1 The Vice Chancellor's Lead-in

This is the 24th Annual Report of Maulana Azad National Urdu University (MANUU). This report presents the academic state of affairs, research endeavors, and administrative support system from 1st April 2021 to 31st March 2022.

I have completed one year in MANUU as Vice Chancellor, and the way the students have been conducting themselves and performing academically, and the vigorous way in which the teachers have engaged themselves in teaching and research convinced me that they shall very soon usher academic glories to MANUU. It is not far from being noted as the leading quality academic institution in India.

I observed that MANUU has the academic potential to lead in research and innovation. However, I found it latent, and realized that my immediate job is to awaken the giant in its students and teachers so that they prepare the minds that only focus on the positive angle in every situation they face and every activity they do.

With the arrival of the National Education Policy (NEP), there has opened new vistas to brood over the way the education may expand in the coming decades. Adapting the policy should not be the issue, but leading in its implementation is my concern. I have formed committees to plan the roadmap of NEP and I am sure very soon we will implement it fully.

MANUU had applied for the third cycle of NAAC accreditation, and submitted the Self Study Report (SSR) and it is now awaiting NAAC Peer Team Visit; and I am sure MANUU shall get a very good grade.

This year Honourable Shri Mumtaz Ali has joined MANUU as its Chancellor, I welcome him on behalf of MANUU fraternity.

MANUU has invited many renowned teachers to teach and guide its students in different disciplines. The intention is to benefit from their vast experience. I firmly believe that the experience in any field is as important as innovation in that field. The expert pursuit of the fields of study are indispensable for the innovation to be made. Hence, to push the research and awaken the potential, lying dormant in students, the experts are engaged at various academic disciplines in line with the UGC and MoE regulations.

From the academic year 2022-2023 MANUU announced offering of the Programmes in Legal Studies, Fashion and Interior designing and so on.

The courses such as generic, ability and skill enhancement are meant to churn out students who are equipped in all ways to become employable in fields in addition to the programme that they pursued. In fact the focus has been to make them not only employable but also future employers.

During this period of report MANUU has entered into collaboration with international and national institutions of repute, and working on for academic exchanges. Few initiatives that I introduce and the activities that are carried out during this period of report include, introduction of skill-development courses, setting-up of 'Research Development Cell' in line with Government's directives, fostering research culture, bringing in digital initiatives in

academics and administration, inviting renowned scientist and academicians to channel students' thinking into innovation and contribution, focusing on women education and assigning greater administrative responsibilities to women academicians, filling the vacant positions in line with UGC and MoE directives, orders and regulations, implementing Career Advancement Scheme and promoting the deserving faculty. The complete report of MANUU's progress during the period 2021-2022 is presented in the University Visibility and Progress Accountability parts of this report.

I thank the Ministry of Education, Government of India, University Grants Commission, All India Council for Technical Education, and National Council for Teacher Education for their guidance, help and cooperation, in making MANUU what it is today. MANUU has entered into its 25th year of imparting education in the country. The next annual report shall be its 25th, and it shall report and celebrate silver jubilee of its contribution and accomplishment to the building of the nation.

Finally, I thank the students, teachers, non-teaching staff of MANUU and all those who wish to see it cover unending paths of academic progress, and reach the untouched heights of research accomplishments.

Prof. Syed Ainul Hasan
The Vice Chancellor,
MANUU

Schools of Studies & Departments

7 School of Arts & Social Sciences

School of Arts and Social Sciences (SASS) was established in 2005. It has eight departments namely, Economics, History, Islamic Studies, Political Science, Public Administration, Social Work, Sociology and Women Education.

Department of Economics

The Department of Economics at Maulana Azad National Urdu University was established in 2014. The Department intends to make a qualitative contribution to teaching to the students through Urdu medium so as to promote 'inclusiveness' in higher education-a pre-requisite to 'inclusive growth'. Since its inception the department with strength of four faculty members offers courses for graduate and post graduate programs in Economics.

The faculty members at the Department are from the diverse fields' e.g. International Trade, International Finance, Applied Econometrics, Quantitative Economics, Monetary Economics, Islamic Banking and Development Economics. The diversity of specializations of the faculty members promotes multifaceted research at the department as well as contributes to provide a certain depth to its post graduate program in Economics. The department also recognizes the growing demand for trained manpower in applied economic research for Agriculture, Industry, Government, IT sector, Banking and Finance sector, NGOs and other socioeconomically relevant fields.

To cater to the growing demand for the trained economists for the industry and the academia, the department started PhD program in Economics from the academic year 2017-18. The thrust areas of the department are development of marginalized and minority communities' in India in general and Andhra Pradesh and Telangana in particular. The course structure of the department's post graduate program and the research being undertaken at the department have been thus designed to focus on these thrust areas identified by the department. With a judicious mix of theoretical and quantitative approach, the department since the day of its inception has geared itself to emerge as a strong teaching, learning and research department of the university.

College of Teacher Education Darbhanga (Bihar)

College of Teacher Education, Darbhanga (Bihar) is a constituent college of Maulana Azad National Urdu University, Hyderabad and presently situated at Ilyas Ashraf Nagar, Chandanpatti, Laheriasarai, Darbhanga-846002, Bihar. This is one of the premier colleges

of teacher education in the state of Bihar. This college started with modest beginning in the year 2007 to meet the ever increasing demand of Urdu medium teachers at secondary and higher secondary levels in Bihar in particular and the nation as a whole. During these 12 years of journey it has phenomenal record of growth and development as well as placement especially in government schools. Number of students qualified Teacher Eligibility Test (TET) conducted by the states. Many students also qualified Central Teacher Eligibility Test (CTET) whose pass percentage is merely 60% at national level. Although, this college has started the post graduate M.Ed. programme in 2014, on an average 05 to 10 students crack the National Eligibility Test (NET) in Education in every six months because of its competitive ethos and conducive atmosphere created and supported by its sincere and dedicated teachers.

Chemistry Section

Chemistry Section comes under School of Sciences, and is offering Chemistry as a subject for B.Sc.(Physical Sciences) programme. Since 2014, the undergraduate curriculum has been reformed in order to place students at the forefront of inquiry into Chemistry while maintaining a high standard of teaching. Key content of core chemistry courses on General, Organic, Inorganic, Analytical, and Physical Chemistry are designed. Faculty's research interests cover a broad range of topics, which include Analytical chemistry, Organic chemistry, Organometallic chemistry, Photochemistry, Medicinal chemistry, Physical organic chemistry, light emitting materials and coordination chemistry etc. Traditional laboratory classes have been integrated into interdisciplinary areas, in which undergraduates apply their classroom knowledge towards problem solving. The lab facilities have been upgraded on a large scale in recent years.

Physics Section

Physics Section belongs to the School of Sciences. Since 2014 it has been offering undergraduate programmes. Faculty members' research interests include theoretical physics, nanotechnology, space physics, astrophysics, solid state physics, bio-physics (Collaborative) etc. The faculty members use ICT based technology for teaching. Traditional laboratory classes have been integrated into interdisciplinary areas, in which undergraduate students apply their classroom knowledge towards problem solving. The laboratory facilities have been upgraded on a large scale in recent times.

Zoology Section

Undergraduates programme has been offered in Zoology since 2014. Presently the Zoology Section offers Zoology as a subject for B.Sc.(Life Sciences) programmes and courses under Skill Enhancement Courses under CBCS pattern of the UGC. The Section also offers PhD

programme in Zoology and currently seven research scholars are doing PhD under the supervision of the faculty members of the Zoology Section. One Research Scholar has been awarded PhD degree in Zoology in March 2020.

The Section has well equipped and ICT enabled laboratories with instrumentation, specimens etc to impart practical skills to the students in the areas of Animal Diversity, Physiology, Cell and Molecular biology, Immunology, bio-technique.

The Zoology Section has well trained faculty with international exposure in research in the areas of bio-diversity, toxicology, cancer biology, molecular biology, immunology and molecular genetics. The Research Laboratory has a central instrumentation facility suitable to conduct research in the field of classical Zoology and modern Biology. Dr. Parveen Jahan has received a research project from Indian Council of Medical Research (ICMR)-New Delhi for financial support worth Rs. 56.4 Lakhs.

13 School of Technology

School of Technology (SET) was formerly known as School of Computer Science and Information Technology (SCSIT). It was established in 2014. It has a Department of Computer Science and Information Technology, and all the Polytechnic Colleges of the University are brought under aegis of this school.

Department of Computer Science & Information Technology

The Department of Computer Science & Information Technology was established in 2006. The Department envisions producing engineers and technocrats of such professional quality that they cannot only keep pace with the ever-evolving technology and continuous innovation in Computer Science and IT, but also contribute by becoming a part of such technological innovation. The Department offers BTech, MTech, MCA and PhD programmes. The B.Tech. Programme is approved by All India Council for Technical Education (ACITE), New Delhi.

15 Research and Training Centres

Al-Beruni Centre for the Study of Social Exclusion and Inclusive Policy (ACSSEIP)

The Centre for the Study of Social Exclusion and Inclusive Policy was established in May 2007 at Maulana Azad National Urdu University – Hyderabad. The Centre at MANUU aims at studying the nature, extent and forms of social exclusion among some selective socially excluded groups, especially Muslim groups and suggesting theoretical and policy formulations in this regard. The centre’s key objectives include conceptualizing discrimination, exclusion and inclusion based on caste/ethnicity and religion; developing understanding of the nature and dynamics of discrimination and exclusion; developing an understanding of discrimination at an empirical level; formulating policies for protecting the rights of these groups and eradicating the problem of exclusion and discrimination. The thrust areas of the Centre are to study religious minorities with specific focus upon the Muslims as a socially excluded group, exclusion of Urdu speaking population, and to study the other excluded groups such as Dalits and tribal communities.

Centre for Professional Development of Urdu Medium Teachers (CPDUMT)

The significant role of teachers in social engineering and nation building is universally recognized. However, a teacher cannot discharge his/her duties in today's fast changing world as per the need of the hour unless he/she is well trained and kept on refreshing his/her knowledge through periodical orientation and refresher courses. Therefore, to make the teachers a national asset, the adequate arrangements of teachers' periodical trainings are indispensable. There is no gainsaying the fact that teachers of Urdu medium schools, spread across India, must be imparted training so that they update their knowledge and skills and in turn contribute their best to the nation. This very idea induced the government to ponder over establishing such centres/academies that might be instrumental in arranging orientation/refresher courses as well as other activities to ameliorate the professional skills of Urdu medium teachers which eventually led to the sanction of 'Centre for Professional Development of Urdu Medium Teachers (CPDUMT)' by the University Grants Commission, at Maulana Azad National Urdu University, Hyderabad, in October 2006. The Centre has taken up the responsibilities aiming at the professional development of Urdu medium teachers.

Haroon Khan Sherwani Centre for Deccan Studies (HKSCDS)

Haroon Khan Sherwani Centre for Deccan Studies (HKSCDS) was established in 2012. The Deccan studies aims at studying Deccan, its history, culture, languages, literature and architecture. The centre was named after the renowned Indian historian, scholar and author, Haroon Khan Sherwani, whose contribution to the study of the Deccan was vastly unsurpassed and remarkable.

The Centre’s areas of study range from the natural sciences to the social sciences and the humanities. The Centre’s broad-based, all encompassing scope brings together different disciplines and streams of study—archaeological, historical, geographical, geological, cartographic, administrative, socio-economic, religious, cultural and literary—which are expected to converge to produce healthy academic standards.

17 Examination Branch

Dr Md Zair Hussain, Controller of the Examination

Mr Syed Zabih Ullah Hussaini, AR, Examinations (Regular Exams)

Dr Badeeuddeen, ARD, (Distance Exams)

The Examination Branch MANUU conducts Exams for both the Regular and Distance Mode programmes. MANUU adopted CBCS in 2016, and all the mark-sheets are issued in Grades / Credits. Examinations for Regular Mode programmes are conducted simultaneously at all the Campuses & Colleges of MANUU across India.

MANUU is offering 15 Programmes through Distance Mode. Directorate of Distance Education has 14 Regional Centres and Sub Regional Centres all across the country, and the Examination Branch has about 139 Exam Centres to conduct examinations .

Examination Branch also conducts Entrance Tests of the University each year. In 2022, Entrance Tests were conducted at 20 different centres. The ET was conducted for 34 different programs. The ET is OMR Sheets based test of 100 MCQs, Carbon copy of OMR is shared with the students in order to maintain transparency. The key is declared on the website before declaration of the results. A three-Member is constituted to examine on the challenges. The final key is again uploaded as Final key.

In compliance to the University Act, all the students are supposed to write exams in Urdu (except in languages). The question papers are provided in Urdu in compliance to the mandate of MANUU. Students can submit grievance for re-evaluation of their answer booklets. Special Exams for last final odd Semesters. During Covid Pandemic the Examination Branch has conducted Online Proctored examinations through in-house software and all the results were declared in-time as per the Guidelines issued by UGC.

Automation

MANUU has developed in-house automation of Examination Software – Integrated University Management System (IUMS). The students can apply through online to appear for Examinations. All Exam Fees are collected through online.

Examination Admit Cards / Hall Tickets are issued online. The Results are declared online on <https://manucoe.in/ums/> . Students can download their Mark-sheets online. All the Mark sheets, Consolidated Mark sheets, Provisional Certificates and the Degree Certificates are generated and printed through IUMS. Verification of student's credentials is done online.

Confidential Measures

The Examination Branch pays special attention to security of its certificates, therefore, the following features could be noted with respect to certificate design and confidential measures: Chemical sensitized security paper, Inbuilt water mark, Rainbow pattern printing, Guilloche pattern with security UV ink, Micro text, Anti-copying ink, Security impressed numbering, Special security bi-fluorescent ink for numbering, Variable data 2D bar code with embedded data, and Corresponding variable data numbering.

18 Academic Support Service Centres/ Directorates

Centre for Information Technology (CIT)

Prof. Abdul Wahid, Director

Centre for Information Technology (CIT) was established to integrate ICT in MANUU's academic and administrative activities with the objectives of improving quality of education & research, broaden MANUU's reach to even larger and needy sections of the society, exercise greater administrative transparency and enhance accountability in functioning.

The Mission

To provide Internet enabled computing facilities to faculty, students and staff of MANUU, to build and maintain state-of-the-art Campus-wide Network with adequate Wi-Fi facilities, to develop and manage an E-Governance (ERP) system that streamlines and automates the university's academic & administrative processes in innovative ways and support information requirement for effective decision making.

To leverage university's E-Governance System for undertaking specific data analytics for performance analysis and quality improvement. To establish electronic links and web-conferencing system between MANUU Hyderabad and its Satellite /Regional Campuses /Sub-regional Centres located in different parts of the country for conducting remote meetings, for saving time and resources. To setup Virtual Class rooms for Satellite Campus/ Regional Centres / Sub-Regional Centres and students of Distance Education. To promote MOOCs and provide congenial technical environment for their effective delivery to MANUU's students and faculty members.

To reduce consumption of papers by integrating E-Mail facilities with University's administrative & academic functioning. To undertake scientific /custom software development for researchers and /or specific requirements of the university. To develop and maintain a dynamic, multilingual, disabled-friendly and adaptive (Device Independent) University portal in three languages viz. Urdu, Hindi and English.

To establish Intranet Services for meeting local software and data requirements of the University users. To develop and maintain a 24x7 IP-based surveillance system in MANUU Campuses. To establish and maintain an IP-PBX System for voice communication.

To setup IT Help - desk for University Users. To frequently organize ICT capacity development programs for University faculty members, students and other staff. To achieve the above mission, CIT, has constituted small team of ICT professionals who have organized into five Technical Groups as shown in the diagram given below:

CIT has been involved in providing technical support to all the departments, schools, Colleges, Satellite Campuses spread all over India.

Directorate of Admissions (DoA)

Prof. Vanaja M, Director

Maulana Azad National Urdu University established the Directorate of Admissions for the sole purpose of bringing transparency and uniformity in admission process. As MANUU extends to the whole of India, a centralised Directorate of Admission strengthened by the

available means of information technology was felt essential to maintain the uniformity in the process of admission in terms of conduct of examinations, declaration of results and admissions of the candidates in the programmes of study offered by MANUU. DoA is supported by the Examination Branch and Centre for Information Technology.

Directorate of Translation & Publications

Prof. Khalid Mubashir-uz-Zafar, Director

The establishment of Directorate of Translation & Publications is a vital initiative towards achieving the objective related to 'Urdu medium of instruction' mandated to Maulana Azad National Urdu University through MANUU Act. As the University offers various courses in through traditional and distance mode where language of instruction is only Urdu, it is mandatory to devise an effective mechanism to make the course materials/ books available in Urdu for the students of the varsity. Keeping in view this very basic objective, the University established the "Directorate of Translation and Publications (DTP)" in 2016.

Since its inception, the Directorate of Translation and Publications (DTP) has taken up the responsibilities associated with production and publications of different course materials and books of various courses being run by MANUU. In case the essential books/ materials are in other languages, the directorate manages to translate them into Urdu. It also plans to arrange to prepare and publish books of various streams and genres, translate famous books from different languages into Urdu as well as to reproduce important and rare Urdu books which have gone out of print to help the Urdu medium students, teachers and Urdu loving people enhance their knowledge and erudition in varied fields of learning.

Instructional Media Centre (IMC)

Mr. Rizwan Ahmad, Director

To develop the media components as part of the media-mix of the distance education offerings, MANUU has established a full-fledged 'Instructional Media Centre (IMC) on its campus. IMC primarily acts as the means of educational knowledge dissemination of the university. IMC also provides a forum for the active involvement of academics and other scholars in creation of appropriate educational programmes for regular and distance mode. To connect with Distance Learner, the University has also launched its YouTube Channel. IMC MANUU YouTube channel is an initiative to provide a wider access of Higher Education to the unreached, people desirous of pursuing programmes of higher education and training in Urdu medium through Distance modes. Besides producing the curriculum based Audio-visual programmes, the Instructional Media Centre also provides consultancies in the field of distance education, e-content production, social media and higher education, film & TV production, etc.

The basic infrastructure of IMC consists of a Video studio, Audio studio, associated control rooms and a comprehensive post-production facility by the way of audio edit suites, non-linear editing suits, computer graphics and animation etc. A set construction workshop, props, make-up kit, conference hall, technical store, preview theatre and a tapes library are an integral part of the infrastructure.

The Media /Affiliated Centres strive to achieve the following objectives:

Understand the significance of education in general and higher education in particular, in the global and Indian contexts. To set up a proper facility for producing educational programmes and generating e- content material. Research related to optimizing the effectiveness of the programmes. Net working and collaboration with other educational agencies in India and abroad in the field of educational communication. Training and overall human resource development in the field of educational communication. Studying, promoting and experimenting with new techniques / technologies that will increase the reach and /or effectiveness of educational communication.

During 2021-2022 the Instructional Media Centre conducted two feedback studies:

The first study was based on the analytics of MANUU’s official YouTube channel (IMC MANUU YouTube Channel). This channel is regularly updated and uploads programmes of various academic disciplines and watched by the students of the university and audience in general. As of today, IMCMANUU has a total of 23.6k subscribers to the channel which is fast and steadily growing. To provide the free access of audio-video lessons in Urdu language to MANUU students, the Instructional Media Centre (IMC), Maulana Azad National Urdu University (MANUU) launched its own YouTube channel. Idea was to provide the supplementary materials in the forms of video lessons for the distance mode as well as the conventional students spread all across the country. After the launch of the You Tube channel, it was important to know how the students and general audience perceived these educational and the enrichment programmes.

The second study is related with the COVID 19 pandemic which has affected almost all sectors and every sphere of life. Education is one of the important sectors which faced multiple challenges during the current crisis. This Study “Student’s Feedback on Online Education during COVID 19” was done as an attempt to understand the efficacy of Online Education amongst the Higher Education Students. It was important to find out and understand the various factors which affected the students' in carrying out their education during this pandemic, also how online education was taken by the students during the pandemic

19 Office of Deans

Office of the Dean, Alumni

Prof. Syed Najamul Hasan, Dean

The office of the Dean, Alumni has been created to develop a linkage between the University and its Alumni by Creating its Network. The office shall provide a platform for meeting and interaction between distinguished Alumni and students of the University.

In the process of bringing MANUU on the world map, the role of alumni is vital. The vision and mission of the office is to facilitate and provide opportunities for an interface between the University and alumni to remain connected and help them on an ongoing basis in their various endeavors and to enable them to be part of a network of batch mates, seniors, juniors and current students irrespective of location.

All present and past students from all academic programs of MANUU of all campuses shall be integral part of the network and a comprehensive and dynamic database of all of them is envisioned for an effective communication link by the Office of Dean Alumni, MANUU.

The Alumni Meet will be, inter alia, an academic-o-cultural exercise in the form of lectures, special & extension lectures, seminars, cultural programs and endowment programs, interaction with current students, wherein the alumni will also share their professional, academic and other achievements, and offer guidance to their juniors. Their involvement and feedback will also help departments of studies to enrich & customize the curriculum and pedagogical aspects suitable to job market needs. The office may develop a corpus fund with the contribution from Alumni to help the Alma matter in developing better facilities for students.

Whether you graduated a year or seventeen years ago, you will have lifelong networking of MANUU Alumni for various opportunities, such as;

- Be Connected; you may enjoy a shared connection of personal and professional acquaintances and update your information!
- Be Informed; Stay up-to-date with everything happening in & around MANUU community!
- Be Involved; it's no fun to be on the outside and getting an opportunity for looking in as well as getting involved!
- Be Complete; Explore all of the benefits of being an alumnus of MANUU!
- Be a Donor; your generosity today helps open up a whole new tomorrow for many!

The Office of Dean (Alumni) initiated working on stated vision and mission. Now, we would like to request you to Tell Us You Miss Us. For this, do visit the University website - Dean Alumni Link for registration and become valuable member. If you know about any alumnus, please let us know about them. For more information, you may, please, contact the following;

Office of the Dean, International Student (DIS)

Professor Shugufta Shaheen, Dean

During this period of report, MANUU created on the recommendations of IQAC an Office of the Dean of International Students to attract International students to MANUU and to promote MANUU's educational mission abroad. After, its establishment, the DIS also started facilitating admission process, oversees International students' issues, and provides advice to the International students about Foreign Registration Office.

Office of the Dean, Students Welfare (DSW)

Professor Syed Alim Ashraf, Dean

The Office of DSW oversees welfare activities of all the students of MANUU in all its campuses around the Country. It guides students towards meaningful studentship and promotes their educational and social welfare. It arranges for guidance of the students on matters pertaining to: organization and development of students' bodies; counselling and students' guidance facilities; promotion of students participation in co-curricular and social activities; facilitation of the student - teacher and student –administration relationships; providing of career advice and campus placement; arranging facilities for the students educational tours and excursion, other than those prescribed as part of curriculum; and securing facilities for students for further studies in the country and/or abroad.

Office of the Dean, Research & Consultancy

Prof. Salma Ahmed Farooqui, Dean

To implement a strategic plan aiming to develop research that is recognized by peers as world leading, contributing to major advances in knowledge, and has impact.

- Formulate a research strategy framework and coordinate the academic management of research for the University as a whole in terms of the following:
 - ◆ Implement a strategy that relates to research
 - ◆ Encourage National and International collaborations in Research
 - ◆ Organize extra-curricular research-based activities for faculty and students
 - ◆ Encourage faculty in Schools of Studies/Departments/Centres to engage in multi-disciplinary research, and forge strategic alliances and networks with other world-leading academic and research institutions for individual and institutional collaborative research and consultancy.
 - ◆ Promote internationally the strengths of the University
- Convene the Research Advisory Council meeting at least twice in a year for soliciting advice on policies for the conduct of research and steps to maintain suitable standards.
- Support researchers in the development of research facilities, research centres and research chairs.
- Undertake organizing of creative thinking and writing workshops for incoming research scholars to orient themselves in writing skills.
- Inform faculty and research scholars about new and existing financing initiatives of research.
- Maintain a record of the national and international level major/minor research projects of the faculty and encourage/coordinate for its timely completion/or extension, if necessary.
- Provide guidance to faculty for submitting grant applications to potential funding agencies.
- Maintain a record about the progress of national and international level agreements, collaborations and MoUs that the University has entered and monitor the progress.
- Maintain a database regarding faculty expertise in their respective subjects.
- Encourage faculty to form successful collaborative research groups that integrate and support individual, community-based, and team-based programs of research.

- Provide and facilitate mentorship of research-active faculty.
- Disseminate and implement good research practices to the faculty.

Activities:

24 Internal Quality Assurance Cell (IQAC), MANUU

Internal Quality Assurance Cell (IQAC), Maulana Azad National Urdu University embraces all the core values of NAAC from *Contribution to National Development* to the *Quest for Excellence*, and strives to realize them in a substantive way.

IQAC, MANUU envisions raising and sustaining the quality of teaching and learning, promoting research, attracting consultancy, and contributing to the building of informed and conscious Urdu society in the nation.

As MANUU possesses a privileged right to promote higher education through the medium of Urdu, and to ensure women empowerment through gender equity in education, then the mission of IQAC is to exercise this right, and to oversee the implementation of all NAAC recommendations in this regard.

IQAC, MANUU has a *policy* in the form of NAAC *Manual for Universities* as any other higher education institution has, but its strategy of policy implementation naturally differs from other institutions of higher education as MANUU's medium of imparting knowledge is Urdu.

Therefore, the task before IQAC, MANUU is, as to how to match the expectations outlined in Quality Indicators Framework (QIF) of NAAC with the academic achievements and accomplishment of MANUU which imparts higher education through Urdu.

The Vice Chancellor, MANUU empowered IQAC, so that it could ensure quality in academics and administration. This was done by making IQAC an independent institution inside the University. IQAC is obligated to appraise and inform the academics of the quality status of their contribution in terms of teaching, learning and research, and audit and inform the administration about the status of its transparency and level of efficiency in governance.

In order to strengthen Internal Quality Assurance Cell (IQAC) and to initiate monitoring mechanism for the implementation of quality achieving strategies in the University, the coordinators are appointed for IQAC from all the department of studies, directorates, centres, colleges of teacher education, off-campuses, administrative, academic and developmental sections of MANUU.

In addition to the functions outlined in the NAAC manual, MANUU has developed a mechanism to address all the quality related issues through IQAC, MANUU.

Some of the activities carried out by IQAC this academic year include:

Submission of Self Study Report (SSR) to NAAC for the third cycle of MANUU's Accreditation

Overseeing the collaborations with all the national and international institutions/organisations

Conducting IQAC meeting

Vetting all the application forms for Career Advancement Scheme

Preparation and submission of AQAR 2020-2021 to NAAC

Preparation of this 24th Annual Report of MANUU (2021-2022)
