Selective Courses and Skill Enhancement Courses are designed. The faculty members' research interests cover the range from theoretical physics to Nanotechnology, Space Physics, Astrophysics, Solid State Physics, Bio-Physics (Collaborative) etc. In the quest of academic excellence, the Physics Section is dedicated in providing the best quality and updated education for our students.

The faculty member currently supervises 04 Ph.D. candidates. At present, the teaching faculty members are utilizing and focusing on multimedia teaching through computers and online-platforms. The Physics department is committed to prepare competitive and professional graduates within an innovative and intellectually stimulating environment, support other academic programs at MANUU by offering quality teaching and learning experiences, conduct basic and applied research of National and International impact, build proactive partnerships with industry and offer effective training and educational services to the society.

Dr Priya Hasan	Two Days Workshop on Python Programming in Astronomy, Astrophysics & Cosmology	7-04-2023 to 8-04-2023 G .H. Raisonni College of Engineering, Nagpur, India
Dr Priya Hasan	AstroEdu Conference, University of	10-05-2023 to 12-05-2023 Toronto, Toronto, Canada
Dr Priya Hasan	Stellar variability, stellar multiplicity: periodicity in time & motion	06-06-2023 to 08-06-2023 Sofia, Bulgaria
Dr Priya Hasan	Tamil Nadu State Level Astro Science Symposium,	30-06-2023 Bishop Heber College , Tiruchirappalli, Tamil Nadu

Events/Seminars organized by Department of Physics

- 3-6 June 2022. The Department of Physics and the Department of Mathematics, Maulana Azad National Urdu University organised a three day Workshop entitled “Astro Sprint: The Next Generation” on Hybrid Mode. Funded by the International Astronomical Union: Office of Astronomy for Development, the workshop was held by eminent academicians and Researchers from MANUU, Massachusetts Institute of Technology, California Institute of Technology, Neils-Bohr Institute, Denmark, Shawnee State University, USA, National Centre of Radio Astrophysics, Pune and IUCAA, using Projects based on Astronomy archival data.
- 8-9 May 2023. A Two Day workshop on “Zero Shadow Day” was organised by the Department of Physics under the banner of G-20 celebrations.

Department of Zoology

Department of Zoology was established with initiation of under graduate programs in sciences by the University under newly established School of Sciences in the year 2014. Presently the department offers Zoology as a subject for B.Sc. (Life Sciences) programs and Skill Enhancement Courses under CBCS pattern of the UGC. The course structure and the syllabus have been designed to implement the NEP-2020 from the academic year 2023-24. Further, the course structure and syllabus are prepared to initiate post-graduate program, M.Sc. Zoology from the academic year 2023-24. The department also offers Ph.D. programme in Zoology and presently twelve research Scholars are doing Ph.D. under the supervision of faculty members of the department. . One Research Scholar has been awarded Ph.D. degree in Zoology in Dec. 2022, and two scholars submitted thesis in Dec. 2022 and March 2023.

The department has well equipped, ICT enabled laboratories with instrumentation, specimens etc to impart practical skills to the students in the areas of Animal Diversity, Physiology, Cell and Molecular biology, Immunology, bio-technology.

The department has well trained faculty with international exposure in research in the areas of bio-diversity, toxicology, cancer biology, molecular biology, immunology and molecular genetics. The Research Laboratory has a central instrumentation facility suitable to conduct research in the field of classical Zoology and modern Biology.

The department encourages students to attend Conferences/Seminars/Webinars, submit research proposals and publish papers. For improving student's awareness to various issues and social responsibilities several activities are organised.

Table 10.12: Faculty Details of the Department of Zoology

S.NO.	Name	Designation	Gender	Category	Highest Qualifications
1.	Prof. Parveen Jahan	Professor	Female	UR-PWD	Ph.D.
2.	Dr. Masroor Fatima	Assistant Professor	Female	UR	Ph.D.
3.	Dr. Arif Ahmad	Assistant Professor	Male	UR	Ph.D.
4.	Dr. Syed Sayeeduddin	Assistant Professor (Contractual)	Male	UR	Ph.D.

Table 10.13: Participation of the Teachers/Scholars/Students in Conferences, Seminars, Workshops

Name Of The Participant	Name of the Conference/ Seminar/ Workshop Attended	Date & Venue
Prof. Parveen Jahan	4 th international conference on genome Biology (ICGB-4) & 54 th Annual Aqua Terra Day	28-02-2023 to 01-03-2023 Madurai Kamraj University, Tamil Nadu
Prof. Parveen Jahan	50 th Annual Scientific Meeting for ASI 2022	29-11-2022 to 02-12-2022 Melbourne, Australia
Prof. Parveen Jahan	7 th Annual International Conference Board of Genetic Counselling India (BGCI) 2022	01-07-2022 to 03-07-2023 JSS Academy of Higher Education and Research, Mysore, Karnataka
Prof. Prof. Parveen Jahan	International Science Conference (ISC-2023)	27-02-2023 to 28-02-2023 School of Sciences, MANUU, Hyderabad
Dr. Masroor Fatima	International Science Conference (ISC-2023)	27-02-2023 to 28-02-2023 School of Sciences, MANUU, Hyderabad

Extension Lectures /Conferences/Workshops Organized by the Department

- Under the ICMR funded project on Recurrent Pregnancy Loss an “International infant and Pregnancy Awareness Day” was organised on 18th Oct. 2022. Talking on the scientific approach to pregnancy, mother and child care, emphasis was on the recurrent pregnancy loss, which is a serious cause of infertility. Students participated in the question answer session.
- Two Days Hands on Workshop on “*Tools and Techniques of Molecular Biology and Bioinformatics-II* “ was conducted in collaboration with RUHA life Sciences, Hyderabad for Research Scholars and Faculty from various institutions including MANUU on 18 and 19 January 2023. Hands on training was given on Cell DNA and Protein based techniques such as cell isolation, DNA isolation, Gene amplification-PCR, Electrophoresis, ELISA etc..
- A Seminar on “Vaccines as Bio-therapeutics” was organised on 9th May 2023. Research Scholars and students made presentations and participated in the Quiz competition.
- Celebration of “*International Day of Immunology 2023*” sponsored by Indian Immunology Society, AIIMS, New Delhi, was organized in Blended mode on 27th April 2023 wherein discussions and lectures were organised and an Inter college quiz competition and poster presentation were also organised on the occasion.

School of Technology

School of Technology was formerly known as School of Computer Science and Information Technology (SCSIT). It was established in 2014. It has a Department of Computer Science and Information Technology and the five Polytechnics of the University under the aegis of this school. Programs at all levels are focussed on Computer Science and allied subjects. Prof. Abdul Wahid is the Dean of the School of Technology. The School focusses on achieving the targets as specified in the University Vision and Mission and in alignment to the targets 4.3. *Equal Access to Affordable Technical, Vocational and Higher Education and*

4.4. Increase the Number of People With Relevant Skills for Financial Success of SDG Goal 4: Quality Education.

Table 11 :Programmes offered under School of Technology

S.No.	Department	Programmes			
		UG	PG	PhD	Diploma
1	Department of Computer Science and Information Technology	B.Tech. (Computer Science)	M.C.A. (Master of Computer Applications), M.Tech. (Computer Science)	Ph.D. (Computer Science)	-----
2	Polytechnic Hyderabad	-----	-----	-----	Diploma in Civil, Engineering Diploma in Computer Science & Engineering, Diploma in Electronics & Communication Engineering, Diploma in Information Technology
3	Polytechnic Cuttack	-----	-----	-----	Diploma in Civil Engineering, Diploma in Mechanical Engineering, Diploma in Electrical and Electronics Engineering, Diploma in Automobile Engineering
4	Polytechnic Kadapa	-----	-----	-----	Diploma in Civil Engineering, Diploma in Mechanical Engineering, Diploma in Electrical and Electronics Engineering, Diploma in Apparel Technology
5	Polytechnic Benguluru	-----	-----	-----	Diploma in Civil Engineering, Diploma in Computer Science & Engineering, Diploma in Electronics & Communication Engineering
6	Polytechnic Darbhanga	-----	-----	-----	Diploma in Civil Engineering, Diploma in Computer Science & Engineering, Diploma in Electronics & Communication Engineering

Department of Computer Science and Information Technology

Department of Computer Science and Information Technology (CSIT) was established in 2006 with one year Post Graduate Diploma in Information Technology (PGDIT). The objective of the department is to impart quality education and achieve the vision of excellence in the field of Computer Science and IT. With rapidly evolving technology and continuous need for innovation, department is committed to produce quality professionals in both the academia and IT industry.

The Department started Master of Computer Applications (MCA) in 2011 to develop core competency in computer applications and inculcate students with software development skills, as well as to take up challenges in the research. Department started B.Tech. (Computer Science) in 2013 to imbibe entrepreneurship skills in the youth and develop quality professionals to tackle the problem of real life issues. To ignite the minds with quality research, Department of CS&IT started Ph.D. program in

Computer Science with effect from 2013. Further to provide academic training and research expertise, the department started M.Tech. (Computer Science) w.e.f. 2015. The well-equipped laboratories with adequate technical support facilitate our students to undertake real time projects. All the UG and PG programs offered by the department are approved by All India Council for Technical Education (AICTE).

Established in vicinity of IT Hub in the city of Hyderabad and surrounded by various prominent industries requiring employable skilled manpower as per the local needs and the global standard the department has been making all in efforts to establish a strong Industry - Institute interface and support student project work and internships. The core competence of the department is its adequate learned faculty members who have secured several funded projects and extensively published in reputed Journals.

MANUU Polytechnic, Bengaluru

MANUU Polytechnic, Bengaluru was established in 2008. It offers Diploma programs in Civil Engineering, Computer Science and Engineering, and Electronics and Communication Engineering. . Offering diploma courses with Urdu as the medium of instruction caters to a target audience who have studied in Urdu medium schools. Further Urdu as a medium of instruction helps preserve and promote the culture and heritage, providing a sense of identity and belonging for students from Urdu-speaking backgrounds. By focusing on Urdu as the medium of instruction, the Polytechnic has established itself as a unique institution in the education market, differentiating itself from competitors and attracting students who are specifically looking for higher technical education through Urdu medium. It equips students with bilingual skills, preparing the students for multilingual work environments.

The Polytechnic actively engage with local Urdu-speaking communities, forming partnerships, and establishing connections to increase awareness, promote enrolment, and gain community support.

Academic material availability: Depending on the subject matter, finding comprehensive and up-to-date Urdu educational resources, textbooks, and study materials is a challenge. Efforts are being made for maximising the access by developing and/ or translating the required course materials to Urdu.

Drop-outs: Most students joining this Polytechnic come from a very poor educational, social and economic background and thus retention of students has been a challenge. Proper support systems in terms of financial support, scholarships, apprenticeship, communication skills, flexible schedules are some of the interventions made for reducing drop-outs and improved admissions.

Career Prospects: Though the students from the Polytechnic get placement, the average pay has been comparatively low due to the limitations in communication skills, having pursued the programme in Urdu medium. Several measures such as organising Job melas for Urdu speaking students, increased Industry-institute interactions, lectures by Industry experts, workshops and training programs on latest technology and management practices, student mentoring and career counselling are regular features of the Polytechnic to improve the employment prospects of students.

MANUU Polytechnic, Cuttack

The MANUU Polytechnic Institute was established at Cuttack in the year 2017. The Govt. of Odisha has initially allotted 5 acres of land free of cost and the Government of India has sanctioned 39.47 crores of rupees for infrastructure development, apart from undertaking recurring liabilities of the institute. The hon'ble Chief Minister of Odisha on the day of laying the Foundation stone of the Polytechnic and ITI institutions on 05.12.2018 has announced for allotment of another 5 acres of land for its expansion.

The centre offers 3-year program in Polytechnic with an annual intake of 60 students in each branch respectively. The students are imparted specialized training in Civil, Mechanical, Electrical and Electronics and Automobile Engineering. Nearly, 240 students are enrolled in the Diploma programs every year. Apart from promoting Urdu language, the University also imparts training in several vocational and technical courses under the skill development programmes.

Action/Strategic Plan

Future Education	<ul style="list-style-type: none"> a) Designing and periodically updating of Syllabi or Curriculum based on Industrial Applications and recent trends. b) Collaborate with the Industries for the desired portion of Lab experiments by way of Industrial visits and undertaking Minor Projects (up to 20% weightage)
Future Skills	<ul style="list-style-type: none"> a) Set-up various skills Labs for promoting activities in upcoming technologies.
Research and Development (R&D)	<ul style="list-style-type: none"> a) Encourage students to design some research oriented minor Projects based on the recent trends of engineering, apart from their regular Lab experiments b) Set-up Research Labs with required infrastructure for performing research-based activities.
Innovation	<ul style="list-style-type: none"> a) Organise technical events like Project exhibitions, inter college competitions, workshops, Training programs, expert talks etc. b) Promote opportunities to students to get an exposure to emerging technologies especially on Industrial applications.

Employment issues	<ul style="list-style-type: none"> a) Strengthen the Training and Placement cell with a trained Placement Officer and Career counselor. b) Provide appropriate platform for improving communication skills, Language proficiency and soft skills of the students.
Human capital development	<ul style="list-style-type: none"> a) Encourage Faculty to participate and organize various training programs workshops, FDPs, Conferences, etc. b) Arrange regular Medical camps for all the Students, Faculty and staff.

Mr. Md Sabir Hassan	International IEEE Conference on Recent Advances in Electrical, Electronics, and Digital Healthcare Technologies 2023 (REEDCON-2323).	01-05-2023 to 03-05-2023 JMI, New Delhi
Dr. Md Ehtesham	International IEEE Conference on Recent Advances in Electrical, Electronics, and Digital Healthcare Technologies 2023 (REEDCON-2323).	01-05-2023 to 03-05-2023 JMI, New Delhi
Dr. Abrar Ul Haq	International IEEE Conference on Recent Advances in Electrical, Electronics, and Digital Healthcare Technologies 2023 (REEDCON-2023).	01-05-2023 to 03-05-2023 JMI, New Delhi
Mr. Yusuf Parvez	4th International Conference on Computational & Experimental Methods in Mechanical Engineering (ICCEMME-2023)	9-02-2023 to 11-02-2023 Department of Mechanical Engineering, G. L. Bajaj Institute of Technology and Management, Greater Noida
Mr. Yusuf Parvez	International Conference on "Recent Advancement in Materials, Design, and Manufacturing (ICRAMDM-2022)	10-12-2022 Mechanical Engineering Section, University Polytechnic, Aligarh Muslim University, Aligarh

MANUU Polytechnic, Darbhanga

MANUU Polytechnic Darbhanga was established in 2008. It was established to provide technical and skill-based education in Urdu, which is one of the objectives of the University. Polytechnic, Darbhanga prepares its students to be socially responsible technocrats. It offers Diplomas in Civil Engineering, Electronics and Communication Engineering and Computer Science and Engineering.

To overcome the Challenges, the Polytechnic has taken several measures such as organising Job melas for Urdu speaking students, increased Industry-institute interactions, lectures by Industry experts, workshops and training programs on latest technology and management practices, student mentoring, providing Psychosocial and career counselling, and provide access to more text books, Manuals and reference materials in Urdu.

Table 11.9: Faculty Details of MANUU Polytechnic, Darbhanga

MANUU Polytechnic, Hyderabad

MANUU Polytechnic Hyderabad was established in 2008 to impart technical education in Urdu. The objective of the Polytechnic is to churn out technocrats of unparalleled quality and distinct skills who can help advance the nation in technology to immeasurable height. Polytechnic offers Diploma in Civil Engineering, Diploma in Computer Science and Engineering, Diploma in Electronics and Communication Engineering, and Diploma in Information Technology. All the courses offered in Polytechnic Hyderabad are approved by AICTE.

To improve the students' prospects to placement and /or progression to Higher Education the Polytechnic ensures and emphasises on the following:

Practical Skills: Polytechnic students receive hands-on training and acquire practical skills that are directly applicable to the industry they are preparing for. This gives them an advantage in terms of being job-ready and competent in technical tasks.

Industry Relevance: Polytechnic focuses on industry-specific knowledge and skills. Coming from socio-economically disadvantaged section of the society, the Diploma programs enable students to align their education with the needs of the job market, increasing their employability.

Problem-Solving Abilities: Students are trained to analyse complex issues and develop innovative solutions, which are highly valued by the recruiters.

Teamwork: The Polytechnic encourage collaborative work, fostering teamwork and interpersonal skills. Students learn to work effectively in groups, enhancing their ability to collaborate with colleagues in the workplace.

Balance of Theoretical Knowledge and Practical Skills: Emphasis on practical skills over theoretical knowledge leaves students lacking in broader theoretical foundations and their ability to adapt to rapidly changing technologies. To bridge the gap and ensure a balance of theory and practice the students are encouraged to take up several online courses and attend expert talks.

Perception and Bias: Polytechnic education being often perceived as inferior to traditional academic education, result in biases from parents, employers or society, lowering the motivation levels and hinder advancement of polytechnic students' abilities and career advancement. For improving the perception, awareness camps and special placement drives are organised, provision for lateral entry scheme to pursue higher education made available at the University and established a strong alumni connect to showcase the success stories.

Entrepreneurship: The Innovation cell at the Polytechnic provides students with the required skills and knowledge to start their own businesses or pursue entrepreneurial ventures in areas related to their field of study.

Continuing Professional Development: Opportunities for continuous professional development through workshops, industry certifications, and lifelong learning programs are organised both for the current students and the Alumni. This allows them to stay updated with advancements in their field.

Research Opportunities: The advanced laboratories, good library facilities and highly qualified staff provide ample research opportunities. The students and faculty of the Polytechnic has extensively published and patented their products.

MANUU Polytechnic, Kadapa

Established in 2018, MANUU Polytechnic Kadapa is offering Diploma programs in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering, and Apparel Technology, with Urdu as the medium of instruction. The objective of the Polytechnic is to churn out technocrats of unparalleled quality and distinct skills that can help advance the nation in technology to immeasurable height. Keeping in view the latest industry trends and market requirements the polytechnic adopted the AICTE Model Curriculum-2019 with the aim to achieve the following outcomes:

- To make students job ready faster.
- To meet the expectations of an academically challenging environment, develop problem solving skills, and align with current standards and to enrich the students to make them self-enablers and /or match job requirements.
- To better meet the needs of the industry considering evolving technological trends and implications for the engineering workforce.
- To enhance employability skills in the very process of teaching-learning, develop well trained Diploma Engineers who have the knowledge and the skills to engineer solutions for real-world problems.
- Internships have been embedded to make the student understand the industry requirements, have hands on experience and take-up project work relevant to industry in their final year. These features will allow students to develop a problem-solving approach to face the challenges in the future.

Industrial Training Institutes (ITIs)

To provide quality vocational training and produce skilled manpower for the Nation, MANUU established the three ITIs. The objective behind establishing the ITIs is also to ensure that the youth dropping out of the school get an opportunity to develop industry oriented skills enhancing their employability /entrepreneurship.

The University offers skill development programmes through the three ITI's under craftsman training scheme which is accredited by the National Council for Vocational Training (NCVT) . MANUU ITIs offer skills programmes in six trades, namely the **Draughtsman** Civil, Electronics Mechanic, Electrician, Refrigeration & Air Conditioning Mechanic, and Plumbing. The admissions for these programmes are done according to the procedure and schedule of National Council for Vocational Training (NCVT).

MANUU ITI, Bengaluru

ITI Bengaluru was established in 2007. It offers Electronics Mechanic, and Refrigeration and Air Conditioning Mechanic trades. During the period of report companies like ABS Aircon Engineers Pvt.Ltd., Carrarycon Pvt. Ltd., Bluestar, and Silvergem HVAC Pvt. Ltd. employed students from ITI, Bengaluru.

Table 11.17: Faculty Details of MANUU ITI, Bengaluru

Name	Highest Qualification	Designation
Dr. Mohd. Moazzam Moinuddin	B.E. (ECE), M.Tech .(ECE), Ph.D. (ECE)	ITI I/c. Principal and Associate Professor of ECE, MANUU, Polytechnic, Bengaluru
Mrs. Chandrakala	B.E. (Electrical)	Instructor EM
Mr. Khazi Waseem Ahmed	B.E. (Mechanical)	Instructor MRAC
Mrs. Reshma. K	Diploma in Electronics & Communication Engineering.	Instructor EM
Mr. Md. Aslam	M.A. English	Instructor Plumbing

MANUU ITI, Darbhanga

ITI Darbhanga was established in 2007. It offers Electrician and Plumbing trades. As there is a huge demand for the courses offered at the ITI, it is proposed to increase the intake and a proposal has been initiated to start two new Non-Engineering Trades in 1) Sewing Technology and 2) Fashion Designing and Technology at MANUU ITI Darbhanga. These Two new trades are focussed to impart technical education for employment skills to girls'. Admission to the courses is through advertisement, through local newspapers, face to face counselling and Presentation. Annual awareness drives, Career Counselling programmes, group discussion, seminars by career counsellor and experts from Industry and Institutes are held in schools and for unemployed youth of the local villages. To improve the employability prospects of students, Soft skill, non-cognitive skills and Mock Interview sessions by Industry are held every month. Students passing out from the ITI are employed in government, and private sector and also self employed as entrepreneurs.

Table 11.18: Faculty Details of MANUU ITI, Darbhanga

MANUU ITI, Hyderabad

ITI Hyderabad was established in 2007. The ITI Hyderabad offers programs in six trades namely, Draughtsman Civil, Electronics Mechanic, Electrician, Refrigeration and Air Conditioning Mechanic, and Plumbing. . During the period of report, the ITI entered into Memorandum of Understanding with Vedang Radio Technologies and Quest Alliance (National Partnership). The ITI has introduced Biometric Attendance for Students. ITI also displays Technical Projects in National Science Congress and its teachers are actively engaged in Research and Publications and have several quality publications and Patents to their Credit.

Though the Quality of the admitted students to courses is below average and majority of them are First Generation Learners coming from poor socio-economic background, the outgoing students are performing well as reflected from the 100% placement and good feedback from the employers.

STANDARD POST, Hyderabad

8

MANUU organizes training under PMKVY 3.0 Scheme

(Standard Post Bureau) Hyderabad, Feb 9 : "Through skill training a person can improve overall performance in any identified area and in doing so can enhance the overall quality of life." said Prof. Syed Ainul Hasan, Vice Chancellor, Maulana Azad National Urdu University (MANUU) in a certificate distribution ceremony held yesterday by MANUU Skill Hub upon successful completion of skill training for Field Technician Air Conditioner under PMKVY 3.0 scheme.

MANUU ITI Hyderabad is registered as Skill Hub under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) 3.0. The Ministry of Education and the Ministry of Skill Development & Entrepreneurship have envisioned Skill Training Hubs which would offer competency based Vocational Training for school dropouts and out of school young population. This initiative is being implemented through National Skill Development Corporation under the Central Component of PMKVY 3.0.

Prof. Ishtiaque Ahmed, Registrar was also present. Prof. Abdul Wahid, Dean School of Technology delivered welcome address. Dr.

Arshia Azam, Nodal Officer, Skill Hub & Principal, MANUU ITI Hyderabad presented a report and also proposed vote of thanks. The staff of Vocational Training Centre/ITI & participants of Skill hub were also present.

Earlier, Prof. Ainul Hasan also distributed certificates to students of

Vista School in a ceremony held separately yesterday morning in CPDUMT auditorium. As part of the collaboration, 216 students of 9th and 10th classes were trained at MANUU ITI in Electrician, Electronic Mechanic, Refrigeration & AC, Draughtsman Civil and Plumbing trades. MANUU and Vista School

have come together to provide skill based education in consonance with NEP 2020.

Prof. Hasan in his presidential remarks said that NEP 2020 emphasizes on the development of creative potential of each individual. It depends on student's ability to use talent and develop. A person should come out

with artistic flavour to bring out the talent.

Prof. Ishtiaque Ahmed, Prof. Abdul Wahid, Ms. Shanthi Priya, Principal Vista school were also present. Dr. Arshia Azam delivered a welcome address and Mr. Mohammed Amer, Instructor Electronic mechanic proposed the vote of thanks.

MANUU Satellite Campus, Lucknow, Uttar Pradesh

Established in 2009, the satellite campus of Maulana Azad National Urdu University in Lucknow, is an emerging, full fledged campus offering full time regular M.A. course in the disciplines of English, Urdu, Persian and Arabic and Bachelor of Arts Program in the above subjects.

The University has also introduced Ph.D. programme in all the available subjects at the campus. Extension lectures and Guest talks by eminent educationists is a regular activity of the campus. Apart from academics the campus buzzes with extra-curricular activities. The campus is equipped with its own library, which has a collection of more than five thousand books.

The Satellite Campus has a strong reputation and is well-known for its quality education and academic excellence. The campus has a highly qualified and dedicated faculty and staff who are committed to providing a supportive learning environment for students. With students from varied backgrounds at the campus, we try to embrace diversity and provide a multicultural environment that promotes inclusivity and cross-cultural understanding. Within a decade of its establishment, the campus has a good network of successful alumni who can provide valuable guidance, mentorship, and networking opportunities to current students.

The CAMPUS believes that the outcome of promoting the holistic development of the students is to mold them into future leaders and visionaries, and help them find their place in the world. The practice has proved greatly successful in recent years and has been appreciated by the students. This is evident from the exponential increase in student participation and engagement both in and out of the classroom.

Students of the campus have participated in several local and national level competitions and have won awards on behalf of the campus.

MANUU Satellite Campus, Budgam, Jammu & Kashmir

MANUU-Arts and Science College for Women was established in year 2015. Though initially it was only for Women, at a later stage it was converted to be co-education catering to the educationally remote and backward area of Budgam in union Territory of Jammu & Kashmir. Within a short span of time, the college has excelled in not only providing education at PG level but also contributed to research. There are 23 students currently enrolled in Ph.D. and 09 scholars have been awarded degrees. The graduated scholars have published their work in leading international and national journals and have been successfully employed in different educational institutions. The college offers limited programmes and need to expand the choice of subjects offered to students in line with the NEP2020. Further, infrastructural upgradation along with ICT and other supporting facilities is proposed as a part of the expansion plan.

Directorate of Distance Education

Directorate of Distance Education, Maulana Azad National Urdu University (DDE, MANUU) aims to provide accessible and quality higher education to the Urdu-speaking populace across India. With its pan-India presence, DDE has been successful in promoting equity in higher education and ensuring that women have access to educational opportunities in line with its mandate. It has qualified, dedicated, experienced, and cooperative staff, contributing to its efficient functioning and success.

One of the major strengths of DDE is its employability factor. The directorate offers undergraduate, postgraduate, and diploma courses that are designed to enhance students employability skills. Moreover, the syllabus is in synchronization with regular courses, ensuring that students receive a comprehensive and up-to-date education. DDE stands as the sole Open and Distance Learning (ODL) directorate for higher education through the Urdu medium at the national level, providing a unique platform for students. The faculty at DDE and the University Schools have extensively contributed to the development of SLMs and other material in Urdu. This financial stability allows the directorate to continue its efforts in providing educational opportunities to marginalized sections of society, helping them integrate into the mainstream.

DDE plays a significant role in providing higher education opportunities to Indian youth who have studied in Madrasas, either by declaring their degrees equivalent or introducing bridge courses at the LSC level to facilitate their integration into the mainstream education system. Moreover, DDE has been exploring the introduction of need-based and vocational courses like Diploma in Early Childhood Care and Education and Diploma in School Leadership and Management, which do not require the approval of the Distance Education Bureau (DEB), opening up possibilities for more diverse offerings.

Regarding the implementation of the National Education Policy (NEP) 2020, DDE has taken significant steps to align its operations with the UGC (ODL and Online Programmes) Regulations, 2020. The directorate aims to provide multi-disciplinary and holistic education in line with NEP. It has implemented changes such as the Choice Based Credit System (CBCS), the shift from annual mode to semester mode, the introduction of skill enhancement courses, and the synchronization of syllabi between regular and distance mode programs. DDE has also revised various systems, including academic counselling, self-learning material development, assessment, student support services, and grievance redressal, to adhere to NEP recommendations. Technology integration through SAMARTH (ERP), an initiative of the Ministry of Education, Government of India, has been implemented, and efforts are being made to promote Indian languages like Urdu and Hindi.

Quality Assurance of DDE – Details on the CIQA Meetings

Outcomes /Decisions of the CIQA Meetings:

The MAJOR outcomes / Decisions of the CIQA meeting held on Monday 22nd November 2022

- Reporting of Recognition of the Programmes from UGC-DEB –M.A. Urdu and B.Com. For academic year 2021-2022 (Jan 2022) and B.A., M.A. (English) & M.A. (Islamic Studies) from 17.05.2022 & M.A. History, M.A. Hindi & M.A. Arabic from 27.10.2022.
- Enrollment of students in various courses of DDE was reported at a total of 9348 students.
- Establishment of 10 new LSCs/Study Centres/PCs was reported and ratified.
- Skill Enhancement Courses (SEC) offered for B.A. and B.Sc. & Generic Elective (GE) courses offered for MA programmes were approved.

- The SLM Policy was ratified.
- The DDE Manual was approved.
- Three Diploma courses were approved – Diploma in Early Childhood Education, Diploma in School Management and Diploma in Life skills for Employability.
- Replacement of the term Distance Education with Open & Distance Learning (ODL) in students certificates and marksheets was approved.
- DDE & IMC to work in coordination to develop AV resources for ODL students.

The outcomes / Decisions of the CIQA meeting held on Monday, 29th May, 2023 are as follows:

- The Director apprised the committee regarding status of application for new courses i.e., B.Sc. (MPC and BZC) and B.Ed. with DEB-UGC.
- The Committee ratified the Establishment of Quality Management Cell.
- It was resolved that the Diploma in Early Childhood Care and Education and Diploma in School Leadership and Management shall be introduced from the academic year 2023-24 and Diploma in Employability Skills programme from the next academic session, i.e. from 2024-25.
- Establishment of New Learner Support Centre's (LSCs) in March, 2023. The University has established 4 new Learner Support Centre's/Study Centre's at different regions of the country on the recommendations of the Regional Directors/Asst. Regional Directors of Regional/Sub-Regional centers and Scrutiny Committee of DDE and the Hon'ble Vice-Chancellor has accorded administrative approval.
- Algorithm of B.Ed. (ODL) was approved by the Committee.
- Revised Academic Calendar for different batches was approved .
- Approved Generic Electives – Public Administration and Teaching and Learning with Hindi and English/Translations to be offered at M.A. English and M.A. Hindi.
- The proposal for Establishment Of Virtual Learning Centre (VLC) has been discussed and approved.
- The proposal for Madrasa Connect Programme was discussed and approved.
- NEP Implementation from the academic year 2024-25. The Committee approved the same.

Research and Development

Research and Development

One of the most important objectives of MANUU is the creation and transfer of knowledge to contribute to society and promote cultural changes that will not only benefit the national and global development but also the welfare of the society, especially of the marginalised populations. This creation of knowledge is carried out through the Research and Development activities of MANUU through its nineteen Departments and the eight centres focussed on areas of special interventions. The University academics have established several collaborations with reputed institutions, and networked with eminent personalities and working closely for resolution of local and global challenges. Some of these centres include *Centre for Women Studies* established in 2004 to work for the empowerment of Urdu speaking women, through teaching, research, training and advocacy and facilitate inclusiveness and gender analysis on critical issues; *Centre for the Study of Social Exclusion and Inclusive Policy* established in 2007 with key objectives of Contextualizing and Problematizing, while Conceptualizing the exclusion and inclusion existed on the lines of caste/ethnicity and religion in the society; *Centre for Professional Development of Urdu Medium Teachers (CPDUMT)* a dedicated training centre that focuses on organizing pedagogical programs to cater to the needs of Urdu Medium Teachers in schools and madrasas; *Centre for Urdu Culture Studies (CUCS)* works on protection and promotion of aesthetical and cultural values of Urdu Language and its historical consciousness. Then in 2012 the *Centre for Deccan Studies* was established. The Centre's broad-based, all encompassing scope brings together different disciplines and streams of study—archaeological, historical, geographical, geological, cartographic, administrative, socio-economic, religious, cultural and literary—that will converge in a holistic understanding taking a multidisciplinary approach.

Along with the Research centres, in 2017, the university decided to enhance the quality of Teaching and Learning and Research capacity of Teachers from the Higher Education Sector and established the *Human Resource Development Centre (HRDC)*. The centre focusses on empowering teachers through motivational training, exposure to innovative techno-pedagogical trends, Research Methodology and advanced knowledge and skills in various disciplines so as to be competent enough to encompass the national and global reforms and challenges in Higher Education.

Since 2021, for Sustainable Development, MANUU, started reviewing its academic activities to focus on interdisciplinary Research and took several initiatives that seek to articulate sustainability in training and research. Post Covid , a new line of general training was created specifically dedicated to sustainability and integral ecology. All students who enter MANUU must mandatorily undergo a range of general training and electives to deepen their subject knowledge. As a part of this training and for ability and skills enhancement, courses which are mainly development oriented such as Individual and Society, Environmental Science, communicative skills, Sports and Physical Training are part of the Curricular requirements. These courses are part of the initiatives that aim to make sustainability a hallmark of the identity of its graduates. The impact of this is the several collaborations and MoUs, MANUU had during the year and also the focussed result-oriented quality Research output and fulfilment of the Institutional Social Responsibility.

Office of the Dean, Research and Consultancy

Prof. Salma Ahmed Farooqui is the Dean Research and Consultancy. The office of the Dean, Research and Consultancy is responsible for the following:

- To implement a strategic plan aiming to develop research that is recognized by peers as world leading, contributing to major advances in knowledge, and has impact

- Formulate a research strategy framework and coordinate the academic management of research for the University
- Implement a strategy that relates to research
- Encourage national and international collaborations in research
- Organize extra-curricular research-based activities for faculty and students
- Encourage faculty in Schools of Studies/Departments/Centers to engage in multi-disciplinary research, and forge strategic alliances and networks with other world-leading academic and research institutions for individual and institutional collaborative research and consultancy
- Promote internationally the strengths of the University
- Convene the Research Advisory Council meeting at least twice in a year for soliciting advice on policies for the conduct of research and steps to maintain suitable standards
- Support researchers in the development of research facilities, research Centers and research chairs
- Organizing creative thinking and writing workshops for incoming research scholars to orient themselves in writing skills
- Inform faculty and research scholars about new and existing financing initiatives of research
- Maintain a record of the national and international level major/minor research projects of the faculty and encourage/coordinate for its timely completion/or extension, if necessary
- Provide guidance to faculty for submitting grant applications to potential funding agencies
- Maintain a record about the progress of national and international level agreements, collaborations and MoUs that the University has entered and monitor the progress
- Maintain a database regarding faculty expertise in their respective subjects
- Encourage faculty to form successful collaborative research groups that integrate and support individual, community-based, and team-based programs of research
- Provide and facilitate mentorship of research-active faculty
- Disseminate and implement good research practices to the faculty

Details of Research Projects/Grants, Publications and Patents of the Faculty

Glue Grant-Cluster University: MANUU part of the Hyderabad Cluster

The concept of Cluster University or Multiversity is a Government of India initiative where in the centrally funded academic institutes and R&D labs in a particular city will get connected and work collaboratively to solve grand challenges facing the country. The Government of India provides financial support to the collaborating institutes working on selected Grand Challenges through a Glue Grant scheme.

The Government of India came up with 12 grand challenges and Hyderabad was chosen as the flagship city to implement this scheme with IIT Hyderabad as the nodal agency. As a part of the Hyderabad Cluster, MANUU is working on the Grand Challenges components of *Clean Air and Potable Water, Quality Education, Livelihood and Creative Opportunities, and Safe and Speed Mobility* along with other universities/research laboratories and institutes based in Hyderabad. MANUU has taken several initiatives in these areas and is in collaboration with other institutions. These challenges will also focus on traditional methods deployed in early and medieval India in the concerned fields. Coordinators have been appointed in these respective fields and in the Grand Challenge of Clean Air and Potable Water, MANUU has become the Principal Investigator having submitted the project proposal with other participants.

Adaptive Assistive System for Children with Moderate Intellectual Disability

The project is funded by the Ministry of Electronics and Information Technology (MeitY), Government of India, with a total outlay of 104.23 lakhs and duration of 3 years. The project aims to educate children with intellectual disabilities without discrimination and marginalisation of any part of society. The project aims to develop an adaptable, assistive learning framework that can be used online and blended mode for

children aged 6 to 18. The project team has collaborated with Special Schools and non-governmental organisations across seven states for several rounds of discussion on domain expertise and pilot studies.

Translation of Engineering and Technology Books from English to Urdu

The Directorate of Translation, Translation Studies, Lexicography and Publications (DTTLP) in collaboration with All India Council for Technical Education (AICTE) has taken the work of Translation of Engineering Books of UG and Diploma level from English to Urdu language. The project was initiated in June 2002 and is expected that more than 300 Engineering Books would be translated by the end of the project. A grant of Rs. 50 lakhs as an advance has been received from AICTE to the University for the purpose.

UNFPA funded Project - “Adolescence Education Program (AEP) in Madrasas of Bihar”

Prof. Mohd Shahid, Department of Social Work (Project Director) and Prof. Faiz Ahmad, MANUU CTE Darbhanga (Project Coordinator), have secured a 5.69 crore project from United Nations Population Fund (UNFPA), New Delhi, India. The project titled “Adolescence Education Program (AEP) in Madrasas of Bihar (Strengthening Resource Centres: Training, Nurturing, Supportive Supervision and Community Engagement)” is a prestigious project, towards quality improvement of Madrasas of Bihar. The outcomes of the Project so far include: 1678 Madrasa Principals oriented in AEP, 3448 Madrasa Teachers Trained who started Life Skill Transactions with the Madrasa students (6th to 8th std) in 34 districts of Bihar, 205 Master Trainers trained to train and provide supportive supervision to Madrasa students, 50 Madrasa Resource Centres established.

Table 15: Details of Grants and Funding Received for Research

<i>Title of the Project</i>	<i>Total grant sanctioned (In Lakhs)</i>	<i>Name of the funding Agency</i>	<i>Name of the P.I</i>
Adaptive Assistive System for Children with Moderate Intellectual Disability	104.23	Ministry of Electronics and Information Technology	Prof. Abdul Wahid
Integrating Vocational Education in 4 classes i.e., 9-12 classes in subject methodology-Language	0.5	MGNCRE	Dr. Umme Salam
Adolescence Education Program (AEP) in Madrasas of Bihar (Strengthening Resource Centres: Training, Nurturing, Supportive Supervision and Community Engagement)	569	United Nations Population Fund (UNFPA) New Delhi India	Prof. Mohd Shahid, Department of Social Work (Project Director) and Prof. Faiz Ahmad, MANUU CTE Darbhanga (Project Coordinator)
Seminar of World Immunology Day-2023,	0.1	Indian Immunological Society, AIIMS, New Delhi	Department of Zoology, MANUU
Narratives on Water: An Eco-Critical Study of Select Swiss and Indian Novels	5.41	SnSF-Swiss National Science Foundation	Dr. Huma Yaqub
Research Project On “SR Rights, Gender Based Violence and the	1.8	Department of Women and Child Welfare, Govt of	Prof. Shahida

<i>Title of the Project</i>	<i>Total grant sanctioned (In Lakhs)</i>	<i>Name of the funding Agency</i>	<i>Name of the P.I</i>
Sustainable Development Goal – 5 (baseline and pathways for transformative change)”		Telangana	
Risk Communication and Community Engagement	35.185	UNICEF	Prof. Mohammad Fariyad,
Translation of Engineering Books of UG/ Diploma level from English to Urdu language	100	AICTE	Prof. Khalid Mubashir-u-Zafar- Director,
A Comparative Study of Central Government Fellowship for Females in Higher Education with special reference to marginalized community in Madhya Pradesh & Bihar	4.88	ICSSR,-MRP, New Delhi	Dr. Bhanu Pratap Pritam
Trilingual Fundamental Glossary of Political Science (English-Urdu-Hindi)	Honorary	(CSTT), Dept of Higher Education, Ministry of Education , Govt. of India	Md. Khurshid Alam

21	30-05-2023 Automatic Wireless Charging Mechanism For Smart Home Devices With Smart Radiation Positioning Mechanism	16-06-2023 (Published)	202341037323A	Dr. Md. Zair Hussain & Dr. Mohd. Ashraf
22	Design patent of Electronic Intelligent Lock	25-05-2023 (Awarded)	387096-001	Dr. Md. Zair Hussain & Dr. Mohd. Ashraf

Industry -Institute- Community Collaborations and Partnerships

Recognising that Collaborations and partnerships play a crucial role in bridging the gap between academia and the corporate world, fostering knowledge exchange, and advancing technological, economic, and societal progress, MANUU has actively collaborated with Industry and partnered with corporates, academic institutions, research organizations, and business establishments. These partnerships have facilitated MANUU in advancing research in niche areas, deploying and adopting new technologies for teaching and learning, enhancing the quality of education and in working towards addressing societal challenges. The contributions have come in different hues such as knowledge, expertise, funding, facilities, and personnel which enabled MANUU to achieve its goals more effectively than it could individually do. **Talent Development has been a major area of benefit as** Partnerships resulted in improved students opportunities for internships, co-op programs, and hands-on experience, enhancing their readiness for the job market. Industry professionals have also contributed to curriculum development. Through establishing a strong Network that connect researchers, industry professionals, students, and other stakeholders MANUU could not only improve their Research but also could contribute to addressing societal challenges, promoting economic development, and enhancing education and skill development opportunities.

Table 15.3: Details of MoUs Signed during 2022-2023

Organisation	Date of MoU Signed	Purpose and Activities
--------------	--------------------	------------------------

MEDICOVER Hospital	29-06-2019,27-06-2020 and 02-02-2023	Skill Paper Classes, Clinical Training and Internship
INCHRF, Nasik	2021	Academic and Research Collaboration
Indian Institute of Mass Communication, New Delhi	05-05-2022	For Sharing of Knowledge, Resources and Research Activities.
Mauritius Institute Of Education, Mauritius, Reduit, Republic of Mauritius	27-07-2022 (For Two Years 2022-2024)	External Examiner Evaluation, Moderation and VIVA-VOCE
Noor International Microfilm Centre	23-02-2023	To exchange research and educational programmes; to have academic collaborations and to jointly organize international and national seminars, conferences, or workshops on topics related to Deccan studies
Society for Indian Ocean Studies	16-11-2022	For joint research projects and activities, participation in seminars and academic meetings, exchange of academic materials and personnel, special short-term academic programmes and joint cultural programmes; documentaries, etc.
Population First, UNFPA and The Royal Norwegian Embassy	25-08-2022	12th Laadli Media & Advertising Awards for Gender Sensitivity 2022- Regionals
Observatory for Cultural and Audiovisual Communication in the Mediterranean (OCCAM), Italy	26-04-2022	To explore the benefits of digital communication on audio visual technology at the global level
National Research Institute of Unani Medicine for Skin Disorders (NRIUMSD), Hyd.	30-06-2022	To produce in Audio visual programme to help in promoting the Unani method of medicine and taking into the public worldwide.
MDH	2022	Summer Internship and Placement
KSRM College Engineering	2023	Conducting Lab Experiment
Vedang Radio Technologies	15-05-2023	Training to students and also intenship and OJT
Department of Design, Indian Institute of Technology, Hyderabad	06-06-2023	Research and Academic Exchange
White Nile University, Sudan	14-03-2023	Research and Faculty and Student Exchange

Signing of Memorandum of Understanding (MoUs)

Exchanging the MoU at IITH

MANUU and White Nile University, Sudan Signing the MoU

The School of Languages, Linguistics and Indology, MANUU, entered into an MoU for one year, with Alliance Francaise (AF), Hyderabad, for providing faculty to teach French to MANUU students.

Research Output of the University at a Glance

Research Publication	657
Books	57
Book Chapters	391
Patents Published /Awarded	14 Published and 08 awarded
MoUs	12
Collaborations	80

Directorate of Translation, Translation Studies, Lexicography and Publications (DTTLP)

As the University offers various courses in through traditional and distance mode where language of instruction is only Urdu, it is mandatory to devise an effective mechanism to make the course materials/ books available in Urdu for the students of the varsity. Keeping in view this very basic objective of ‘Urdu medium of instruction’ mandated to Maulana Azad National Urdu University, in 2016, the University established the “Directorate of Translation, Translation Studies, Lexicography and Publications (DTTLP)”.

Since its inception, the Directorate of Translation and Publications (DTTLP) has taken up the responsibilities associated with production and publications of different course materials and books for various courses offered by MANUU. In case the essential books/ materials are in other languages, the directorate manages to translate them into Urdu. It also plans to arrange to prepare and publish books of various streams and genres, translate famous books from different languages into Urdu as well as to reproduce important and rare Urdu books which have gone out of print to help the Urdu medium students, teachers and Urdu loving people enhance their knowledge and erudition in varied fields of learning.

Orientation Programme for Translators and Reviewers

DTTLP organized an Orientation Programme for Translators and Reviewers on 24th January 2023 in CPDUMT Auditorium, MANUU, Hyderabad. Around 60 participants from across the country who are part of the AICTE Project for translation of Engineering Books (UG/ Diploma level) participated in the Programme. The Hon’ble Vice Chancellor Prof. Syed Ainul Hasan chaired the inaugural session of the programme while Dr. Dinesh Singh, Director, AICTE (ATAL Cell) was the Chief Guest.

Table 15.7: Participation of DTTLP staff in Seminars/Workshops/Orientation programs/others

Name of the Participant	Name of the Conference/ Seminar/ Workshop Attended	Date & Venue
Prof. Khalid Mubashir-u-Zafar	Two Day National Seminar on “Machine Translation in Indian Languages”	16-02-2023 to 17-02-2023 Dept. of Hindi, University of Hyderabad and Bhartiya Bhasha Samiti, Ministry of Education, New Delhi
Dr. Aslam Parwez	One Day National Seminar “Farooq Bakhshi: Shakhs aur Aks”	25-09-2022 All India Progressive Writers’ Association Hyderabad, Telangana
Dr. Aslam Parwez	One Day National Symposium “Urdu Afsana: Tajziya aur Tanqeed”	30-11-2022 Dept. of Urdu MANUU in collaboration with Sahitya Academy, New Delhi
Dr. Aslam Parwez	Two Day National Seminar “Asr-e Hazir mein Urdu Tarjumanigari: Ahmiyat, Masail aur Imkanat”	6-03-2023 to 7-03-2023 Department of Urdu, Hyderabad Central University, Hyderabad

<i>Name of the Participant</i>	<i>Name of the Conference/ Seminar/ Workshop Attended</i>	<i>Date & Venue</i>
Dr. Aslam Parwez	Three Day Workshop on “Documentary Film Making”	16-03-2023 to 18-03-2023 Instructional Media Centre, MANUU, Hyderabad
Dr. Aslam Parwez	One Day Orientation Programme for Translators and Reviewers	24-01-2023 Directorate of Translation, Translation Studies, Lexicography and Publications (DTTLP), MANUU, Hyderabad
Dr. Zafar Ahmad (Zafar Gulzar)	One Day National Seminar “Farooq Bakhshi: Shakhs aur Aks”	25- 09-2022 All India Progressive Writers’ Association Hyderabad, Telangana

Haroon Khan Sherwani Centre for Deccan Studies (HKSCDS)

The Centre for Deccan Studies is named after the renowned Indian historian, scholar and author, Haroon Khan Sherwani, whose contribution to the study of different dimensions of the Deccan is immensely noteworthy. Established in 2012, the Centre’s vision and mission, niche areas of research, and interdisciplinary focus have been specifically framed, keeping in mind the fact that many of these areas have not yet found a place for study in a traditionally constructed framework. Keeping up with the expectations on which the scope of the H.K.Sherwani Centre for Deccan Studies developed, the Centre has before it the task of bringing within its purview, areas of study ranging from the natural sciences to the social sciences and the humanities. The Centre’s broad-based, all encompassing scope brings together different disciplines and streams of study—archaeological, historical, geographical, geological, cartographic, administrative, socio-economic, religious, cultural and literary—that will converge to produce quality research and academic standards. The Centre has established a Coinage Gallery and The Gallery of Maps and Nautical Charts in 2022, which is being extensively used for Research activities. *Prof. Salma Ahmed Farooqui is the Director of Haroon Khan Sherwani Centre for Deccan Studies.*

Table 16: Faculty Details of Haroon Khan Sherwani Centre for Deccan Studies (HKSCDS)

<i>S.No.</i>	<i>Name</i>	<i>Designation</i>	<i>Gender</i>	<i>Category</i>	<i>Highest Qualifications</i>
1.	Prof. Salma Ahmed Farooqui	Professor & Director	Female	UR	Ph.D.
2.	Dr. A. Subhash	Assistant Professor	Male	OBC	Ph.D.
3.	Dr. Shahid Jamal	Assistant Professor	Male	UR	Ph.D.

Table 16.1: Participation of the Teachers in Conferences, Seminars, Workshops

<i>Name of the Participant</i>	<i>Name of the Conference/ Seminar/ Workshop Attended</i>	<i>Date & Venue</i>

Hosted a Fulbright Global Research Scholar

Prof. Betül Başaran, Professor of History and Coordinator of the Women, Gender, and Sexuality Studies Program at St. Mary's College of Maryland, USA was attached to the H.K.Sherwani Centre for Deccan Studies of Maulana Azad National Urdu University as a Fulbright Global Scholar. She received Fulbright research award to conduct research on the "Legacy and Impact of Princess Niloufer (1916-1989)" Her project primarily focuses on politics, religion and agency of Muslim women in pre-modern Hyderabad state. She is examining the existing social structure of those times and supports the Nizam Mir Osman Ali Khan's modernising agenda. The Centre has organized an online Special Lecture of Prof. Başaran on 31st January 2022 which was a preview of her research. The crux of her lecture was to bring out the role of elite women as global active agents empowering the underprivileged women for better social status, education and medical facilities.

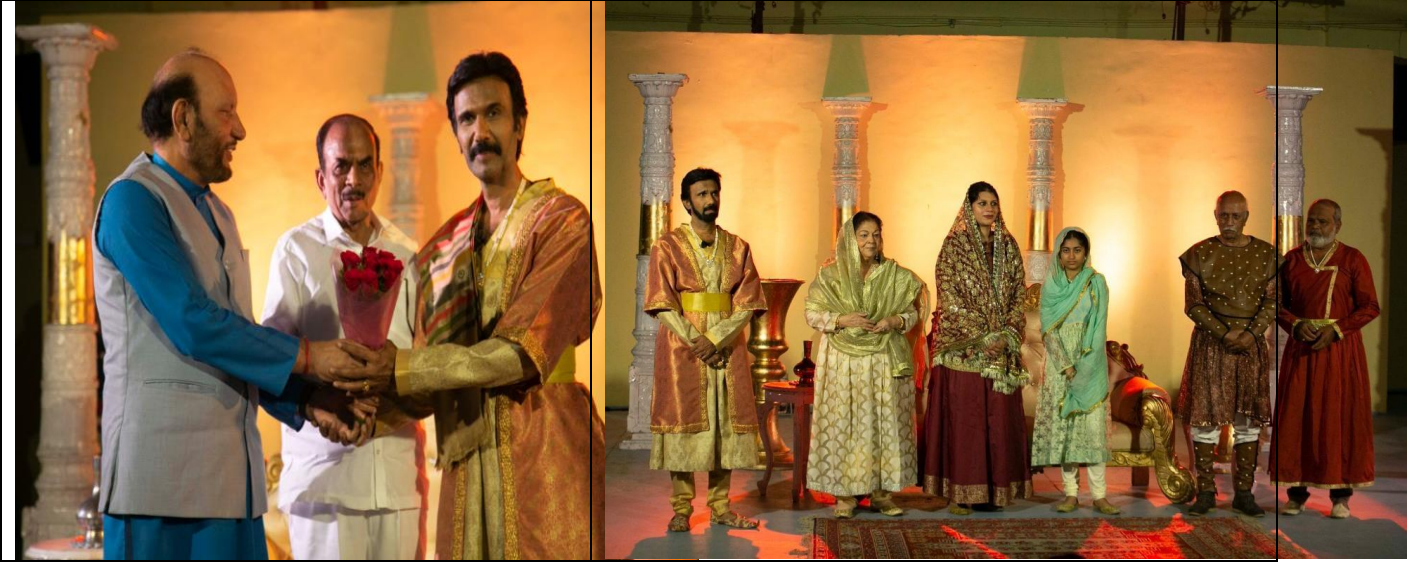

Activities of H.K.Sherwani Centre for Deccan Studies

Online Lecture

The H.K. Sherwani Centre for Deccan Studies organized an online lecture on "The Architectural Splendour of Hampi" by Shri. T.M. Keshava, former Superintending Archaeologist, Archaeological Survey of India (ASI), Bengaluru Circle on 14th June 2022. The seminar threw new light on the architecture of Hampi under the Vijayanagara regime. The speaker took the participants through the breathtaking architecture details of Hampi which flourished and became one of the largest cities in the medieval era. While most of the buildings in the Hampi region were Hindu temples and complexes that predominantly followed the South Indian or Dravidian style of architecture, among the ruins are also the remains of Jain, Indo-Islamic and Buddhist constructions.

Historical Play

The H.K. Sherwani Centre for Deccan Studies, Maulana Azad National Urdu University organised a historical play 'Savaan-e-Hayat' on 3rd October 2022, 7.30 pm at Open Air Auditorium as part of the Silver Jubilee Year celebrations of the university. The play was performed by the internationally acclaimed Qadir Ali Baig Theatre Foundation and is based on the biography of Queen Hayat Bakshi Begum, who ruled Golconda in the 17th century. The play saw a massive audience and was full house attended by students, teaching and non-teaching staff of the university and a very large august gathering of eminent people from the city. The chief guest of the event was Janab Mohammed Mahmood Ali, Minister of Home, Government of Telangana while Prof. Syed Ainul Hasan sahab, Hon'ble Vice Chancellor, MANUU presided over the program. In his address, Janab Mohammed Mahmood Ali spoke about the cultural ethos and peace loving nature of the people from this region which has been inherited as a legacy generation to generation.

Interactive Meet

The H.K. Sherwani Centre for Deccan Studies has organised an interactive meet with on the theme “Marmaduke Pickthall’s Hyderabad Connection” by Mr. Samuel Bartlett is Ph.D. Scholar at Royal Holloway University of London working under the supervision of Prof. Francis Robinson on 17th October 2022. The meet was attended by scholars, faculty and history enthusiasts. The session was interactive and new information came to light about Marmaduke Pickthall and his contribution to Islamic culture and his Hyderabad relationship.

MoU between H.K.Sherwani Centre for Deccan Studies, MANUU and Indian Institute of Technology Hyderabad (IITH)

The H.K.Sherwani Centre for Deccan Studies, MANUU and Indian Institute of Technology Hyderabad (IITH) have signed a MoU on 06-06-2023 to jointly work on the emerging area of science and heritage with a long-term vision to develop sustainable interactions between the institutes in the areas of technology interventions for tangible and intangible heritage documentation, and its preservation and dissemination.

Webinar

The H.K. Sherwani Centre for Deccan Studies, MANUU have signed a MoU with Society for Indian Ocean Studies (SIOS), Delhi on 16.11-2022. The SIOS is a think tank comprising eminent bureaucrats, academicians, technology experts and senior retired defence personnel. As an initial collaborative program, the Centre organised twin lectures (online) on Indian Ocean littoral on 07-06-2023. The first lecture was by Ms. Hema Devare on “A Dialogue in Textile Traditions between the Deccan and South East Asia”. This was followed by another lecture by Prof. Radhika Seshan on “Ports and Hinterlands: Connecting the Deccan and the Indian Ocean World”.

Inauguration of Omar Khalidi Hall and One Day Conference on “Revisiting Brand Hyderabad’s Cultural Legacy”

H.K. Sherwani Centre for Deccan Studies and the U.S. Consulate General, Hyderabad jointly organised the inauguration of the Omar Khalidi Hall and a conference on “Revisiting Brand Hyderabad’s Cultural

Legacy” on 15-06-2023. It marked the celebration of the birth anniversary of Dr. Omar Khalidi, as a befitting tribute to his scholarship on Deccan. The Omar Khalidi Hall has huge collection of books, manuscripts in different languages donated by the Khalidi family that stays in the U.S. A large number of eminent personalities from Hyderabad, faculty, and researchers attended the conference.

In the inauguration of the Omar Khalidi Hall and the conference that followed, Ms. Jennifer Larson, USCG Hyderabad said, “It was an honour to inaugurate the Omar Khalidi Hall, and dedicate the Hyderabad born American scholar’s rich collection of rare books to the library at H.K. Sherwani Centre for Deccan Studies, MANUU.” In his presidential remarks, Prof. Syed Ainul Hasan, Vice Chancellor, MANUU spoke about the nostalgia that the book collection evokes in the people of Hyderabad and the value it will hold for researchers who are working in various fields of Deccan studies.

Rock Walk-cum-Workshop on 20-03-2022 and Celebration of World Water Day on 22-03-2022

Al-Beruni Centre for the Study of Social Exclusion and Inclusive Policy (ACSSEIP)

The Centre for the Study of Social Exclusion and Inclusive Policy was established in May 2007 at Maulana Azad National Urdu University – Hyderabad. Currently it is headed by *Prof. P. H. Mohammad, who is the Director-In-charge of the Centre.* The centre’s key objectives include conceptualizing discrimination, exclusion and inclusion based on caste/ethnicity and religion; developing understanding of the nature and dynamics of discrimination and exclusion; developing an understanding of discrimination at an empirical level; formulating policies for protecting the rights of these groups and eradicating the problem of exclusion and discrimination. The thrust areas of the Centre are to study religious minorities with specific focus upon the Muslims as a socially excluded

group, exclusion of Urdu speaking population, and to study the other excluded groups such as Dalits and tribal communities.

The Centre is working on Mapping out Socially excluded groups among the already marginalized communities and socially excluded sections such as the nomadic and semi nomadic and other Primitive Tribal communities; To study the socially excluded and marginal communities among the Muslims as identified by the P. S. Krishnan Committee in both Andhra Pradesh and Telangana states; Efforts to mainstream the socially excluded groups in education following the provisions of the NEP 2020 by taking up sensitization and capacity building programmes ; Organising expert lectures covering different fields of social exclusion; Organising Seminars, workshops and conferences both national and international: Pursuing the research, sensitization and capacity building programmes for the Erukula tribes/community the most primitive tribe in Andhra Pradesh and documenting the same visiting different places; undertaking village adoption programmes and documenting the socio-economic and cultural practices and the livelihood systems among the village communities in Telangana; Sensitizing and awareness building among the tribal and rural communities about the welfare and other development programmes/schemes introduced by the central government and the government of Telangana; Undertaking research and action oriented programmes particularly on Transgender groups and recommend inclusive measures benefiting them.

As an outcome of its activities ACSSEIP, MANUU, Published a report “ Socio-Economic and Educational Status in Telangana: A Report ”.

Centre for Professional Development of Urdu Medium Teachers (CPDUMT)

Established in 2007, the Centre for Professional Development of Urdu Medium Teachers (CPDUMT) , MANUU, is a dedicated training centre that focuses on organizing training programs to cater to the needs of Urdu Medium Teachers in Primary to Senior Secondary Schools and Madrasas. *Prof. Mohammed Abdul Sami Siddiqui is director of the centre.*

During the academic year 2022-23 the Centre through its activities could reach out to 1880 teachers by skilling, upskilling and reskilling programs. CPDUMT has successfully adapted to the digital era by organizing online programs. This shift to online platforms has allowed the centre to reach out to a wider audience and provide valuable training opportunities to teachers working in remote geographical areas and have economic constraints for attending the programs offline. The collaborations with prestigious organizations like the U.S. Consulate in Hyderabad, the National Council for Promotion of Urdu Language in New Delhi, the Telangana Urdu Academy in Hyderabad, the Telangana Minorities Residential Educational Institutions Societies in Hyderabad, and the Shaheen Group of Institutions in Bidar have further enriched the quality and diversity of these programs. Looking ahead, CPDUMT has plans for introduction of Ph.D. programs in English Language Teaching (ELT) and Urdu Language Teaching (ULT), and establish itself as a hub for advanced research in language education.

Centre for Urdu Culture Studies (CUCS)

The Centre for Urdu Culture Studies (CUCS) was established in 2007, with the vision of “protection and promotion of aesthetic and cultural values of Urdu Language and its historical consciousness”. Its mission is “to develop a combination of archives, museum, library and cultural research institution”. It wishes to be seen as an authority in Urdu culture studies. The centre has a pictorial gallery on achievements and activities of Maulana Azad National Urdu University. CUCS has also established a “Azad Gallery” dedicated to Maulana Abul Kalam Azad.

The Centre has separate library with collection of rare and valuable reading materials useful for research scholars and Urdu readers. CUCS organises several cultural, literary and traditional programmes. During the academic year 2022-2023, the Centre offered a six months Ghazal Sarai Course , organised a Ten days Theatre workshop; a multimedia exhibition on 1857; A Weeklong annual cultural programme as a part of Maulana Azad Day Celebrations; exclusive workshop for Girls on “Dress and Personality”, workshops on Creative writing; Dastangoi etc.. Further the Centre has initiated a Kahani Club wherein the students present new Short Stories in the bi-weekly meetings. The MANUU Drama Club, also initiated by the Centre during the year has produced two plays (i) Daadi Amma Maan Bhi Jaao (ii) Chauraha and Presentation of Dastangoi.

The above activities have not only brought out the inherent talent of students but also provided them a platform for ideation and experimentation and freedom of expression and moral boosting Apart from these CUCS is actively engaging with other Departments of the University for creating and organizing several cultural activities.

Centre for Women Studies (CWS)

Established in the year 2004, the Centre for Women's Studies is headed by Prof. Shahida Murtaza. The Centre was established with the following Objectives:

- * To work for the empowerment of Urdu speaking women, through teaching, research, training and advocacy
- * Create space for women to come together and work for the upliftment of Women Community
- * Facilitate gender analysis on critical issues

The centre focus areas of work are Women Empowerment and Muslim Women and Gender Based Violence which are as detailed below:

Women Empowerment

The Centre has relentlessly been working towards achieving to create spaces for women and girls, free of discrimination, oppression and gender bias. Empowering women is being carried out through the conduct of gender sensitization, and legal awareness programmes in the campus as well as among the marginalized communities. Self-defence is another aspect of our empowerment strategy for young girls to create in them the much needed confidence in claiming the public spaces. As part of our teaching programme, Certificate Courses in Women Studies were conducted in the degree colleges. Lectures, Seminars, Panel Discussions and Conferences are a regular feature under the aegis of CWS.

Muslim Women and Gender Based Violence

CWS has carried out various surveys on issues pertaining to Muslim Women especially on the issue of trafficking of girls and women to Middle East countries, which is the biggest scourge the community is facing.

Further the exploitation of entrepreneurs, invisibilization and obscurantism of women labour are found to be rampant and seek attention of research and advocacy. There are also the issues of early marriages, illiteracy, reproductive health, hygiene, family planning, and immunization; dissolution of marriages which the Centre has been trying to address.

The Centre takes up the translation of important works (books and articles) pertaining to gendering processes in the society, material on legal provisions for women, Sharia law etc . into Urdu. For the benefit of Urdu speaking students, the Centre is also working on preparing and publishing books on feminism-concepts and theories and basic reference book/ material on Women's Studies in Urdu.

UGC-Human Resource Development Centre, MANUU

The Human Resource Development Centre (HRDC), Maulana Azad National Urdu University started its mission in March 2007 and has devoted itself to training and professional development of College and University teachers, Principals and Academic Administrators, nonteaching staff and also research scholars.

The Centre has been organizing Faculty Induction Programmes (Orientation Programmes), Refresher Courses (Subject-specific, Inter-disciplinary, & multi-disciplinary), Short Terms Courses (One week /three day's duration) Workshops (One week duration) and Webinars (One/three day's duration) for various stakeholders. Based on the evaluation an E-Certificate is issued to the Participants. Feed back from the participants in the academic programs viz., Orientation Programs, Refresher Courses, Short term courses and Professional Development Programs and other activities carried out by the HRDC, MANUU indicates that the training has impacted positively and made a significant impact on the Professional and Career Development of the participants as they could perform their professional roles more effectively.

Taking the support from various Departments and Centres of the University HRDC, plans to develop Online Training Programmes which are self-paced and designed for an interactive and enhanced learning experience and to be part of ARPIT to offer diverse programs especially in Urdu and other regional languages. *Prof. Saneem Fatima is the Director (I/c) of the Centre.*

Online Lecture on Changing role of Teachers	5 th to 9 th September, 2022	109
Professional Development Programme for Group "A" Officers (Educational Administration)	6 th February to 2 nd March, 2023	33

During the period from 1st April, 2022 to 31st March, 2023, the UGC-HRDC, MANUU has conducted 3 Faculty Induction Programs (FIPs), 9 Refresher Courses (6 Subject specific and 3 Multi-disciplinary); 4 Short Terms Programs, and 4 Workshops respectively through Hybrid Mode(Online & Offline). The detailed number of Training Programs allocated by the UGC and number of programs conducted by UGC-HRDC along with number of participants is furnished as follows:

Table 21.1: Details of Programs organised UGC-HRDC, MANUU

S.No.	Name of the Program	Programs allocated by UGC	Programs Conducted by MANUU	Online Mode (Nos.)	Offline Mode (Nos.)	Male	Female	Total
1.	Faculty Induction Program (Gurudakshita)	4	3	3	0	56	45	101
2.	Refresher Courses	9	9	4	5	234	73	307
3.	Short Term Course	4	4	1	3	123	39	162
4.	Workshops & Others	4	2	2	0	110	34	144
	Total	21	18	10	8	523	191	714

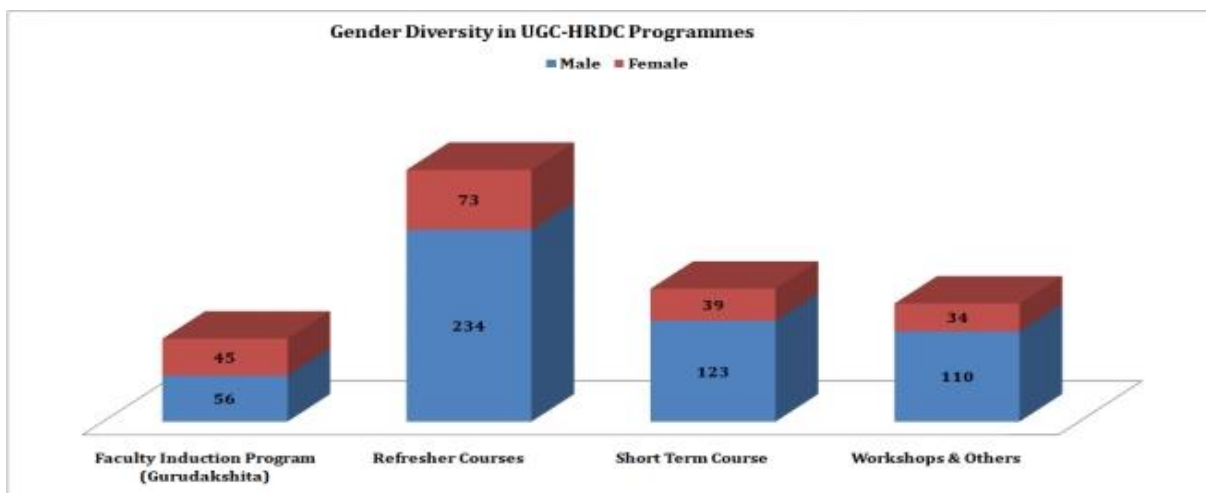

Fig. 12. Gender Diversity of the Participants

Apart from approved Courses, Online and Offline Webinars on National Education Policy, 2020 and two Special Lectures were conducted during 2022-23. The UGC-Human Resource Development Centre, MANUU has conducted 6th Meeting of the Academic Advisory Committee on 13th September, 2022 to discuss various Academic and Administrative activities of the Centre.

Centre for Information Technology (CIT)

Centre for Information Technology (CIT) was established with the objective to integrate ICT in MANUU's academic and administrative activities for improving quality of education and research, broaden MANUU's reach to even larger and needy sections of the society, exercise greater administrative transparency and enhance accountability in functioning. Prof. Abdul Wahid is director of Centre for Information Technology.

The Centre has been successful in providing internet enabled computing facilities to faculty, students and staff of the University - more than 95% of campus is now under WiFi coverage, 100% internet connectivity in all departments (Fiber Optic) with 1 GBPS bandwidth, most of the departments have state of the Art IT labs with latest software, and Student Life Cycle is completely

Paperless/Automated with provision for all the applications/payments to be online. The Centre is also engaged in the following:

- Built and maintaining a state-of-the-art Campus-wide Network with adequate WiFi facilities
- Developed and managing an E-Governance (ERP) system that streamlines and automates the university's academic (Integrated University Management System IUMS) and administrative processes
- All the software developed so far are being Multilingual (English & Urdu)
- Reduced consumption of paper, by integrating E-Mail facilities
- Developed and maintains a dynamic, multilingual, disabled-friendly and adaptive (Device Independent) university portal in three languages viz. Urdu, Hindi and English.
- Developed and maintains a 24x7 IP-based surveillance system in MANUU Campuses

The Centre is moving towards adopting Cloud computing for operational efficiency and exploring the use of AI (Artificial Intelligence) based tools for process minimization.

Table 22: Staff Details of Centre for Information Technology

<i>Name</i>	<i>Highest Qualification</i>	<i>Designation</i>
Prof. Abdul Wahid	Ph.D.	Director
Mr. Zahid Shaikh	B.Tech.	System Analyst
Mr. Imran Aslam	B.Tech.	System Analyst
Mr. Abdul Khader LKM	B.Tech.	Network Administrator
Mr. Shawnavaz Ali Qureshi	M.Phil.	Computer Programmer
Mr. Rizwan Ahmed Mujawar	M.Tech.	Senior Technical Assistant
Mr. Mohd Shahnawaz Qureshi	B.C.A.	Technical Assistant
Mr. Md Rahamatullah	M.C.A.	Technical Assistant
Mr. Mirza Mohammed Baig	B.Tech.	Software Engineer
Mr. Rab Nawaz Khan	M.A.	Data Entry Operator
Mr. Deepak Singh	Diploma	Technical Assistant
Mr. Ravi Kiran	Intermediate	Technical Assistant
Mr. Azmat	Intermediate	Office Attendant

Instructional Media Centre (IMC)

MANUU has established a full-fledged 'Instructional Media Centre (IMC) on its campus. IMC is the Educational Multimedia Research Centre for development and dissemination of educational e-content. The centre is committed to transform education through ICT-based technologies with emphasis on learner-centric pedagogy for the benefit of Urdu learners across the country. Centre's Motto is reaching

the unreached, preserving and promoting indigenous culture, large scale expansion of the knowledge and high quality education through Digital Medium. IMC provides a forum for the active involvement of academics in creation of appropriate educational content to regular and distance mode students.

To provide audio-video educational content to the learner, the University has also launched its YouTube Channel. IMC MANUU YouTube channel is an initiative to provide a wider access of Higher Education to the unreached, people desirous of pursuing programmes of higher education and training in Urdu medium through Distance modes. Besides producing the curriculum based Audio-visual programmes, the Instructional Media Centre trains the faculty to optimise the use of technology for teaching-learning, provides consultancies in the field of distance education, e-content production, social media and higher education, film and TV production, etc.

Key Initiatives of the Centre

Online content for balanced and flipped mode of learning: IMC has developed one of the largest free of cost repositories of e-Content in Urdu language for regular and distance mode learners and the content is available as OER at IMC MANUU YouTube channel and in three quadrants at www.imcmanuu.com/e-content. The Digital library of IMC has the e-content of various genres ranging from higher education content to documentaries on rich cultural heritage of Urdu to programmes of general interest and highly revered MANUU Knowledge Series.

Digital infrastructure: Catering to the diversity, complexity and device penetration, not only digital content production facilities are being upgraded but also the content is being provided through various ICT tools.

Online teaching platform and tools: Appropriate existing e-learning platforms such as IMC YouTube channel, MANUU e-Content platform etc. have been extended to teachers for enhancing the quality of teaching-learning. Further, stream yard software has been procured for live classes, counselling sessions etc.

Content creation, digital repository, and dissemination: A digital repository of content in Urdu has been developed, which not only has the hard core curriculum based content but also disseminate other enrichment e-content on language, culture, media, history, environment, human rights, gender etc. to students.

Training for teachers: Teachers are being given rigorous training in learner-centric pedagogy and digital content creation using online teaching platforms and tools.

Laying down standards: As part of the research activity on online/digital education, IMC is regularly conducting audience research to set up standards for content, technology, and pedagogy for online/digital teaching-learning. These standards help to formulate guidelines for e-learning.

Table 23: Details of the Activities and Achievements of IMC

Targets/Objectives/Goals	Achievements
Audio/Visual Programme Production	E-Content -80, Urdu Nama – 56, Shaheen e Urdu/MTMV - 10, Educational News Bulletin-52, Curriculum based programmes -44, Manuu Knowledge Series-12, Seminar/conferences/workshop live / coverage - 171, Special Programmes – 9, Documentaries – 2, Word/Poet of the day- 365, All programme production targets were achieved. Total program production -801.
Documentaries/Films to Create awareness on Environment, Climate and Health	Two IMC films “Kachare Se Tawanai” (from waste to energy) and “Transforming India” produced by IMC screened at 14th Prakriti International Film Festival organized by CEC UGC, Govt of India.

<i>Targets/Objectives/Goals</i>	<i>Achievements</i>
Upload Webcast of Seminars/Conferences/Workshops/Lectures etc.	Live Webcasted all Scheduled programmes successfully (171 live webcasts)
YouTube Channel Programmes Upload	292 programmes and A/V capsules Uploaded at YouTube channel successfully
YouTube Channel Subscription	Subscription has reached over 88200
Three day Documentary Filmmaking workshop in collaboration with IDPA Mumbai	Organized successfully.
Six Days Sports Film Festival	Organized successfully.
Five Days workshop on e-content production techniques for faculty members	Organized successfully.
Urdu Film Festival	Organized successfully.
Establishment of Community Radio at IMC MANUU	Obtained necessary licenses and other permissions from Govt of India.

During the reporting year IMC has produced 225 E-Contents the list of E-Contents and E-Learning resources produced by IMC is at **Annexure IV**.

Table 23.1: Participation of the Teachers/Staff in Conferences, Seminars, Workshops

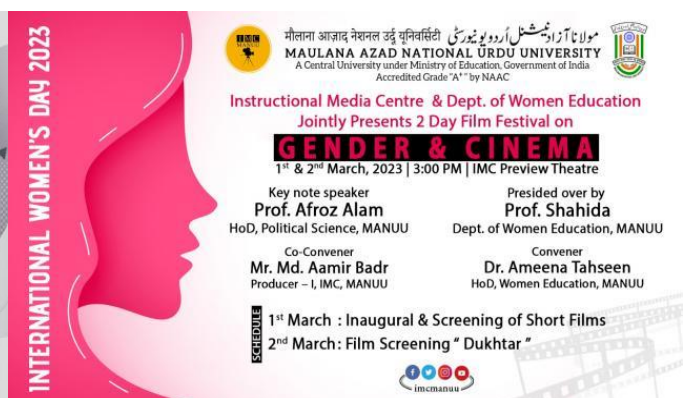

<i>Name of the Participant</i>	<i>Name of the Conference/ Seminar/ Workshop Attended</i>	<i>Date & Venue</i>
Dr.Md. Imtiyaz Alam, Junior Research Officer	Workshop on NEP: 2020- Changing Role of Teachers” as part of Shikshak Parv Celebrations	05-09-2022 to 9-09-2022 UGC, HRDC, MANUU,
Dr.Md. Imtiyaz Alam, Junior Research Officer	Three day International Seminar on “Contribution of Sufis of Deccan for the Promotion of Learning and Communal Harmony	23-01-2023 to 25-01-2023 CUCS, MANUU, Hyderabad
Dr.Md. Imtiyaz Alam, Junior Research Officer	One week E-content Production Techniques Workshop,	20-02-2023 to 27-02-2023 IMC, MANUU, Hyderabad
Mr. Md. Aamir Badr, Producer-1	Three day international Conference on Urdu Media: Past, Present and Future	13-11-2022 to 15-11-2022 MCJ, MANUU, Hyderabad
Rizwan Ahamd, Director IMC	24 th Euro Mediterranean Conference on Cinema “Cinema evolution in the Digital Era – the Mediterranean as Paraphrase of the World”	09-09-2022 79 th Venice Film Festival at Hotel Excelsior, Venice
Rizwan Ahamd, Director IMC	Panel discussion on "Challenges and opportunities to promote	11-08-2022 to 12-08-2022 Laadli Media Event, MANUU,

Mr. Omar Azmi	Best Film/Documentary Award Citation	24th Award CEC-UGC Educational Video Festival
Mr. Obaidullah Raihan	Best Film/Documentary Award Citation	24th Award CEC-UGC Educational Video Festival
Mr. Obaidullah Raihan	Kachare Se Tawanai(Energy From Waste)	14th Prakriti International Documentary Film Festival, Madurai.
Mr. M. Mohammed Ghouse	Tranforming India (Badalta Bharat)	14th Prakriti International Documentary Film Festival, Madurai.

Section V

Student Support Services and Initiatives

Directorate of Admissions

Considering the pace of the growth of the students' enrolment, the 63rd EC resolved to establish a separate "Directorate of Admissions" to deal with all admission related matters in a systematic, transparent, objective and student friendly manner and its repository to be headed by a Director, to be appointed by the Vice-Chancellor. The Office of the Directorate of Admissions established in 2017, is headed by the Director and supported by the Joint Director and Assistant Director along with other supporting staff. Prof. M. Vanaja is currently the Director, Admissions.

Activities of Directorate of Admissions

- Issue of Notifications: The Directorate of Admissions issues notification for entrance and admission into various Ph.D., P.G., U.G and Diploma courses, Certificate and Part time Courses in Regular mode.
- Publicity to reach to the Clientele : Notifications in popular News papers and advertisements /short video clippings in TV channels
- Entrance Examinations: Conducts entrance examinations in coordination with "Controller of Examinations, MANUU to various Ph.D. and P.G., U.G and Diploma courses and after evaluation declare the results along with a rank wise merit list(s) with the help of CIT (Centre for Information Technology-MANUU).
- Counselling: Admission into all the programmes offered by various Departments at Head Quarters, Satellite Campuses and Constituent colleges are made through a centralized Online counselling process.
- Issuance of Identity cards to all the students and staff of the University.

Strategies Adopted for Improving the Enrollments in Various Programmes

- i. Very Nominal application fee (Rs. 550 to Rs.250) and admission fee (Rs. 950 to Rs.660) (No hike in fee for last 5 years).
- ii. 1st semester Tuition fee relaxation for all the female students.
- iii. Tuition fee exemption for PwD category students for all the Semesters.
- iv. 5% relaxation in Qualifying examination/ET /Merit for all SC/ST/OBC/PwD/female students.
- v. School wise help line support to all the admission related quires during application form filling stage.
- vi. For every help desk computer generated complaint raised by the applicant, a reply is given through Dashboard with in 24 hours of the complaint raised.
- vii. With the help of Public Relation Officer, MANUU admission notification is published in the popular newspapers and advertised in the popular TV channels.
- viii. In collaboration with Instructional Media Centre, MANUU Posters / shorts video are designed and distributed for wide publicity of admissions.
- ix. Extensive use of Social media i.e. University Facebook page, Twitter, Whats-app groups, communities, YouTube channel (IMC) are made to reach out the students.
- x. Poster and admission notification (Urdu and English) is being sent to all the recognized Madrasas.
- xi. Alumni contacts are used for wide Publicity.

Best Practices of Directorate of Admissions

- a. Keeping in the view the All India Jurisdiction of the University, the entire admission process is Conducted Online.
- b. The application submission and the document verification of the candidate is online a candidate need not come to Centre even for document verification.
- c. For all the Research programmes the interviews are also conducted online.
- d. Admission / semester fee payments are cashless transactions through online mode(digital payments)
- e. If a candidate wishes to cancel his / her admission with in the notified date by UGC his/her admission fee is refunded to account through which they paid the fee with in 10 working days of receipt of the request/application.
- f. If a candidate pays the admission twice then the duplicate payment made by the candidate is refunded to account through which they paid the fee with in 10 working days after the complaint raised by the candidate.

Office for International Affairs

With reference to the UGC orders D.O.NO.152-8/2020(IC) dated 13th January, 2021 regarding Establishment of an Office for International Affairs (OIA), Prof. Syed Najamul Hasan, Professor Department of Mathematics was appointed as Coordinator, International Affairs vide order No. MANUU/ER-I(B)/F.296/2022-23/941 dated 01st November, 2022.

The University has been accepting students from various countries, including Iran, Yemen, Tajikistan, Bangladesh, Philippines, Ethiopia, Uzbekistan and Japan to promote MANUU's educational mission abroad. The office apart from facilitating admission process, oversee international students' issues, and provides advice and other necessary support to the international students and keeps in touch with respective missions. The Office of International Affairs also coordinates the University's international collaborations in close contact with the University leadership, various faculties and departments.

Examination Branch

The Examination Branch of Maulana Azad National Urdu University (MANUU) conducts Exams for the Regular and Open Distance Learning (ODL) programs. The examination branch is headed by the Controller of Examinations (COE). The Officers/Staff work under the guidance of the Controller of Examinations and have successfully handled all the exam related activities of the University and is contributing to achieve the goals of MANUU. *Dr. Md. Zair Hussain is currently the Controller of Examinations.*

The MANUU examination branch also conducts Entrance Tests (ET) for admission to different programmes of the University every year. In the year 2022, Entrance Tests for thirty four different programmes were conducted for 9529 candidates at exam centres situated in twenty different cities covering 14 States. In addition, examination branch conducted Entrance Test for Bachelor of Education (B.Ed.) for Open and Distance Learning mode. The ET was held at exam centres located at MANUU Headquarter and in campuses of eight MANUU Colleges of Teacher Education in August 2022.

Details on Programme wise and gender wise pass percentage of students in regular mode and distance mode are at *Annexure II (A) and Annexure II(B) and Fig. 13, Fig.14 and Fig. 15.*

Fig.13: Gender wise Performance of Students in the UG Programmes (Regular mode)

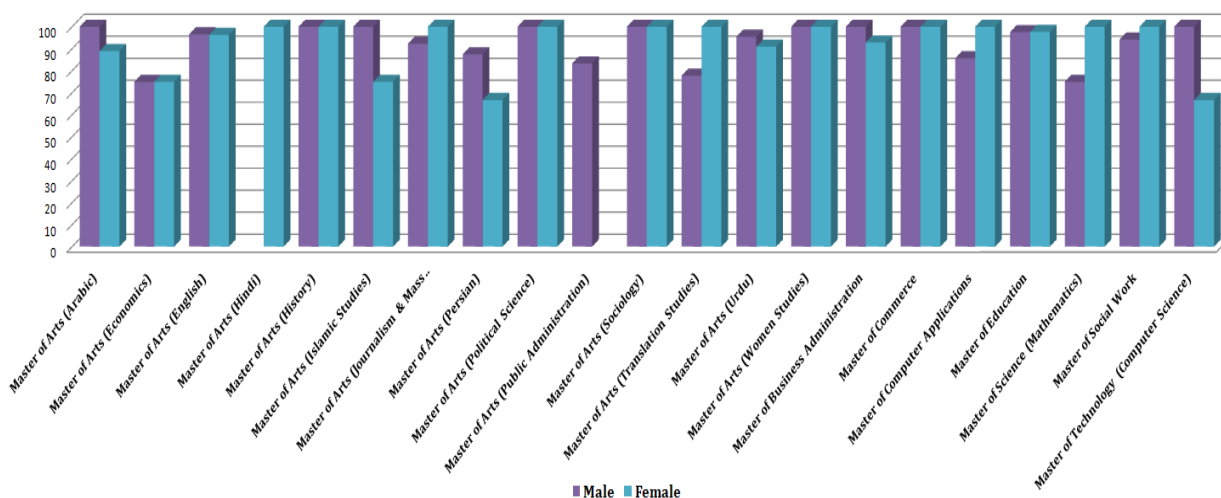

Fig.14: Gender wise Performance of Students in the PG Programmes (Regular mode)

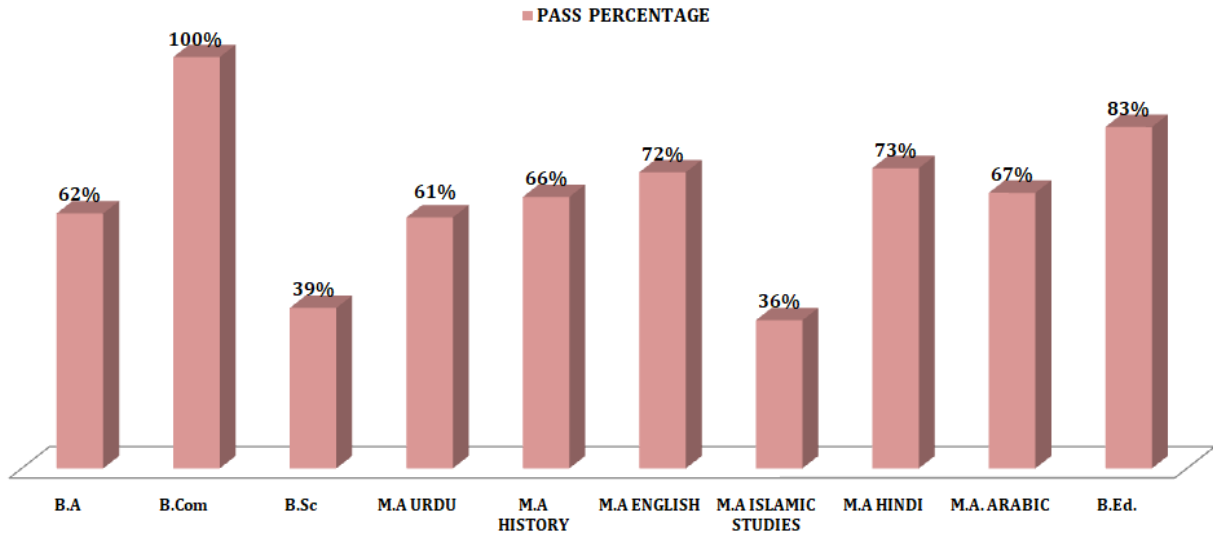

Fig.15: Programme Wise Pass Percentage of Students (Distance Education)

The examinations were conducted in strict adherence to the Academic Calendar 2022-23 notified by the University. The regular mode Odd Semester Exams were held in February-2023 and the Even Semester Exams were held in July-2023. The results were published in an average of 18 days from the last day of scheduled examination. As a best practice, consequent upon conduct of Examinations, the University has laid down rules for examination to display and discuss the answer scripts with the students before declaration of results. This has improved transparency and reduced the number of Grievances drastically.

For the learners of Open and Distance Learning (ODL) mode, the Examination Branch of MANUU has conducted Exams for 14 programmes at 154 exam centres covering 14 States. The details are as follows:

Certificate/Diploma / UG/PG: July/ August-2022, February /March - 2023, June-2023

Bachelor of Education (B.Ed): September -2022, February - 2023, May/June-2023

Academic Bank of Credits

MANUU has registered on the ABC Portal through National Academic Depository (NAD). The Controller of the Examination has been appointed as the Nodal Officer for implementing Academic Bank of Credits. A hyperlink of ABC URL has been created on the University website and the User Manual of ABC has been uploaded on the website for awareness among the students. University has also created bulk ABC IDs. As on date, 2440 students of MANUU have created ABC IDs.

National Academic Depository

University has registered on the NAD Portal on 16th Sept. 2020. The status of data processing as on July 2023 is as follows:

- Total Processed Records: 13908
- Total Processed Mark-sheets: 8514
- Total Processed Diploma Certificates: 1007
- Total Processed Degree Certificates: 4387

Automation

Examination Branch is using the in-house Examination automation Software – Integrated University Management System (IUMS). The students can apply through online to appear for Examinations. All Exam Fees are collected online. Examination Admit Cards / Hall Tickets are issued online. The Results are declared online on <https://manucoe.in/ums/>. Students can download their Mark-sheets online. All the Mark sheets, Consolidated Mark sheets, Provisional Certificates and the Degree Certificates are generated and printed through IUMS. Verification of student’s credentials is done online. However SAMARTH is used for conduct of examinations and processing of results for ODL programmes.

Saiyid Hamid Library

About Saiyid Hamid Library (Central Library)

The Central Library is named after late Mr. Saiyid Hamid, prominent Indian educationist, diplomat and member of Indian Administrative Service. The Library building has an area of 3300 sq. mts., has a state-of-the-art auditorium and holds knowledge resources predominantly related to Urdu, Arabic, Persian, Hindi, Management, Engineering & Technology and allied subjects.

Library Automation and Digitisation

The Central Library of the University is fully automated using KOHA Open Source LMS. KOHA LMS provides access to bibliographic records of all the print books available in the library, full-text of e-books, institutional repositories (using DSpace), other useful resources etc. In addition to the complete catalogue of the central library, catalogue of other departmental libraries and libraries of other campuses may also be searched from the library OPAC (Online Public Access Catalogue). The library OPAC along with hyperlinks to various resources including the institutional repositories may be consulted at <https://library.manuu.edu.in/>

For the convenience of students, staff and faculty, all library transactions are done using the bar codes printed on the University Id Cards. The library has made every effort to incorporate the most recent technology, which is evolving faster than ever before. Since the vast majority of students use mobile devices, the library has made extensive use of QR Codes to save the time of its patrons. The library has placed the following QR Codes in various key locations throughout the library:

For greater transparency and to eradicate human intervention, the overdue penalty is paid directly to the University Account using the first QR Code (PAY HERE) depicted in the image above. Students and faculty can access all subscribed e-resources from remote locations, including satellite campuses/CTEs, etc. The library uses the University's Virtual Private Network (VPN) to provide access to its electronic resources from off-campus locations.

Library Collection

To meet the growing needs for electronic resources and for maintaining highest academic integrity in university publications, various steps were undertaken by the library during the past few years. This includes integration of various print and electronic resources, creation of institutional repositories, digitization of rare books/documents, subscription to some of the finest e-resources like Brill Encyclopaedia of Islam, Times of India archive, Early Arabic Books from the British Library, National Geographic Magazine Archive (1888 to current), NotNul (a database of books in Hindi language), Sage UPSC e-library, e-journal packages, Turnitin (Similarity checking software), etc. Besides these, the library has access to databases provided by INFLIBNET under e-ShodhSindhu. The complete list may be viewed at: <https://manuu.edu.in/University/Centre/Library/Committee/e-Resources>

The library has over 1300 e-book titles of various publishers viz., Cambridge University Press, Oxford University Press, Sage, Elsevier, and Taylor & Francis, Orient Blackswan etc.. MANUU, in collaboration with Rekhta Foundation (a public charitable Trust for promotion of Urdu language, literature and culture, Delhi) digitized its complete rare collection of books and journals. Al-Hilal and Al-Balagh (newspapers published by Maulana Abul Kalam Azad) have also been digitized and are accessible online. The electronic copies of MANUU Question Papers of all courses, convocation speeches of Chief Guests and Vice-Chancellors, Faculty Publications, Al-Kalam (an in-house magazine of the University) *Islami Mutalaat* (a Wall Magazine by the research scholars of Islamic Studies Department), etc. are also available on MANUU institutional repository portal at <https://dspace.library.manuu.edu.in/>

Inter-Library Connectivity

All the departmental libraries and most of the libraries of MANUU Satellite Campuses, Centres of Teacher Education (CTEs) are connected with each other. In addition to the above, the MANUU Library System has access to the union catalogue of Indian libraries (known as INFLIBET-IndCat), Library of Congress CIP, J-Gate (for scholarly content), etc. The full-text of all the Ph.D. theses has been uploaded on Shodhganga.

Workshops/Seminars/Lectures Organised by the Library

December 1: 2022: EPWRF India Time Series Training

A training session for the students of Department of Business Management, Department of Commerce, Department of Political Science, and Department of Economics was organised by the library on December 1, 2022. Conducted by Professor Bipin Deokar of EPW, the programme was attended by more than 100 research scholars and faculty.

July 27, 2022: Dara Shikoh Corner

To mark Silver Jubilee year of MANUU, Dara Shikoh Corner was created in the library. The Corner was inaugurated on July 27, 2022 by Dr. Krishna Gopal, Eminent Scholar, Dara Shikoh Studies. The inauguration took place during a two day National Conference on ‘Dara Shikoh’s Literary and Historical Personality and its Relevance in Present Era’.

On 27th April 2022, MANUU received a rare Urdu Translation of the Holy Book ‘Sukh Sagar’ (Shrimad Bhagwat Puran) donated by Ramula Prahlad Reddy a retired headmaster from Rajapur, Mahbubnagar, and an admirer of Urdu language . He presented the book to MANUU Vice Chancellor, Prof. Syed Ainul Hasan and said only Urdu University can preserve this rare almost 100 year old copy.

January 6, 2023: Library Orientation

Dr. Faisal Mustafa, Assistant Librarian, conducted a library orientation session for the students of the Department of Arabic, MANUU on January 6, 2023. The programme was attended by about 70 students of the Department.

February 3, 2023: Training Programme on the Use of the Capitaline Database

A training programme on the use of the Capitaline database was organised on February 3, 2023, for the students of the Department of Management and Commerce. Dr. Ayesha Sultana, Assistant Librarian and Dr. Mohammad Aadil Khan, Assistant Librarian were coordinator of the programme. About 60 students of the Department of Management and Commerce attended the programme.

May 11, 2023: Author Workshop by Oxford University Press

The Saiyid Hamid Library organised an Author Workshop by Oxford University Press on May 11, 2023. The theme of the workshop was ‘How to Publish with Oxford Journals’. Ms. Sumita Sen, Regional Customer Training & Implementation Manager, South & South East Asia, Middle East & Africa Online Resources & Journals, Oxford University Press, conducted the workshop. The workshop which was conducted in hybrid mode (offline/online) was attended by more than 250 research scholars and faculty members.

Quillbot

May 18, 2023: An online session was conducted on the use of Quillbot. The session was conducted by Quillbot trainer and it was attended by more than 125 students and research scholars.

Workshops/Seminars/Lectures Attended/Delivered by the Library Staff

May 5, 2022: Moderation of a Panel Discussion

Dr. Akhtar Parvez, University Librarian, MANUU, moderated a panel discussion on 'Contemporary Trends and Future of Libraries' during the International Conference on 'Libraries of the Future: Emerging Trends' held at the KIIT University, Bhubaneswar on May 5-7, 2022.

November 24, 2022: One Nation One Subscription Panel Discussion

Dr. Akhtar Parvez, University Librarian, MANUU, moderated a panel discussion on 'One Nation One Subscription' on November 24, 2022 during the International Conference of Asian Libraries held at the Aligarh Muslim University during November 24-26, 2022. The theme of the conference was 'Information, Knowledge & Research: Changing Role of Libraries'.

December 17, 2022: The Checklist: Do we need it in Libraries?

Dr. Akhtar Parvez, University Librarian, MANUU, was invited as a speaker at a workshop on 'Skill Enhancement for the LIS Professionals' organized by the MES's IMCC, Pune, and MANLIBNET on December 17, 2022.

January 9, 2023: Emerging Trends in LIS and Role of Library Support Staff

As keynote speaker, Dr. Akhtar Parvez, University Librarian, MANUU spoke on the 'Emerging Trends in LIS and Role of Library Support Staff' during the '14th Annual National Level Training Program for Library Support Staff' organized by the R. J. College of Arts Science & Commerce, Mumbai.

January 25, 2023: Preparing Libraries for NAAC Inspection

Dr. Akhtar Parvez, University Librarian, MANUU, delivered a talk on 'Preparing Libraries for NAAC Inspection' on January 25, 2023, at the Flame University, Pune. The programme was attended by more than 100 librarians from the state of Maharashtra, Gujarat and Delhi.

April 1, 2023: Stock Verification of Library Books: A Model Approach

Dr. Akhtar Parvez, University Librarian, MANUU, delivered a lecture on 'Stock Verification of Library Books: A Model Approach' on April 1, 2023, during a two-week training programme conducted by Osmania University.

April 25-29, 2023: 'Digital Content Creation, Technologies, Copyright, Licensing, and Rights Management'

Dr. Akhtar Parvez, University Librarian, MANUU delivered an online talk on 'Digital Content Creation, Technologies, Copyright, Licensing, and Rights Management' at the International Workshop on 'Designing Digitally Robust Research Libraries for the 21st Century' jointly organized by AICTE ATAL Academy and Jio University during April 25-29, 2023.

Awards and Recognitions Received

Dr. Akhtar Parvez, University Librarian, Maulana Azad National Urdu University received the prestigious 'SALIS-Dr. Harish Chandra-Sushila Chandra National Best Librarian Award' for his achievements, outstanding contributions, and services to the library & information science profession. The Award was presented to him by the Society for the Advancement of Library and Information Science (SALIS), Coimbatore on October 15, 2022 during the Raja Rammohun Roy Library Foundation lecture, Ministry of Culture, Government of India (RRRLF) sponsored National Conference on

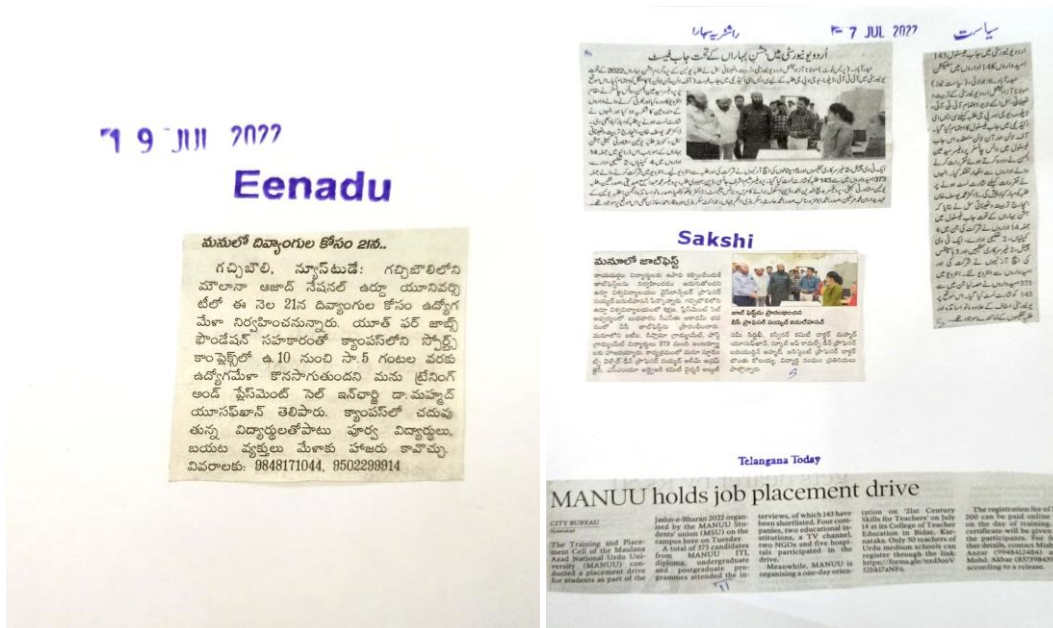

‘Transformation of Learning Resource Centres in the Digital Era’ held at the K.S. Rangaswamy College of Technology, Tamil Nadu.

Training and Placement Cell

Training and Placement Cell (TPC) Maulana Azad National Urdu University is established to train and facilitate students placements. In this regard, TPC conducts employability skills enhancement training sessions, soft skills training sessions, mentorship programmes, and workshops and lectures on placements to prepare students for placements. It provides assistance to all the students of the University so as to excel in their career and self employment as well. TPC is an interface between reputed multinational and national companies, social organisations, institutions, public sector undertakings, media houses and health care industry, and MANUU. Scholarships, financial aid, and merit-based awards are also offered to students through the Placement Cell

The office of the DSW persuaded the two voluntary organizations SEED Foundation, USA and The Quran Foundation, Hyderabad for monetary help of poor students of the University. Accordingly, they provided Merit cum Means scholarship for more than three hundred students of the University.

Press clipping on Placement Initiatives of MANUU- For the physically challenged

Press clipping on the Placement Drives at MANUU

Internal Complaints Committee (ICC)

Maulana Azad National Urdu University, Hyderabad has established Internal Complaints Committee (ICC) in compliance to the Government of India Act and UGC Guidelines. The Internal Complaint Committee (ICC) of MANUU monitors the prevention, prohibition and redressal measures on gender based violence and sexual harassment of women. It adheres to zero tolerance policy for sexual harassment.

During the period 2022-2023, ICC met on several occasions for clearing pending cases if any, deciding on the modalities for creating awareness and organizing events for sensitization etc. Dissemination of ICC contact information was ensured at all the departments, sections and campuses. Posters were put up and flyers distributed. ICC observed the **International Day for Elimination of Violence against Women and Elimination of Discrimination against Women Pakhwada** from 25 Nov - 10 Dec. 2022 across all its campuses.

The Internal Complaints Committee in association with the Department of Women Education and MANUU Drama Club organized awareness and sensitization campaign, several competitions on the theme Violence against Women across all its campuses. Talks, movie screening, skit, musical play and mime were also part of the activities during the campaign period ending on 10 December, 2022. The last day of the campaign was designated as the “**Day of Introspection**”.

The following competitions on the theme **Violence against Women** were organized at the Schools, Polytechnics, CTEs, Satellite Campuses and University Headquarters:

- Slogan Writing
- Poster Presentation
- Short Film/Documentary Film contest
- Photography contest
- Open Mic

Nearly three hundred students participated in various events across different campuses.

The movie *Thappad* directed by Anubhav Sinha and based on domestic violence was screened after the Inaugural Session on 25th November, 2022. It was followed by a discussion on violence against women, discrimination against women, normalization of prejudices against women etc. During the Inaugural Session Dr Ameena Tahseen, Head Department of Women Education made a presentation on the relevance of the 16 Day campaign and on Violence against Women. In the opening remarks Chairperson, Internal Complaints Committee said: “A life of dignity with right to self-respect is all that a woman or a girl wants. Can’t we ensure this much?”

The Registrar, MANUU, Prof. Sk. Ishtiaque Ahmed presided over the Inaugural Session and emphasized the need to be united in the campaign to eliminate violence against women and girls. He stressed on the importance of being sensitive towards any social issue especially related to women. He advised that a harmonious environment should always be encouraged at every workplace be it office, school, college or university and wished that MANUU should come forward to set an example of such campus friendly environment and be the role model for others.

Registrar addressing the gathering at the Inaugural Session (25 -11-2022)

Poster Preparation in progress at CTE, Asansol

The University Drama Club has themed its monthly Open Mic “Ignited Minds” on Violence against Women. Several students participated on the theme and performed mono acting, poetry, elocution and mimicry.

A contestant in the Open Mic event

A section of the audience during Open Mic

The Hon’ble Vice Chancellor, **Prof. Syed Ainul Hasan** presided over the Programme and delivered the Presidential Address. He highlighted the efforts of the University in making all the campuses safe. He reiterated that MANUU strictly adheres to the policy of zero tolerance to violence, discrimination or harassment against women. Two Guest Speakers, Ms. Sunitha, Inspector of Police, Cyberabad Women’s Police Station, Gachibowli and Ms. Jameela Nishat, Founder-Director, Shaheen spoke on *Cyber Stalking and Cyber Abuse against Women* and *Emotional and Mental Violence Against Women*. This was followed by performing arts staged by the students of MANUU:

- Skit: *Aurat* an adaptation of the play *Aurat* by Safdar Hashmi
- Musical Play: *Parinda*
- Mime: *Gudiya*

The last day of the campaign, 10th December, 2022 was designated **Day of Introspection**.

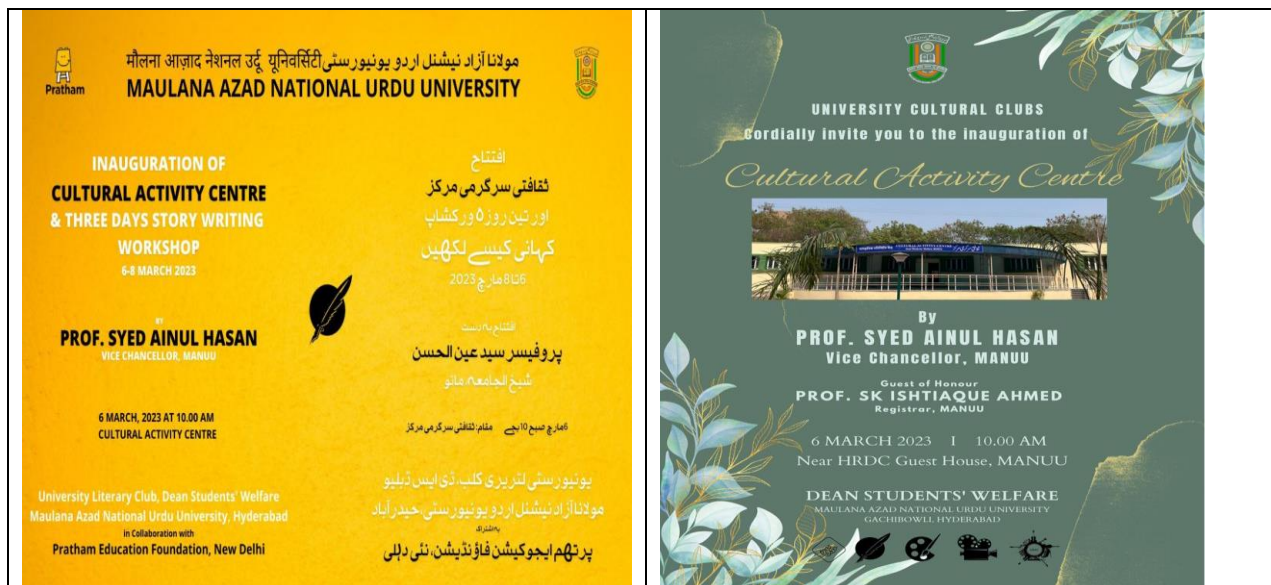

A section of the audience

ICC collaborated with the Department of Women Education to organize the **International Women’s Day from 27 February, 2023 to 8 March, 2023 on the theme Digital “Innovation and technology for Gender Equality.”** Various events were organized by the Department of Women Education and ICC made a presentation on the “Protection of the Rights of Women in Digital Spaces.” Dr Farzana Khan External Member, ICC, Mr. Arif Mohammad Khan, Forensics Expert and Prof. Gulfishaan Habeeb, Chairperson, ICC spoke on the theme and emphasized the need to spread awareness about safety for women and girl students in the digital spaces.

Office of the Dean Students Welfare (DSW)

The Office of DSW oversees welfare activities of the students of MANUU in all its campuses. It guides students towards meaningful studentship and promotes their educational and social welfare. It arranges for guidance to the students on matters pertaining to: organization and development of students’ bodies; career and Psycho-social counselling and guidance facilities; promotion of students’ participation in co-curricular and social activities; facilitation of the student - teacher and student –administration relationships; providing career advice and campus placement; arranging facilities for the students educational tours and excursions, other than those prescribed as part of curriculum; and securing facilities for students for further studies in the country and/or abroad.

Co-curricular activities, Clubs, and Student organizations on Campus

The University has established six student clubs namely *University Literary Club, University Drama Club, University Music Club, University Fine Arts Club, University Film Club and Yuva Tourism Club* for providing the students a platform to exhibit their Talents and also to hone up the skills and build cultural ethos and appreciation and respect for environment and sustainability. These clubs function under the Guidance and Supervision of Dean Students Welfare.

In the year 2022-2023 several programs/collaborative activities were organized by the six clubs which have received awards and recognitions and highly applauded by the student community, Academia, local communities and Industry. Some of the prominent events held are listed in the Table 24 below:

Student Union and Various Committees

MANUU has a elected student council, the MANUU Student Union (MSU). Every year elections are held under the supervision by Dean, Students Welfare. The Newly elected Students' Union: Md Faizan, President; Mohd. Misbah Zafar, Vice-President; Faizan Eqbal, Secretary; Mariya Hidayat, Joint Secretary; and Md. Quiasim, Treasurer; along with the Executive Members, took charge with the oath taking ceremony held on January 17, 2023.

Students are also provided representation in various academic and administrative committees of the University. They are made members of Internal Quality Assurance Cell (IQAC), Internal Complaints Committee, Institutional Student Grievance Redressal Committee, Departmental Student Grievance Redressal Committee and Collegiate Student Grievance Redressal Committee (Satellite Campus, Lucknow).

Health Centre

The University Health Centre was established in the year 2007 with an aim to provide basic and primary Health Care facilities to the University Staff and Students including round the clock emergency service with the aid of in-house staff on campus. The Health Centre ensures quality control in all aspects of Health care delivery system especially by regular drug sampling and analysis by means of 'Random Analysis'. The Centre is well equipped. The Centre is headed by In-Charge, Health Centre and a Medical Officer with a team of Doctors and Health Care Professionals viz., Pharmacist, Lab Technician, X-Ray technician and Staff Nurses.

Outreach Activities of Health Centre

Health Centre has conducted blood donation camps in coordination with NSS.

Conducted Eye Camp and Cardiology camp in coordination with Hospital Empanelment committee.

Provost Office

MANUU has four Boys hostels and Two Girls Hostels at Hyderabad Campus along with an International hostel at Mother Teresa Guest House. The office of the Provost manages the hostel affairs with the help of Hostel Wardens and Hostel Caretakers. MANUU appointed two Provosts, one for Girls' Hostels and one for Boys' Hostels. The powers and functions of the Provosts of the University include supervision of the University hostels in matters relating to the hostels' overall functioning, the resident-students' welfare and discipline.

Each Hostel has three designated Hostel Wardens with specified responsibilities that includes general Administration of Hostel, Hostel Mess and Hostel residents Health, Hygiene and Recreation There is a Deputy Provost and Warden for the International Hostel. The boarders of Hostels and Hostel affairs is governed through “University Hostels Manual”.

The Hostels have facilities like - Common Room, Reading Room and Dining Hall facility with appropriate facilities like the ramp and separate washroom facilities for disabled students. Due to limited accommodation facility in the Hostels, the criteria for allotment of hostel facility is decided by the Hostel Seat Allotment Committee (HSAC) keeping in mind the students socio-economic background. The Hostels have well defined mechanism for the Grievance redressal of the students. The Hostel Administration promotes sports, literary and cultural activities To promote self-governance there are student Secretaries for each activity like -Sports Secretary, Literary and Cultural Secretary, Reading Room Secretaries, Common Room Secretaries etc.

To minimise the consumption of Gas, consumables and Mess Bills, a Centralized/Base Kitchen and Mess has been developed for all the Boys Hostels. The modern equipment like steam boilers of Rice/Daal and Idly and semi Chapati making are used for preparing the food. It is ensured that Mess Staff follow strict hygienic condition while preparing and serving the food. The commercial RO water treatment plants along with water coolers are provided at each Hostel for safe drinking water To avoid long ques at the Banks for paying the monthly Mess bills, the Boys Hostels have been provided POS/Swipe Machine.

The Offices of Provost encourage and inculcate sports, literary, cultural and other activities to promote inter-hostel activities. Every Year an “Annual Hostel Celebration” is organized in which one week inter-hostel competition of sports, Literary and cultural activities are held and on the last day of the event, students present a cultural programme.

Proctor's Office

The post of Proctor was created as per the MANUU Act. The main objective of the Proctor Office is to maintain law and order in the University campus especially among students. The Proctor Office looks after the matters related with the discipline among students. The Proctor Office works on two main aspects 1) counselling of the students, and 2) Solving of students' problems. Most of the problems which were addressed during 2022-2023, were related to the hostel, mess, health, scholarship, Urdu Academy scholarship cheques, clash with local people/shopkeepers, and dissatisfaction with the actions of the local police in resolving various issues etc.

Office of the Dean Alumni

In the process branding MANUU on the world education map, the role of alumni is vital. The office of the Dean, Alumni is expected to develop a linkage between the University and its Alumni by Creating its Network. The vision and mission of the office is to facilitate and provide opportunities for an interface between the University and alumni to remain connected and help them on an ongoing basis in their various endeavors.

All present and past students from across the academic programs and campuses shall be integral part of the network. MANUU Alumni Association (MAA), has been actively engaged in the developmental and academic activities of the University and have continued access to the various facilities of the University. A comprehensive and dynamic database of the Alumni is envisioned for an effective communication link by the Office of Dean Alumni, MANUU.

Alumni Engagement, Support, Initiatives and Activities

The office of the Dean Alumni affairs, MANUU organised a Seminar titled **“Education through Urdu medium is the secret of our success”** in association with MANUU Alumni Association (MAA) on 27th Nov, 2021 at CPDUMT auditorium, MANUU.

“Urdu Job Mela” for MANUU Alumni and Students- Continued Support beyond the Campus

The office of Dean Alumni and the Training and Placement cell of MANUU conducted an **“Urdu Job Mela”** on 18th April, 2022 at MANUU Campus for MANUU Alumni. Many client companies /MNCs took part in the Placement drive.

Felicitatation of Alumni and Former Faculty of MANUU on Silver Jubilee Foundation Day Celebrations

Delivering foundation lecture to mark the 26th Foundation Day celebrations of MANUU, Prof. A.M. Pathan, Former Vice-Chancellor of MANUU said **“MANUU has made a name for itself as a premier Urdu related institution of national importance and it tries to provide modern education and skills in Urdu language to Lakhs of learners”**.

“Urdu Job Mela” for MANUU Alumni and Students Continued Support beyond the Campus

Felicitatation of Former V.C. of MANUU on Silver Jubilee Foundation Day Celebrations

On the occasion of 26th MANUU Silver Jubilee Foundation Day which was celebrated on 9th Jan, 2023 @ DDE Auditorium, MANUU, felicitated outstanding alumni as a Young Alumnus of Honor for significant academic contribution.

MANUU Alumni - Dr. Sajaudeen Nijmaodeen Chapparban, Sr. Assistant Professor, Centre for Diaspora Studies at the Central University of Gujarat, Dr. Muzamil Ahmed Baba, Assistant Professor, Institute of Public Enterprise, Hyderabad, Mr. Mir Ehsan Ali, Urdu Officer, Grade II, District Collectorate Vikarabad, Govt. of Telangana, Dr. Mohd. Abdul Aleem, Assistant Professor (Contractual) DDE, MANUU, Dr. Md. Afsar Ali Raeni, Lecturer, Govt. Polytechnic, Ghaziabad were also felicitated on the occasion. The Alumni encouraged students by sharing their views about the education and friendly academic environment which they got in MANUU.

The office of the Dean Alumni Affairs, MANUU in collaboration with Central Public School, Khilwat, Hyderabad, and in association with MANUU Alumni Association (MAA) organized a Cultural Programme “Eik Mehfil Urdu ke Naam” on 21st Jan, 2023 at DDE auditorium, MANUU Campus.

Mr. Zafar Ullah Faheem, Director, Central Public School, Mr. Ejaz Ali Qureshi, President, MANUU Alumni Association (MAA), Prof. Syed Najamul Hassan, Coordinator, Dean Alumni Affairs, MANUU and Dr. Mustafa Ali Sarwari, Associate Professor, Department. Of Mass Communication & Journalism, MANUU addressed the participants.

Cultural Programme “Eik Mehfil Urdu ke Naam” 21st Jan, 2023

Student Counselling and Career Guidance by MANUU Alumni Association (MAA)

A representative delegation of MANUU Alumni Association (MAA) met Vice Chancellor Prof. Syed Aainul Hasan and requested the foreword of the book “**Shaheen Urdu**” compiled by the MANUU Students Union and Alumni Association. A Web-Page on MANUU website with <https://manuu.edu.in/University/Alumni> link, where, relevant materials of twelve thousand pages have been uploaded by the Alumni for use by MANUU students and others. The delegation of MANUU Alumni Association led by Mr. Ajaz Qureshi, president of MANUU Alumni Association. Mr. Ayub Khan, joint secretary also requested Vice Chancellor to establish a Degree College in Hyderabad city and offer a Course in Greek.

Section VI

Outreach and Extension Activities

Glimpses of Community Engagement Initiatives and Outreach Programs of MANUU

Activities of NSS Cell

Established in 2011, the NSS Cell of Maulana Azad National Urdu University (MANUU) aims at honing the personality of student volunteers through a series of regular activities which are undertaken both within the campus and outside it in the form of special camps. With the motto "NOT ME BUT YOU", the NSS Cell invites volunteers for all-around personality development through community service, group interactions, awareness generation programs, group training, and leadership training programs. NSS Cell, MANUU has been very vibrant and active with three units (two regular and self-finance) of 100 volunteers each. Dr. Mohammad Fariyad, Professor of Mass Communication and Journalism, is the Program Coordinator, and Mr. B. Bikshapathi is the Program Officers of the NSS Cell.

The NSS Cell conducts regular weekly meetings of volunteers on every Friday to discuss the regular plan of action. Students' orientation to community service, blood donation camps, awareness and sensitization programs in and outside the campus, village adoption, youth exchange, and summer internship are major activities of the NSS Cell. Besides, these the NSS Cell organized important events and programs like International Day of Non-Violence, International Day of Yoga, National Voters Day, World Environment Day, Anti Terrorism Day, Swachata Pakwada, Azad Day, and other programs as per the directives of the Government of India initiatives. The University also offers NSS as 2 credit non-CGPA course to the students

A Brief of the Major Activities undertaken by the NSS Cell of MANUU

Blood Donation Camps

Blood donation is a crucial annual activity of NSS Cell, MANUU. The Cell primarily caters to hospitals within the city. The NSS has networked with Sri Kara Hospital Blood Centre Hyderabad, for organizing the blood donation camp on 10th November 2022. Around 187 units of blood has been donated. In addition, the NSS has its own **Club of Blood Donors**. On various occasions, NSS volunteers and staff of the University donated blood to needy patients from within the University and outside. The Blood Donation Club members serve 24x7x365 catering to the emergency needs of the commoner.

International Day of Yoga

On the 21st of June every year, MANUU observes the International Day of Yoga. In the event, held during June 21st 2022, at the Indoor stadium MANUU, NSS Cell invited resource persons from various Institutions and trained students and staff members in practicing yoga in their daily life and explained the benefits of Yoga for being physically and mentally fit.

The program started with the motivational speech of Prof. Syed Ainul Hasan, Honorable VC, MANUU who instructed the concerned to organize such a program on a regular basis during academic sessions for the larger interest and benefit of the students. It was also opined by the Chair that sound health with a sound mind will deliver better results and contribute to good nation-building. The session was followed by Lecture-cum-Demonstration by Dr. Ashwini Kumar, Associate professor of School of Education and Training. The yoga committee Coordinator, Assistant Professor Firdaus Tabassum, School of Education and Training, Deputy Director of Physical sports education, Kalimullah and other senior faculty members, administrative officers, ITI Instructors, other staff, and students were also present apart from all members of the International Day of Yoga Organizing Committee and participants.

15 Days Workshop on Yoga

On the occasion of the International Day of Yoga, a 15 days workshop on yoga was organized. The workshop was inaugurated by the Honorable VC, Prof. Syed Ainul Hasan MANUU. A large number of students, teaching and non-teaching staff participated in this workshop. A high-level organizing committee was constituted by the University authorities for the program in view of its benefits for its stakeholders. The International Day of Yoga organizing committee was formed and Prof. Mohammad Fariyad Coordinator of NSS as Chairman and Senior academicians and administrative officers as members. Dr. Firdaus Tabassum and Dr. Ashvini coordinated the activities of the committee.

Rashtriya Ekta Saptah

On the eve of the Birthday of “Sardar Vallabhai Patel” N.S.S. Cell, Maulana Azad National Urdu University, Hyderabad organized the “Run for Unity” from October 31st to November 6th, 2022. A large number of students and University staff participated in these events.

National Voter's Day

NSS Cell has been organizing National Voter's Day every year on the 25th of January. During the reporting years a large number of volunteers, students, and staff from the teaching and non-teaching community participated. The Programme began with an introductory note by Prof. Mohammad Fariyad, Programme Coordinator, NSS. He highlighted the importance of the participation of citizens in democratic processes and registering as voters. All the participants took the "Pledge" of National Voters Day.

World Environment Day

The environment is a top priority of our time. The NSS Cell of MANUU engages its volunteers in various environment-related activities, including observing World Environment Day. The NSS Cell organized the World Environment Day program on 05th June 2022 at the University campus. While celebrating World Environment Day in sync with the world community, NSS volunteers, staff members, students, and the teaching fraternity not only expressed their concerns regarding global environmental degradation but also proposed small measures that can have a lasting positive impact on the environment. Concepts like planting saplings, gardening, rainwater harvesting, water conservation, no-to-plastic, etc. were discussed. Participants included students, volunteers, and staff from across the departments planted saplings and soiled themselves in gardening. NSS Programme Coordinator, Prof. Mohammad Fariyad along with his NSS colleagues organized the event successfully. Prof. Fariyad reminded the participants on the importance of protection and care of nature and natural resources and the return we get of it. He stressed on judicious use of natural resources, be it water, wood, food, or any other mundane goods that come from nature.

International Water Day

NSS Cell has been organizing National Water Day every year on 22nd March. On this day NSS volunteers sensitize and create awareness among the people on saving Water and its benefits, in the nearby communities. On 22-03-2023, the International Water Day a save water Awareness Rally was organised. The rally went through the vegetable market, L&T colony, NITHM, and Telecom Nagar and within the campus. A large number of students, staff, and other associates took part in the rally. Banners, standees, and posters were displayed at different places on campuses and nearby Communities.

After the rally various programs were held in the open-air theatre. Mr. Siddharth Kumar, Regional Director, Central Ground Water Board, Department of Energy, Government of India was Chief Guest. A program on the United Nations Sustainable Development Goals, Nukkad Natak by MANUU Drama Club, and a discussion forum for students to express their views on World Water Day 2023 were organised. Video clips on save water made by NSS volunteers were also viewed during the programme.

Anti-Terrorism Day

NSS Cell of MANUU observed Anti-Terrorism Day on 21st May 2022. Anti-Terrorism Day is observed throughout the country on the 21st of May every year. The day was marked by a pledge-taking ceremony. In this program, students from across the departments along with staff members from the teaching and non-teaching community of MANUU took a “Pledge”. While remembering recent acts of terrorism on Indian soil, participants condemned such heinous acts of cowardice and terrorism. NSS Programme Coordinator Prof. Fariyad told participants that the objective behind observing Anti-Terrorism Day is to bring awareness among students and youth regarding terrorism and violence, and the damage it does to life, property, and the country.

As part of the program, an informal discussion was organized urging participants to express their views and opinions on terrorism and violence. It emerged from the discussion that violence in any form must not be tolerated, may it be domestic violence, sexual harassment, bullying, online abuse, or terrorism. At the same time, it was proposed that students from primary classes itself must be sensitized about these topics for a healthy and safe India. Also it was proposed that teachings of non-violence be imparted to young minds.

Har Ghar Tiranga Drive

The NCC sub-unit of Telangana state at Maulana Azad National Urdu University Arty Bty along with NSS Cell organized a Tiranga Yatra at the historic Charminar. The objective of the Yatra is to celebrate India's 75 years of Independence under the program of "Azadi ka Amrit Mahotsav" and 'Har Ghar Tiranga' campaign launched by the Central government. Prof. Mohammad Fariyad, Dr. Mohammad Yousuf Khan, Prof. Shakeel Ahmad, Dr. M.A. Sikandar, Dr. Iqbal Khan, Dr. Danish Khan, Lieutenant Mohd. Abdul Mujeeb and MIM corporator Mahmood Quadri along with NCC cadets and NSS volunteers participated the rally.

Rangoli Competition on The Occasion of Makar Sankranti

To celebrate Sankranti as part of "Ek Bharat, Shreshtha Bharat," a Rangoli Competition was held on January 16, 2023, under the supervision of Prof. Mohammad Fariyad, Chairman, Social Responsibility and Extension Activities Committee and NSS Coordinator. NSS Volunteers, MANUU, non teaching staff, and students participated in the competition. Prof. M. Vanaja judged the competition. Prof. Syed Ainul Hasan VC, MANUU distributed prizes to the winners of the rangoli competition.

Manuu NCC Sub-Unit 1(T) Arty Bty Activities

NCC Coordinator	Prof. Mohammad Fariyad Dean & Head Dept of Mass communication and Journalism
Associate NCC Officer	Lt. M.A. Mujeeb, MANUU Polytechnic, Hyderabad

National Cadet Corps (NCC) 1 (Telangana) Artillery Bty was raised in MANUU on 26th August, 2019 with a strength of 100 Senior Division/Senior Wing for boys and girls. The following activities were carried out by the MANUU NCC Sub-Unit during the year 2022-23:-

Mr. M.A. Mujeeb was granted Commission as Lieutenant and his appointment as Associate NCC Officer in MANUU NCC Sub-Unit was approved by the Directorate General, NCC, New Delhi.

- On 10th August our NCC Cadets had participated for Independence Day tree plantation program at bio Diversity Park.
- On 11th August MANUU NCC cadets have participated in a Tiranga Rally at Charminar.
- On 15th September , ten MANUU NCC Cadets participated in RDC selections
- On 23rd September, two NCC Cadets (SAAD SARWAR AND SEIKH GULBAZ) have participated for inter group camp for RDC at Golconda artillery centre.
- On 8th October our NCC cadets participated in fit India run at MANUU campus.

- On 10th October, ten cadets went for army attachment camp at Secunderabad.
- On October 22nd MANUU NCC cadets participated simulation firing practice at 3(T) BN NCC Secunderabad.
- On October 29th MANUU NCC cadets participated in unity run.
- On 5th November Deeksharamb program was conducted at CPDUMT Auditorium.
- On 10th October Ten MANUU ,NCC cadets participated Army Attachment camp at 22 MED REGT
- On 10th November new enrolment was conducted at MANUU play ground by the army officer. Total 36 cadets were enrolled in MANUU NCC.
- On 13th November NCC Cadets have participated a blood donation camp at MANUU Health centre on the occasion of Azad day.
- On 26th November all cadets have participated for blood donation camp and on the same day all the cadets have participated for the Swachh Bharat Abhiyan at Osmania University.
- On 26th January all the NCC Cadets who were newly enrolled and the senior cadet have participated in republic day parade at MANUU admin building.
- On 3rd February all the NCC Cadets have gone for drill test at BTG Ground Secunderabad for their B certificate exam.
- On 5th February all the Cadets had appeared for their B Certificate final exam.
- On 22nd march all the NCC cadets have participated for world water day rally which was from MANUU to Bio Diversity Park.
- On 13th May 2023, the MANUU NCC sub-unit [1(Telangana) Arty Bty Hyderabad Group has carried out two promotional activities as part of G20
- SGT Shahbaz Manzoor participated 5K Run at Necklace Road, Hyderabad
- On 9th June piping ceremony was held at Honourable vice chancellor office and the rank was given by VC sir to following cadets.

Quazi Gulam Sarwer(SUO), Saad Sarwar(JUO), Mokarram Husain(JUO) Shahbaz Manzoor,(CPL) Shahbaz(CPL), Syeda Sufiya Rukhsar(SGT), Shama Parween(SGT), Benzar Anjum(SGT), Rahil(CQM), Saheen(CPL), Masoom Reza(CPL), Zaid Akram(CPL)Md Izhar(CPL), Md Yasin Alam(CPL)

- On 12th June fifteen NCC Cadet have performed an act on the occasion of Jasn-e-Baharan at open air theatre.
- Out of the 49 second batch cadets, 38 cadets had appeared in the NCC 'B' Certificate Examinations after attending one-week Annual Training Camp in June, 2022 at ARTY Centre Golconda and 38 cadets passed the B certificate examination.
- 8 First batch Cadets passed the C certificate Examination in 2022
- During the year 2022-23, 30 more students (21boys and 9 girls) were enrolled in the MANUU NCC

Impact Assessment of Community Outreach Activities

The CSSEIP has adopted a village called Aloor in Chevella Mandal of Rangareddy district in Telangana state. Objectives of the programme involves undertaking a baseline survey covering the socio-economic, cultural and historical aspects of the village and mapping out the occupations and livelihood systems among the village communities in the selected village. Secondly sensitization of the village masses, women and educated youth building awareness among them about the various schemes and programmes sponsored by the Central Government and State Government of Telangana state to make them access the programmes. Thirdly sensitising the elected representatives of local bodies belonging to the weaker sections educating to outreach the offices and the equipment and the schemes promoting them to take those schemes to the masses belonging to their respective communities.

The CSSEIP staff and other collaborating units/departments of the University have paid frequent visits to the villages, collected the data visiting each household-with the help of key informants identified from amongst the villagers. The data has been compiled and brought out into this small report entitled, "A Baseline Study on Socio-economic and Educational Profile of Aloor Village.

Section VII

Infrastructure Development

Maulana Azad National Urdu University, Gachibowli, Hyderabad is a green campus with several environmental friendly practices in place. This stimulates the promotion of sustainable and eco-friendly practices in the campus. Some of the green campus initiatives at MANUU are as follows:

- I. 100KWp Solar power plant
- II. 27100 LPD Solar water heaters
- III. Save energy circulars and Paper free initiatives
- IV. Conversion from conventional lighting to energy efficient LEDs
- V. Rain water harvesting
- VI. Sewerage treatment plant and Water recycling
- VII. Osmania Central Park and green campus initiatives
- VIII. Electric vehicle for campusride
- IX. Pedestrian friendly pathways
- X. Well preserved and maintained Deccan Rocky terrain

I) 100 KWp Solar Power Plant

Government of India is developing and encouraging the solar projects all over India under several green initiatives. As part of this, MANUU has set up an on grid solar photo voltaic 100kWp Roof Top Power Plant with net metering on its IK Gujral Administrative Building at Gachibowli, Hyderabad which is spread over an approximate area of 1500 Sq mtr. The 100kWp plant consist 300Nos of 330KWp Solar Panels (with 17.10% module efficiency), 1No Inverter and a changeover switch. The generated solar power was connected to the LT bus bar in MV distribution panel at substation.

II) 27,100 LPD Solar Water Heaters

<i>S.No.</i>	<i>Particulars of Solar water Heating System</i>	<i>Capacity (LPD)</i>	<i>Year of Installation</i>
1	VC Lodge	500	2007
2	Old Guest House	500	2007

14	Boys Hostel-2	2500	
15	Boys Hostel-2	2500	
16	Boys Hostel-2	2500	
	Total Capacity(LPD)	27100	
*LPD- Litre Per day			

III) Save Energy Circulars and Paper Free Initiatives

The University has displayed and circulated numerous energy and water saving posters which are essentially pasted near vicinity of power points and water dispensing areas. Further, several notices/circulars were issued and circulated internally to utilize the electric power in an efficient manner without effecting the working capacity of all the offices. Further, the practices like, re-use of one-sided paper for notes, sketches, rough work, rough printouts, etc.; cashless transactions, and utilizing multi user printer at central administrative locations of the Institute office aims at reducing the use of paper.

IV) Conversion from Conventional Lighting to Energy Efficient LED's

The University has replaced the conventional luminaries to LED. The conventional luminaries of around 150kWatts were replaced with LED luminaries of 70kWatts phase wise and saved around 80k Watts of power load. Further, the University is replacing worn out luminaries into LEDs as part of maintenance. Subsequently, over the period, all the luminaries shall be converted to high efficiency LED luminaries. The university is enjoying the following benefits by LED conversion:

1. Durability.
2. Energy efficiency.
3. High brightness and intensity.
4. Exceptional colour range.
5. Low radiated heat.
6. Reliability.
7. Instantaneous illumination &
8. Directional lighting.

V) Rain Water Harvesting

The University is facilitated with rain water harvesting pits at strategic locations for catchment of rain water and maintain the ground water level, and efficient utilization of ground water. Further, the University has rejuvenated the "Salim Ali Pond" as a part of the of rain water harvesting system in campus. The "Khajaguda Lake" which falls as the south east neighbour for MANUU estate serves the water source for horticultural purposes. The demand of non potable water in MANUU campus is being met from this lake through the "Harithahaaram" pump sets. This water inturn recharges the water table of MANUU premises.

National Water Award 2022

MANUU clinched the prestigious 4th National Water Award 2022 in the Category of Best Institution for Campus Usage for Water Management and got second prize for Water Conservation. Shri. Gajendra Singh Shekhawat, Cabinet Minister for Jal Shakti and Shri. Bishweshwar Tudu, Minister of State for Jal Shakti, Government of India, presented the award to Prof. Syed Ainul Hasan, Vice Chancellor, in a ceremony held on June 17, 2023, at Vigyan Bhawan, New Delhi. The Award Function was inaugurated by Shri Jagdeep

Dhankhar, Honble Vice President of India. Prof. Shakeel Ahmed, Chairman, Jal Shakti Committee and Prof. Mohammad Fariyad, Convener, accompanied the Vice-Chancellor.

VI) Sewerage Treatment Plant

The University is facilitated with two, 100 KLD sewerage treatment plants in the Gachibowli campus, Hyderabad. The STP-01 was configured with MBBR technology which treats the sewerage generated from the premises of Girls Hostel-I and Hostel II and LQ and PQ Staff quarters. The STP-02 is an Electrolytic reactor type system which was designated for treating the sewerage generated from the premises of Boys hostel I and II.

VII) Osmania Central Park and Gardening across the Scattered Academic Buildings in the Campus

The MANUU was awarded the first prize in 7th Garden Festival conducted by Directorate of Horticulture, Government of Telangana. The University is spread over 200 acres and more than 30% of the area is covered by green vegetation (which includes herbs, shrubs and trees of various categories) due to its rich flora and fauna, the University is an eco-friendly Campus. A plant nursery is also maintained in the University and Social Forestry Services of State Government are also utilized for seasonal plantation and re-plantation with the help of Engineering Section, MANUU. The Lush green campus of the University enriched with 12,631 Shrubs, approximately 2,500 trees and fine grassing area of 15.14 acres.

Gold Garden Award

MANUU received First Prize for maintaining greenery in the 7th Garden Festival and 1st Urban Farming Festival, organized by the Department of Horticulture, Government of Telangana (GoT). The Chief Guest, Sri S. Niranjan Reddy, Minister for Agriculture and Horticulture, Telangana, handed over the Gold Garden Award and Certificate to Mr. S. Nageswara Reddy, Executive Engineer, MANUU, in a ceremony held on April 15, 2023, at the Public Gardens, Hyderabad. Mr. Syed Abdul Qadeer, Horticulture Supervisor, accompanied him.

VIII) Electric Vehicle for Campus Ride

The University has electric battery-operated vehicle kept ready for use of in-house transport. With this initiative, MANUU adopted a green culture and also promotes greener ecosystem along with providing a pollution-free atmosphere to the residents inside the campus. With the utilization of electric vehicles inside the campus, MANUU is looking forward to going one step ahead on lines with the Govt of India and is working aggressively in promoting new and renewable sources of energy.

IX) Pedestrian Friendly Pathways and Roads

MANUU campus has tiles paved on the pathways making it pedestrian friendly enabling smooth commuting of stake holders of the University. These roads are maintained on regular basis for keeping them free of potholes, mud, dust and any other vegetation growth. On either side of the roads, proper concrete boundaries are made and painted which upgrades the beauty of the MANUU campus and keeps the pathways safe for use both Young and Elderly as well as physically disabled.

Section VIII

University Governance

MANUU through its academic and administrative governance strive to achieve transparency, ease of doing work, and accessibility to all the concerned. The Administration consists of the Secretariat of the Vice Chancellor, Pro Vice Chancellor and Registrar. The details of the composition of Executive Council, Academic Council and Finance Committee are at Annexure I (A), (B) and (C).

Office of the Registrar

The Registrar of the University is the custodian of the records, the common seal and such other property of the University as decided by the Executive Council. The Registrar is the ex-officio secretary of the Executive Council and the Academic Council. The Registrar issues all notices convening meetings of the Executive Council, the Academic Council, and any Committees appointed by those authorities. Registrar supplies to the Visitor, copies of the agenda of the meetings of the authorities of the University as soon as they are issued; and the minutes of such meetings. The Registrar represents the University in suits or proceedings by or against the University, and signs power of attorney and verifies pleadings or deposes his representative for the purpose.

The following sections assist the Registrar's office to carry out the academic and administrative duties assigned to the Registrar: Establishment & Recruitment Cell (ER-I), Establishment & Recruitment Cell (ER-II), Planning and Development Cell, Estate, Campus Development & Engineering Section, Purchase and Store Section, Internal Audit Office, Public Relation Office, Chief Vigilance Office etc.

The responsibilities and functions of some of the important administrative and academic sections of the University are presented below:

Academic Section

The Academic Section deals with all the academic matters. It also prepares Academic Calendar with the help of all the Schools of Studies and institutions of the University. The Academic Section conducts Academic Council meetings, and looks after the tasks of School Boards, and Boards of Studies of all the Departments in accordance with the Statutes and Ordinances of the University with due approval of the Competent Authority.

To fulfil academic endeavours of the University, the Academic Section in coordination with the Centre for Information Technology and Examination Branch has been instrumental and supportive in implementation of Choice Based Credit System (CBCS) and incorporation of MOOCs as Non-CGPA Credit Course to enhance the value addition to the academic programmes offered by various departments of the University.

The Academic section is responsible for issue of Admission Notification, Preparation of Almanac, Coordinate preparation of Prospectus-cum-Application Form for admission to Regular Programmes, processing issues relating to Equivalence of courses, coordinating with BoS & School Boards for organizing meetings, Organizing National and International seminars /conferences / workshops Co-ordination of Major & Minor Research Projects, National & State Govt. Scholarships, Non-NET Fellowship, JRF/MANF/RGNF, NFST & NFSOBC, Co-ordination with all the Departments / Centres of Head Quarter and Satellite Campuses for Academic activities, Pursing of Memorandum of Understanding with Institutions /other Universities /Industries etc.

Major Decisions taken in the 45th (23-06-2022), 46th (28-10-2022) and 47th (11-04-2023) Academic Council Meeting

- In the 45th Academic Council meeting held on 23.06.2022, the Academic Council resolved to adopt the UGC (Academic Collaboration between Indian and Foreign Higher Educational Institutions to offer Twinning, Joint Degree and Dual Degree Programmes Regulations 2022) dated 2nd May 2022 in the light of NEP 2020.
- In the 46th Academic Council meeting held on 28.10.2022, the Academic Council ratified the MoU entered by MANUU with the University of Raparin, Iraqi Kurdistan Region.
- In the 46th Academic Council meeting held on 28.10.2022, the Academic Council ratified the Memorandum of Agreement between H. K. Sherwani Centre for Deccan Studies, MANUU and Ms. Aliya Khalidi, D/o Late Dr. Omar Khalidi to transfer of books from U.S to India.
- In the 46th Academic Council meeting held on 28.10.2022, the Academic Council noted that MANUU has entered three Grand Challenges under the Glue Grant Scheme
 - Clean Air and Potable Water
 - Quality Education, Livelihood and Creative Opportunities
 - Disaster and Climate Resilience
- In the 46th Academic Council meeting held on 28.10.2022, the Academic Council resolved to approve the introduction of 4 Year Integrated B.A. B.Ed., B.Sc. B.Ed., and B.Com. B.Ed., in the Department of Education and Training in the University main Campus.
- In the 46th Academic Council meeting held on 28.10.2022, the Academic Council resolved to consider the proposal of Introduction of Ph.D. (Education) Part Time Programmes in sponsored Self-Financing Mode from Winter Session 2022.
- In the 46th Academic Council meeting held on 28.10.2022, the Academic Council considered to adopt the guidelines for pursuing two academic programmes simultaneously as per UGC circular vide D.O.No. 1-6/2007(CPP-II)(New) dated 13th April 2022.
- In the 46th Academic Council meeting held on 28.10.2022, the Academic Council resolved to consider offering M.A. Legal studies Programme in the Department of Public Administration.
- In the 46th Academic Council meeting held on 28.10.2022, the Academic Council resolved to consider the introduction of Certificate Course of one semester and Diploma course of two semesters in Fashion and Interior Designing at MANUU Headquarters and Certificate course in Art/ Painting at MANUU Lucknow Campus.
- In the 47th Academic Council meeting held on 11.04.2023, the Academic Council ratified the MoUs entered by MANUU with Jamia Hospital, Varanasi Uttar Pradesh, and Society for Indian Ocean Studies, New Delhi, White Nile University, Sudan, Indian Institute of Technology, Hyderabad.
- In the 47th Academic Council meeting held on 11.04.2023, the Academic Council considered the Introduction of Master of Technology (M.Tech) - CSE (Artificial Intelligence and Machine Learning), part time program under sponsored/ self-finance mode in Dept. of Computer Science and Information Technology from the academic year 2023-2024.
- In the 47th Academic Council meeting held on 11.04.2023, the Academic Council considered the introduction of Ph.D. in Self-financing mode in the :

- Department of Mass Communication & Journalism
 - Department of Political Scienc,
 - Department of Social Work
 - Department of History
 - Department of Economics
- In the 47th Academic Council meeting held on 11.04.2023, the Academic Council considered the Implementation of 4-year Undergraduate Programme under NEP. In all the Schools of studies.
- In the 47th Academic Council meeting held on 11.04.2023, the Academic Council considered the Introduction of M. Sc. (two year) programme (in Physics, Chemistry, Botany, Zoology Section from the academic session 2023-2024.
- In the 47th Academic Council meeting held on 11.04.2023, the Academic Council considered the Introduction of Self Finance M.Voc. Programme in MLT & MIT
- M.Voc MLT with specialization – **Pathology, Microbiology, Biochemistry**
 - M.Voc MIT with specialization - **Nuclear Medicine, Ultrasound Technology, CT&MRI Technology**
- In the 47th Academic Council meeting held on 11.04.2023, the Academic Council considered the Introduction of B.Ed. Special Education at CTE-Bhopal from the Academic Year 2024-2025 subject to recognition by Rehabilitation Council of India (RCI) and approval of UGC for sanctioning of three posts one Professor or Associate Professor and two Assistant Professor under the Teacher preparation in Special Education Scheme.
- In the 47th Academic Council meeting held on 11.04.2023, the Academic Council considered the Introduction of 4-year Under Graduate B.A. Programme in Linguistics in School of Languages Linguistics and Indology.
- In the 47th Academic Council meeting held on 11.04.2023, the Academic Council considered the Introduction of Certificate Course in Turkish, Telugu and Kashmiri from the Academic Session 2024-2025.
- The Academic Council considered the proposal of Prof. Faizan Mustafa for introducing 4-Year LLB programme in view of NEP 2020 recommendations i.e., imparting education in mother tongue. Prof. Mustafa was entrusted with the task of preparing documents for approval of the Bar Council of India.

Establishment and Recruitment Section- (ER-I)

The ER-I deals with the Recruitment Process and Service Matters of the MANUU teachers as per the guidelines and regulations of UGC. It maintains service books, leave records, personal files, nominations, service agreements, LTC records, and all the documents pertaining to the teachers' and their service. It organises screening committees and Executive Council meetings. It processes claims, approvals, leaves, study leaves, duty leaves, LTC, TA, DA for official work, issues pertaining to No Objection Certificates, applications and permissions pertaining to orientation programmes and Refresher courses etc. It further processes matters regarding Career Advancement Scheme. It also maintains records of seniority, reservation register, and post based register in respect of the faculty. It also processes matters pertaining to appointment of members of Executive Council, Deans of Schools of Studies, Heads of the Department, Proctor, Provosts and wardens for Hostels. Mr. Mohd. Faizur Rahman, Assistant Registrar, is the Head of

the ER-I Section.

Estate Section

The Estate Section and Transport Section of MANUU is the custodian of all the land and building, properties related records of the University. It also deals with matters relating to entering into rental/lease agreements for various Off-Campuses of the University.

The Estate Section is committed towards maintenance of the Physical Infrastructure and campus cleanliness and strives to provide safe and hygienic environment to all the stakeholders of the university. It is also responsible for the allotment of Staff Quarters, upkeep of amenities/utilities of the Campus. The matters concerning allotment and upkeep of auditoriums for different functions/events are also being dealt by Estate and Transport section. The allotment of shops at MANUU Shopping Complex is also the responsibility of the Estate and Transport section. In order to improve its telecommunication system, the university has switched over to new technology i.e. Optic Fibre Cable system for all its direct telephone lines installed through BSNL. The old technology which was based on copper cabling system has been done away with which eventually lead to reduction in expenditure as well.

The Transport Unit of Estate Section is responsible for maintenance of University Vehicles and for providing Staff Car facility to the designated Officers of the University. It also extends e-Rickshaw facility to differently abled students of the university besides providing daily bus facility to its students and Ambulance services to the Health Centre.

Internal Audit Cell

The University engages Internal Audit Officer on deputation from Central/State Government Departments and Internal Auditors on contract basis from the superannuated employees of the Audit Department. The Internal Audit wing has been effectively discharging duties assigned to it by providing advice/opinions on various files referred to it by the higher authorities. All the payments of University of monetary value of Rs. 50,000/- and above are being checked by Internal Audit, thereby ensuring that all the payments are made as per relevant rules/orders.

The Internal Audit Wing conducts audit of all the Offices, Sections, Departments, Colleges, Centres, and Directorates of the University. All Tender Documents and Agreements are vetted by Internal Audit Cell. The Internal Audit Wing also performs the duty of preparing and finalizing the reply for Audit query of Transaction Audit conducted by the O/o the Principal Director of Audit (Central), Hyderabad. The Internal Audit Wing has examined and given its opinion on 1223 files during 2022-23.

Planning and Development Section

The Planning and Development Section of MANUU looks at the proposals for sanction of development grants etc. from UGC/MoE and other funding agencies for the organized growth of the University. The Activities of the Planning and Development Section are looked after by Dr. Shamsuddin Ansari, Regional Director, MANUU.

The Planning and Development Section is executing the work for the growth and expansion of the University assets, plan and define the long-range physical vision of each of the university campuses and plays crucial role in management of organizational setup of the University. Further, it provides a seamless strategic and operational plan for overall University's Development Programs and offers support for decision making in order to accomplish and advance both academically and administratively through various reform initiatives.

This section is entrusted with the subjects viz., communication with Ministry of Education/UGC, preparation of developmental plans, proposals for sanction of teaching and non-teaching posts etc., establishment of new Institutions, Parliamentary replies, Visitor's Meetings and Conferences, Action Taken Report, Institutional Projects, UGC schemes, Data uploading on Central University Portals of UGC and any other work assigned by the competent authority from time to time.

Public Relations Office

With the establishment of MANUU, Public Relations Office also came into existence. This is one of the first offices which have been functioning in the University since its inception in 1998. As in the previous years, PR Office continues to propagate the academic and developmental programmes of the University throughout the Country. To make people aware of the University and its activities the PR Office arranges for the publicity through electronic, print, and social media etc. Press notes released by the PR Office have been published not only in the national English dailies and prominent vernacular papers but also by the well-known national and international news agencies. Prominent news websites also publish MANUU's news and photographs.

PR Office, MANUU publicizes all the University programmes and manages assigned events. It issues press releases regarding seminars, conferences, workshops and functions organized by any Department, Directorate, Centre or Section of the University. PR Office also publicizes University's activities/events

on social networks like official Facebook, Twitter and Instagram accounts of MANUU. The PRO also compiles the information on the events organised, achievements of staff and students of the University and the Prominent Visitors to the University etc. and publishes the Maulana Azad National Urdu University Magazine – “Al Kalam” on regular basis.

Purchase and Store Section

The University is observing centralized purchase system for procurement as per GFR. When the requisitions for items are received from the Departments, Schools, Sections etc. after due approval from the competent authority, they are processed. All purchases are carried out as per norms and as approved by the authority following General Financial Rules.

Hindi Cell

‘Hindi Cell’ has been established in the Maulana Azad National Urdu University for the implementation of the official language policy as per directions of the Ministry of Home Affairs, Rajbhasha Vibhag, and Govt. of India. Hindi Cell encourages the implementation of the Annual program issued by the Department of Official Language, Ministry of Home Affairs, Government of India in all Administrative sections and Academic departments of the office. With an aim to make the official language progressive Hindi classes (Prabodh, Praveen, Pragya, Parangat, and Hindi Typing) were conducted by the Hindi Teaching Scheme, Department of Official Language, and Govt. of India. MANUU, Hindi Cell is a member of the Town Official Language Implementation Committee (Central Government - 1), Hyderabad which has 57 Govt. offices as members. Dr. Shagufta Perveen, Hindi Officer and Dr. Ravindra Kumar Naidu, Hindi Translator of the Hindi Cell have attended the Twelfth half yearly meeting organized by the Town Official Language Implementation Committee (Central Govt. - 1), Hyderabad on 17.02.2023 and participated in the 13th half yearly meeting organized by the Town Official Language Implementation Committee (Central Government-1), Hyderabad through virtual mode on 27.04.2023.

With an aim to strengthen the Hindi Cell further, the Hon’ble Vice-Chancellor has constituted Rajbhasha Implementation Committee, consisting of 06 members, which meets every quarter. The objective of the meetings of the committee is to review the activities regarding implementation of official language and to work towards promoting the use of official language. Briefly the activities/work of Hindi Cell is as given below:

- In order to promote and use of official language, Hindi cell has conducted Hindi Pragya classes under the Hindi Teaching Scheme, Department. of Official Language, Ministry of Home Affairs, Govt. of India where 10 batches have successfully passed the examination of Hindi Pragya course successfully. Right now, a new course 'Parangat' has been started by the Department of Official Language. Hindi Cell has successfully conducted Six (6) batches of Hindi Parangat classes and three (3) batches of Online Hindi Typing classes.
- Conducted the meetings of the Official Language Implementation Committee in the four quarters of the year (April-June, July-September, October-December, and January-March).
- The quarterly progress report about implementation of Official Language in the University is sent regularly to the Department of Official Language, Ministry of Home Affairs, Govt. of India and a copy is also sent to UGC and Town Official Language Implementation Committee (Central Govt.-1), Hyderabad.
- An Online workshop on “International Mother Language Day” was organized by the Hindi Cell on 21.02.2023.

- Prepared bilingual documents under section 3 (3) i.e., Notice, Notification, Office Order, Circulars etc. as per Official Language Rule 1963. In addition, Hindi Cell assists the concerned department / section for preparing bilingual rubber stamps, name plates, titles of registers, etc.
- Hindi Translation of University Annual Report and Annual Accounts.

Hindi Diwas/Hindi Fortnight is regularly celebrated in the University by the Hindi Cell (Rajbhasha Cell). Hindi Week was organized from 14-20 September, 2022 in which various Online Competition like Hindi storytelling, Quiz competition were conducted and certificates were distributed to the winners. An Online official language workshop on “**Official Language Policy, Rules, Acts and Implementation**” was also organized.

On 12.11.2022, the First sub-committee for the committee of Parliament on Official Language inspected the Implementation of Official Language in the University. The Committee interacted with Hon'ble Vice-Chancellor Prof. Syed Ainul Hasan, Prof. Sk. Ishtiaque Ahmed, Registrar, Prof. Siddiqui Mohd Mahmood, OSD-II, Dr. Shagufta Perveen, Hindi Officer, Hindi Translator and members of the Official Language Implementation Committee of the University.

On 23.05.2023 Official language inspection of Maulana Azad National Urdu University was done by the Inspection Committee of University Grants Commission (UGC). The Administrative Sections and the Central Library were inspected by Joint Secretary Dr. Rajesh Kumar Verma and Deputy Secretary Dr. Gopichand Merugu.

During the official language inspection, UGC officials held a meeting with Prof. Syed Ainul Hasan, Vice-Chancellor, MANUU, Prof. Sk. Ishtiaque Ahmed, Registrar and senior officials, along with members of the Official Language Implementation Committee. Various aspects related to official language implementation were discussed during the meeting. On this occasion, the Chairman of the Official Language Implementation Committee Prof. Syed Najmul Hasan introduced the UGC representatives to the members of the Official Language Implementation Committee. Thereafter, Hindi Officer Dr. Shagufta Perveen elaborated on various activities related to official language implementation in the University. On this occasion, the Inspection Committee also shared its valuable suggestions towards the implementation

of Official Language in the University.

UGC Meeting with Official Language Implementation Committee members including Vice Chancellor Prof. Syed Ainul Hasan, Registrar Prof. Sk. Ishtiaque Ahmed and senior officers by members of Official Language Inspection Committee.

UGC Inspection of administrative sections by Joint Secretary Dr. Rajesh Kumar Verma and Deputy Secretary Dr. Gopichand Merugu.

Reservation Cell (SC/ST/OBC/EWS/PWD)

The Government of India has initiated special policies and plans to provide SCs/STs/OBCs/EWSs/PwDs access to education. The Cell was established in the University as per the direction of University Grants Commission to provide facilities to the SC/ST/OBC/EWS/PwD employees and students of the University as per the direction of Govt. of India from time to time.

The University adopts the reservation policy as per Govt. of India norms i.e. 15% for Scheduled Castes, 7.5% for Scheduled Tribes, 27% for Other Backward Classes 10% for Economically Weaker Sections and 4% for Persons with Disabilities. The Cell obtains the information of total number of teaching and non-teaching employees and students belonging to SC/ST/OBC/EWS/PwD Communities in the University. The details of the collected data are forwarded- to the MHRD/UGC/Other Govt. Organizations from time to time.

The University reviews the position and resolves the problems related SCs/STs/OBCs/PwDs. The work relating to the implementation of the reservation policy is monitored by the SC/ST/OBC/EWs/PwD Cell. During the reporting year there were no cases of caste-based discrimination received so far.

Office of the Central Public Information Officer

The office of CPIO deals with the applications filed under the Right to information Act, 2005. It follows the rules and regulations in letter and spirit as prescribed under the RTI Act as amended from time to time. As per the RTI Act, any citizen of India can apply for any “information” related to MANUU and its Constituent Institutions spread all over the country. The CPIO office facilitates in gathering information from various Departments/Sections of the University and dispose off the applications within the time-frame stipulated under the Act. The CPIO office operates in both offline (applications receives directly/through Posts) and Online through RTI MIS Portal of Govt. of India

Major Activities of CPIO during 2022-2023

- 1) Prof. Sk. Ishtiaque Ahmed, Registrar MANUU has been appointed as FAA (First Appellate Authority) of the University on 14.02.2022.
- 2) Mr. Mohd Faizur Rahman, Assistant Registrar, was appointed as Nodal Officer and Central Public Information Officer (CPIO). He took over the charge of the Office of the CPIO w.e.f. 26.04.2022.
- 3) Third Party Transparency Audit on Proactive Disclosure of Information under RTI Act, 2005 of the University for the Year 2022 - 23 has been successfully conducted by National Institute of Technical Teachers Training and Research (NITTTR), Hyderabad. A summary of the report is given at Table below

Table 26.6: Summary of the Third Party Transparency Audit on Proactive Disclosure of Information under RTI Act, 2005

Applications rejected like invalid IPO's without IPO's etc. as per rules	11	01	12
Total number of applications disposed	120	126	246

Finance Office

Finance and Accounts

The Finance and Accounts Division of the University is headed by the Finance Officer. It has three sections namely Salary and Personal Claims, Bills and Student's Welfare, and Budget and Accounts headed by Deputy Registrar, Regional Director and Assistant Registrar respectively. The financial system of the University is centralized at the Head Quarters. The accounting system of the University is fully computerized. The University is following the provisions of GFRs 2017 in all its financial transactions and the payments are being made through Public Financial Management System (PFMS) and Treasure Single Account (TSA) of RBI. The Ministry of Education has sanctioned a Term Loan of Rs. 75.96 crores from Higher Education Financing Agency (HEFA) for nine construction Works in the University. All the Works are completed. The internal Receipts of the University have increased by 50% when compared to the previous financial year.

As part of the austerity measures to curtail the recurring expenditure, the University has installed Solar Panels to generate its own electricity and constructed Sewerage Treatment Plant (STP) and Rain Water Harvesting Ponds to recycle the waste water and minimize the consumption of ground water and municipal water.

The Annual Accounts of the University are prepared on accrual basis in accordance with the common format of accounts prescribed by the Ministry of Education. During the last two consecutive financial years, the audit reports on Annual Accounts have been very impressive with no comments on the financial statements of the University. The University is complying with the statutory obligations by timely placing its Audited Annual Accounts and Annual Report before both the Houses of Parliament.

Internal Quality Assurance Cell (IQAC)

Internal Quality Assurance Cell (IQAC), Maulana Azad National Urdu University embraces all the core values of NAAC from *Contribution to National Development* to the *Quest for Excellence*, and strives to realize them in a substantive way.

IQAC, MANUU envisions raising and sustaining the quality of teaching and learning, promoting research, attracting consultancy, and contributing to the building of informed and conscious Urdu society in the nation. In line with this IQAC, MANUU has developed a policy for Enhancing Quality across all the activities of the University.

Therefore, the task before IQAC, MANUU is, as to how to match the expectations outlined in Quality Indicators Framework (QIF) of NAAC with the academic achievements and accomplishment of MANUU which imparts Higher Education through Urdu.

The Vice Chancellor, MANUU empowered IQAC, so that it could ensure quality in academics and administration. This was done by making IQAC an independent institution inside the University. IQAC appraises and informs the academics of the quality status of their contribution in terms of teaching, learning and research, and the administration on the status of its transparency and level of efficiency in governance.

In order to strengthen Internal Quality Assurance Cell (IQAC) and to initiate monitoring mechanism for the implementation of quality achieving strategies in the University, the coordinators are appointed for IQAC from all the department of studies, directorates, Centres, colleges of teacher education, off-campuses, administrative, academic and developmental sections of the University.

Some of the assignments of IQAC MANUU besides preparation of AQAR of IQAC are preparation of the Annual Report of the University, keeping track of the implementation of Tripartite Memorandum of Understanding (MoU) among MHRD, UGC and MANUU, examining all International/National/State partnerships, looking into the issues of the implementation of NEP 2020 vetting all the application forms for Career Advancement Scheme, examining issues pertaining to Research and Publications, conducting the Academic and Administrative Audit annually and ensuring the implementation of the recommendations provided therein.

Implementation of National Education Policy-2020

Maulana Azad National Urdu University (MANUU) is recognised for its prominent role in providing exceptional standards of education and conducting advanced scholarly research within its broad academic setting. Taking the NEP-2020 as a catalyst for conducting a thorough review of our current academic programmes and integrating novel concepts outlined in the policy, the Vice-Chancellor set up a committee entrusted with proposing phased approach for the implementation of NEP-2020.

The Committee's terms of reference were delineated as follows:

- Development of comprehensive plan outlining the specific steps and procedures for the phase-wise implementation of the National Education Policy 2020 at the Maulana Azad National Urdu University (MANUU).
- Collaborate and establish communication channels with the Schools, Centres and Departments (MANUU) to develop and implement programmes and structures in accordance with the NEP-2020.
- Streamlining the current programs/courses and starting new programs/courses in alignment with the National Education Policy (NEP) of 2020. In addition to that, it is necessary to provide guidelines for the smooth transition from the pre-NEP-2020 to the post-NEP-2020.
- Roadmap for step-wise implementation of NEP-2020 at MANUU
- New programmes/courses and structures under NEP-2020 for implementation from the academic year 2023-2024.

The Committee members conducted a comprehensive review of public documents that were officially published by the Ministry of Education and the University Grants Commission (UGC). These documents included the following:

- UGC (Establishment and Operation of Academic Bank of Credits in Higher Education) Regulations, 2021 UGC (Establishment and Operation of Academic Bank of Credits in Higher Education) (First Amendment) Regulations, 2021.
- UGC Guidelines for Multiple Entry and Exit in Academic Programmes offered in Higher Education Institutions, July 2021 ○ University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020,
- UGC Fostering Social Responsibility & Community Engagement in Higher Educational Institutions in India, January, 2020.
- UGC Draft Institution Development Plan for Higher Education Institutions (HEIs), 2022.
- UGC Guidelines for Internationalization of Higher Education, July 2021 ○ UGC Educational Framework for Global Citizenship in Higher Education, December 2021.

1. Academic

1.1. Academic Bank of Credits (ABC)

The NEP 2020 envisions the ABC as a key enabler of the transformational reforms proposed in the policy. The Academic Bank of Credits (ABC) is a digital platform that allows students to accumulate and redeem credits for academic coursework. It is designed to promote academic flexibility and mobility, and to allow students to tailor their education to their individual needs and interests.

- The University is already registered on the Academic Bank of Credits and initiated the process of getting its students to register for the Academic Bank of Credits (ABC) from Academic Year (AY) 2023-24.

1.2. Multiple Entry and Exit System (MEES)

The New Education Policy 2020 encourages the adoption of the Multiple Entry and Exit System in higher education institutions. The policy aims to create a more flexible and learner-centric education system.

- From the Academic Year 2023-2024, the University will commence 4 Year Under Graduate programs with Dual Majors and Interdisciplinary Mode with a provision of multiple entries and exits, as envisaged in NEP 2020.

1.3. Four Year Undergraduate Programmes

- In compliance with NEP 2020, MANUU launched Four Year Under Graduate Program (4YUG) from the academic year 2023-2024. Accordingly, it is notified for admissions in BA, BA JMC, B.Sc, B.Com and B.Voc. Programmes.
- All the Schools and Departments formulated the 6/8 semester structure. They are in the process of finalizing the detailed syllabus semester wise, with a multidisciplinary approach towards holistic education.

1.4. Research and Innovation

Recognizing the significance of research and innovation in advancing societal progress, the NEP 2020 aims to foster a culture of research at all levels of higher education. It advocates increased funding for research projects, collaboration between academia and industries, and the establishment

of research parks and innovation ecosystems to propel India's position as a global knowledge hub. In accordance with NEP-2020, the component of the research in the curriculum is given weightage at UG and PG level. All the scholars of research program and Faculty are provided necessary support to do quality research.

1.5. Integrated Teaching Education Program (ITEP)

The School of Education and Training is offering Four Year Integrated Teaching Education Programme (ITEP) in the fields of Sciences, Social Sciences, and in Commerce at its Hyderabad Campus, from the Academic Year 2022-2023 after obtaining the approval from the National Council for Teacher Education (NCTE). The following are the details of the programmes:

- B.A B Ed., B.Sc B Ed., B.Com B Ed.

1.6. Professional Education Programme

The NEP 2020 emphasizes skill development and employability, aiming to bridge the gap between academia and industry requirements. It encourages universities to offer vocational courses, internships, and experiential learning opportunities, ensuring that graduates are better prepared for the job market.

- As a part of the implementation of NEP's focus on professional education, Masters Programme in Legal Studies was launched from the academic year 2022-23.
- The School of Computer Science and Information Technology announced Academic Programmes in Artificial Intelligence.

1.7. Dual Degree Programme

The New Education Policy 2020 encourages students to pursue dual degree programs. The policy aims to create a more flexible and learner-centric education system, and dual degree programs can help students to achieve this goal.

- Students at MANUU can now pursue two degrees simultaneously (one through regular mode and one through distance mode).
- More vocational and skill-based courses are being offered at UG level.

1.8. Integration of Technology

Embracing the potential of technology in education, the NEP 2020 stresses the integration of digital tools and online platforms in the teaching-learning process. By leveraging technology, it aims to increase accessibility, equity, and quality in higher education, especially in remote areas of the country.

- All the Schools at MANUU are focusing on an extensive integration of technology in the teaching/ learning process. SWAYAM, MOCCS and NPTE are interlinked with various levels of Academic and Research Programmes at MANUU.
- Interconnected with various digital networks and platforms to the stakeholders of the University to explore global environment.

2. Holistic Development of the students

The NEP-2020 aims at to bring about significant changes in the education and foster holistic development among students. It recognized the learning-centre approach, focusing on all-round development rather than merely academic excellence.

Some of the key initiatives of the University for the Development of students

- For holistic development of students, besides the Drama Club, more University Clubs like Literary Club, Fine Arts Club, Music Club and Film Appreciation Club have been established.
- The University Cultural Activities Centre has been set up to promote students' active participation in cultural activities.
- Regular literary, cultural and sports competitions are being conducted to provide students with opportunities for overall development.
- The University will adopt features of NEP-2020 that require the University to create a more flexible multidisciplinary environment for students and permit greater mobility across institutions.
- The University will take measures to enhance learning support to students and provide professional counseling services for their psychological well-being
- The establishment of an advanced Learning Support and Counselling Centre by the University aims to effectively handle matters pertaining to the academic and emotional well-being of our student body.
- The provision of help for learning-related challenges encountered by students is not limited to remedial English lessons, but also extends to subject-specific assistance through the remedial coaching programme.
- In addition, comprehensive academic and career counselling services will be provided to all students, alongside dedicated counsellors who will prioritize the promotion of physical, psychological, and emotional well-being.

3. E- GOVERNANCE

Overhaul and strengthen the e-governance system to effectively manage the new, complex academic environment.(please add any Governing initiations adapted)

- SAMARTH
- Integrated University Management System (IUMS)

3.1. Strengthening of Faculty Resources and Infrastructure

To enhance the quality of education, the NEP 2020 emphasizes the professional development and training of faculty members. By promoting continuous learning and research among faculty, the policy aims to upgrade the teaching methodologies and instructional strategies in higher education institutions.

MANUU is facilitating:

- Conducting the capacity-building for faculty members in partnership Human Resource Development Centre (HRDC) and Centre for Professional Development of Urdu Medium Teachers (CPDUMT) at MANUU.
- Enhanced flexibility in the hiring of individuals with distinguished accomplishments and experience, as well as the invitation of visiting faculty members.
- The engagement of research researchers in activities connected to teaching.
- The proposed measures involve the augmentation and fortification of laboratory facilities, infrastructure, and employees with technical expertise.
- In order to adapt to post-pandemic pedagogy, the University is taking steps to furnish classrooms with the necessary resources to facilitate blended/hybrid modes of education.

Maulana Azad National Urdu University (MANUU) , Vision for the Decade (2023-2033)

Vision (2023-2033)

Global Epitome of Excellence in Urdu Language Education and Interdisciplinary Advancement, Fostering Innovation, Research, and Inclusive Societal Progress. Envision a future where our students are visionary leaders, equipped with knowledge, compassion, and the determination to create a world of positive change and boundless opportunities.

Mission

1. Academic Brilliance and Curriculum Innovation

- Enhance academic programs with a focus on experiential learning, research-oriented pedagogy, and industry-relevant curricula.
- Foster interdisciplinary approaches, encouraging students to explore diverse fields and bridge knowledge gaps.

2. Research and Innovation Advancements

- Establish cutting-edge research centres in critical areas, driving pioneering investigations that address global challenges.
- Promote research collaboration, conferences, and publishing opportunities to elevate the university's research impact.

3. Inclusivity and Diversity Champion

- Implement robust scholarship and financial aid programs to ensure access to education for all deserving students, regardless of their economic background.
- Create an inclusive and welcoming campus environment that celebrates cultural diversity and nurtures cross-cultural understanding.

4. Digital Transformation and Sustainability

- Invest in advanced technologies and digital infrastructure, ensuring a seamless and enhanced learning experience for students and facilitate efficient administrative processes.

- Implement eco-friendly practices, promote sustainability across campus, and foster environmental consciousness.

5. Global Engagement and Collaborations

- Forge strategic partnerships with reputed international universities, facilitate faculty and student exchange programs, joint research initiatives, and global learning experiences.
- Participate actively in international conferences, showcasing the university's research and academic prowess on the global stage.

6. Women's Empowerment and Leadership Development

- Establish a Women's Leadership Institute, provide mentorship, leadership training, and networking opportunities to empower women in their academic and professional pursuits.
- Foster an environment that promotes gender equality, ensuring equal opportunities for women to thrive and lead.

7. Community Outreach and Social Impact

- Engage in community service and outreach programs, addressing local challenges and contributing to societal development.
- Establish partnerships with NGOs and government agencies to create a meaningful impact on marginalised communities.

8. Alumni Engagement and Lifelong Learning

- Strengthen alumni networks to encourage continued engagement, and support for the university's initiatives.
- Provide lifelong learning opportunities for alumni, facilitating professional growth and knowledge enhancement.

Action Plan (Next 10 years)

Year 1-2

1. Conduct a comprehensive curriculum review, incorporating innovative teaching methodologies and interdisciplinary elements.
2. Establish the first research centre of excellence and initiate collaborative research projects.
3. Introduce scholarship programs to support economically disadvantaged students.
4. Implement 4 year UG programme.
5. Introduce conventional, career oriented and skill based Degree, Diploma and Certificate programs in Regular and Distance mode.
6. Introduce vocational courses in collaboration with private enterprise.

Year 3-5

1. Expand research centres, encouraging faculty and students to engage in transformative research.
2. Launch student exchange programs with international partner universities.
3. Establish a Women's Leadership Institute to foster women's empowerment.
4. Strengthen digital infrastructure, introducing advanced e-learning platforms and campus wide digitization.

Year 6-8

1. Establish international partnerships with renowned universities, promoting collaborative research and faculty exchanges.
2. Engage in community development initiatives, impacting local communities positively.

Year 9-10

1. Expand scholarship programs, aiming to provide financial aid to an increasing number of deserving students.
2. Cultivate a strong alumni network, encouraging alumni contributions to research and scholarship funds.

Table 26.7: Chronological Events of MANUU Academic Year 2022-2023

1.	April 05, 2022	MANUU and prestigious deemed to be University, BS Abdur Rahman Crescent Institute of Science and Technology, Chennai entered into MoU for promoting academic and research related activities. Prof. Sk. Ishtiaque Ahmed, Registrar, signed the MoU on behalf of MANUU on April 05, 2022 in the presence of Prof. Syed Ainul Hasan, Vice-Chancellor. Prof. T. Harinarayana represented the Institute. Dr. A. Azad, Registrar, Crescent Institute had signed the document in Chennai earlier.
2.	May 05, 2022	MANUU entered into MoU with India's premier Journalism Institute - Indian Institute of Mass Communication, New Delhi for sharing of knowledge, resources and research activities. The MoU was signed by Prof. Syed Ainul Hasan, Vice-Chancellor and Prof. Sanjay Dwivedi, Director General, IIMC in a formal ceremony held at IIMC.
3.	June 6 & 7	National Conference on 'Gender & Inclusion: a focus on Muslim Women' organized by Centre for Women Studies, MANUU in collaboration with Centre for Development Policy and Practice (CDPP) Hyderabad
4.	June 14, 2022	World Blood Donor Day observed
