Maulana Azad National Urdu University, Hyderabad

About Maulana Azad National Urdu University, Hyderabad

Maulana Azad National Urdu University (MANUU) is a Central University established by an Act of Parliament in 1998. It offers an enriching and inclusive environment that fosters excellence in academics, cultural studies, sports, and other student-driven endeavors. Spanning over 200 acres, MANUU's main campus is situated in Gachibowli, Hyderabad, Telangana State. The University is named after Maulana Abul Kalam Azad, the freedom fighter and a distinguished scholar who as the first Education Minister of Independent India envisioned and established technical, scientific, and higher education in the country.

The University's primary goals are to advance and expand the Urdu language, provide instruction and training in vocational and technical disciplines in both conventional and open and distance learning (ODL) mode, and place a particular emphasis on women's education. MANUU has two satellite campuses, eight teacher education colleges, five polytechnics, three ITIs, and three model schools spread across the nation. Additionally, MANUU's open and distance learning programmes are provided by the Directorate of Distance Education (DDE), which has a network of nine Regional and five Sub-Regional Centres spread across 11 states of India.

About School of Sciences

School of Sciences (MANUU) is widely regarded as a frontier in providing higher education in Sciences through Urdu as a medium of instruction. The School was established in 2006 with the aim to provide Science education in Urdu. It provides Undergraduate, Postgraduate and Ph.D. programmes in five departments: Physics, Chemistry, Mathematics, Botany, and Zoology. The School also runs UG and PG programs in Health Sciences namely B. Voc. and M. Voc. (MLT & MIT). The School is home to eminent academicians from a variety of well-known universities who are actively engaged in ongoing research and development projects in a wide range of fields. The curriculum has been designed with consideration for students' employability, the nation's

Call for Papers

The International Urdu Science Conference (IUSC-2024) VisionIndia@2047 is a tribute to Sciences with an expected gathering of world-renowned scientists, notable researchers, and learned academicians. We are excited to announce its upcoming edition, which will take place in a hybrid format from March 4–5, 2024. The VisionIndia@2047 inspired the careful planning of this conference, which will focus on investigating the most significant and recent developments across a range of scientific disciplines.

The International Urdu Science Conference-2024 encourages the community of Researchers to submit high-quality original, unpublished research papers related to main Theme and Sub-Themes of the conference.

Theme of the Conference : **Science for a Sustainable Future**

Sub-Themes of the Conference include the following :

- Mathematical Sciences
