## **Maulana Azad National Urdu University, Hyderabad.**

Maulana Azad National Urdu University (MANUU) is a Central University established by an Act of Parliament in 1998 with all India Jurisdiction. The main objectives of the University are to promote and develop the Urdu language and also to impart Vocational and Technical Education in Urdu medium through conventional and distance modes. The University has been awarded “A+” grade by NAAC. The Headquarter of the University is at an outstanding central location- Gachibowli, Hyderabad, sprawled over 200 acres. The students and staff of the University are drawn from throughout India. They are attracted by its commitment to excellence in quality Urdu education in all disciplines of knowledge.

## **MANUU CTE, Aurangabad**

MANUU College of Teacher Education, Aurangabad, under the School of Education & Training was established in the year 2014. The College of Teacher Education, Aurangabad being a constituent college of MANUU, was established to meet the ever-increasing needs of the Secondary & Higher Secondary Teachers especially for Maharashtra. The College is running B.Ed. Course - regular as well as through distance mode. It has a golden history in academic and professional achievement of students especially in CTET.

## About the Workshop:

“Intellectual Property Rights-Patents & Design Filing” is a part of National Intellectual Property Awareness Mission (NIPAM) to realize the objective, “Creative India, Innovative India” of the National IPR Policy.

Intellectual Property Rights (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. Patent is recognition for an invention, which satisfies the criteria of global novelty, non-obviousness, and industrial application. IPR is prerequisite for better identification, planning, commercialization, rendering, and thereby protection of invention or creativity. To create awareness on the significance of IPR amongst the students and academia from various sectors in the country, *MANUU College of Teacher Education, Aurangabad* is organizing a workshop on IPR and Patenting in India. The workshop is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, Patent Drafting, Filing and Processing, etc.

With the advent of “Startup India” campaign, a strong focus has been put on the need for intellectual property in technology driven companies. One of the major requirements for a startup to be qualified in the “Startup India” campaign is that it needs to have patents. This workshop will give participants a view of the patent filing procedure in India and also give them a hands-on experience on drafting a patent. The aim of this workshop is to enthuse participants towards filing patents on their projects and future startups.

## Objectives of the Workshop:

- ❖ To acquaint the participants with basics of intellectual property rights and patent filing.
- ❖ To compare and contrast the different forms of intellectual property protection in terms of their key differences and similarities.
- ❖ To provide an overview of the statutory, procedural, and case law underlining these processes and their interplay with litigation.
- ❖ To encourage young buddies for innovation for 'Make in India' programme especially in education.
- ❖ To aware the participants with the various funding platforms and facilities under Institution’s Innovation Council.
- ❖ To acquaint participants with procedures of patent filing, drafting and processing.
- ❖ To facilitate participants to incorporate Patent procedural steps into:
  - a. Curriculum
  - b. Pedagogy
  - c. Classroom Practices
  - d. Assessment
  - e. Teacher Training Programmes
  - f. Educational programmes.
