Item No. 7.32

Sub: Establishment of University Industrial Training Institutes at Hyderabad, Bangalore and Darbhanga, reg.,

The objectives of the University as per the Act is to promote and develop Urdu language; to impart education and **training in vocational and technical subjects through the medium of Urdu**; to provide wider access to people desirous of pursuing programmes of higher education and training in Urdu medium through teaching on the Campus as well as at a distance and to provide focus on women education.

The studies conducted by various agencies, indicate that a large number of Urdu learners discontinue their studies early in life because the social condition does not allow them to invest time and money in an activity that is long-term and has no assured economic returns. To bring these people in the social mainstream and equip them with skills to earn a livelihood, Vocational training is identified as better option, thus fulfilling the objectives of the University. Thus, the University has been permitted to start the following courses by the UGC:

Hyderabad (at Headquarters) center:

1. Certificate course in Electronics mechanic (2-years)
2. Certificate course in Air conditioning and Refrigeration Mechanics (2-years)
3. Certificate course in Plumbing (1-year)
4. Certificate course in Electrician (2-years)
5. Certificate course in Draughtsman Civil (2 years)

Bangalore center:

1. Certificate course in Electrician
2. Certificate course in Air conditioning and Refrigeration Mechanics

Darbhangha center:

1. Certificate course in Electrician
2. Certificate course in Plumbing

The details are placed at **annexure XVI**

The matter is placed before Academic Council for its consideration.
