Preface

Having realized the fact that a new State is being formed in the name of Telangana with 10 districts from out of the existing Andhra Pradesh, the faculty of the Acharya Nagarjuna University have teamed up to contribute their intellectual might for the development of the residual Andhra Pradesh consisting of the 13 districts from Visakhapatnam in the north to that of Nellore in the south and the four districts of Rayalaseema. The Vice-Chancellor has organized a meeting of faculty to deliberate upon the problems and prospects of residual of Andhra Pradesh and directed them to prepare perspective plans/vision papers incorporating their ideas for the speedy and sustainable development of the new state. There has been very impressive response from the faculty and in all the University received 16 contributions on several aspects including the following.

1. Primary Education
2. Higher Education
3. Health
4. Nutrition
5. Science and Technology
6. Aquaculture
7. Biodiversity and Environmental Issues
8. Social Development
9. Women Development
10. Development of Weaker Sections including SC, ST, BC and Minorities
11. Sports Policy
12. Judiciary and Legal System.
