Sir,

This is to inform you that the Maulana Azad National Urdu University is a Central University established by Act of Parliament in 1998 with its headquarter at Hyderabad. The main campus of the university is located in Telecomnagar, Gachibowli. The University is strictly taking all the precautionary measures as per the guidelines and directives of the Govt. Of India, UGC and the Telangana State Government for the containment of COVID-19. The university is presently witnessing surge in COVID-19 cases. A few employees and residents of university campus staff quarters have been tested COVID-19 positive. This has lead to panic amongst the students, staff and residents of the university campus. Hence there is an urgent need to sanitise and disinfect the entire campus of the University on urgent basis. On our side we are taking all the measures.

2. However, I request you to kindly arrange for sanitisation and disinfection of the entire university campus on urgent basis. Further there could be possibility / need for such service in the University in future. Therefore I request you to kindly arrange for such service on call basis. Your timely action in this matter will help us in controlling the spread of COVID-19 in the University campus.

Thanking you,

Yours faithfully,
