**Subject:** Spring Student Lists

Dear Sirs,

Thank you for all your help and support in the registration of students for next semester. A total of 174 students submitted applications for the 3+ 1 courses we put out. Since the total number of students registered is less than what we agreed upon earlier, I suggest we accept all the students who applied for the course.

I have attached the lists of students to this email for the university's approval. Please advise me on the next steps. Should we publish/announce the list of selected students ?

Looking forward to hear from you.

All the best,

Robin

Dear Sirs,

Thank you for your response. I will inform the applicants for the commencement of classes as requested.

I have received the Notification of Closed Holidays, and it seems that 14 January is a holiday. Furthermore, several students have stopped by my office to inform me that they will not arrive to campus until January 20. Please advise me if we should delay the classes till Monday, January 21 or start on Tuesday, January 15.
